

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

TALISMAN DESIGNS, LLC,

Plaintiff,

v.

JACKSUN, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF TAYLOR FENNELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Taylor Fennell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through amazon.com, eBay.com, wish.com, and aliexpress.com the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** hereto (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined (1) that the listings infringed on the Plaintiff’s

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants are using without authorization Plaintiff’s sculpture (“Plaintiff’s Work”), while promoting, selling, offering for sale and distributing knock-offs of Plaintiff’s Product, thus infringing on Plaintiff’s Work. (the “Infringing Product”).

Work, and (2) the products were not genuine versions of Plaintiff's Products. These were sent to Katherine Waymire, President and owner of Talisman Designs, LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Further, when the ordered product was received it was examined and determined not to be authentic. Further, each of the Defendants who shipped the product collected and paid Pennsylvania sales tax.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 15th day of June, 2021, at Pittsburgh, Pennsylvania.

/s/Taylor Fennell

RICHSC-PAN

\$14.99 & FREE Returns

Get a \$70 Gift Card instantly: Pay \$0.00 upon approval for the Amazon Prime Rewards Visa Card. No annual fee.

- **【Health and Hygiene】** This bacon grease container helps us separate the grease from fat and reduce fat intake. Made of BPA-free, food-grade silicone; heat resistant up to 400°F; non-stick, resists stains and odors; sturdy and heavy-duty, holds hot grease without melting or spilling.
- **【Unique Design Butter Crock Container】** : Bacon grease container can with dust-proof lid which will stop the dust falling into the oil. Lovely Shape, detachable filter, easy to filter out pure grease.
- **【Excellent Sealing】** : The cooking oil container measures 4" x 3.34" and holds up to 1 cup. The sealing is very good and can keep the grease fresh.
- **【Simple to Use】** : Bacon grease can is a fun way to safely strain, cool, save or dispose of used bacon grease on the countertop or refrigerator.
- **【Convenient】** : Dishwasher safe and easy care; safe for use in freezer, refrigerator, microwave, and cute enough to leave on your counter.

AV DIRECT Bacon Grease Container – 4 Inches Unique Silicone Pig Shape Design for Extra Oil Storage – Detachable Filter and Frying Oil Strainer – Food Grease Store - 100% BPA Free Kitchen Oil Container

Brand: AV DIRECT

Price: \$13.99

Get a \$70 Gift Card instantly: Pay \$0.00 upon approval for the Amazon Prime Rewards Visa Card. No annual fee.

- **Oil Filter & Storage:** A common problem everyone faces in daily life is to strain and store the extra oil properly so that it can be used in future. AV DIRECT Silicon Grease Strainer is a solution to all these issues. You can filter the used oil and grease with the strainer and store it in large space container store. Save the grease and use it next time for frying Chicken, Bacon or anything you like. It will save time and money and gives you a smooth buying experience.
- **Unique Pig Shape Design:** It has been observed that you feel fresh and lively if you start using attractive accessories especially in Kitchen. Our Pig Shape Grease Container is a true example of that. The cute pig design makes it more lovable to the customers. Unique style has the maximum capacity to store the grease and you can easily use it without messing up with a separate strainer and container. You'll find it all in one in our large Kitchen Silicone Grease container.

Bacon Grease Can for Strainer, Silicone Grease Cooking Oil Container, Separator for Chefs Piggy Style

Get a \$70 Gift Card instantly: Pay \$0.00 upon approval for the Amazon Prime Rewards Visa Card. No annual fee.

ly and heavy-duty, it can hold hot melting or spilling. The Bacon Grease 34", can hold up to 1 cup, about 1 seal to keep grease fresh. Bacon grease canisters are a fun way to, preserve or dispose of used bacon grease on the countertop or refrigerator.

- HEALTH AND HYGIENE: This bacon grease container helps us to separate food from fat and reduce fat intake. Made of BPA-free, food-grade silicone; heat resistant up to 400°F; non-stick, stain and odor resistant.
- EASY TO DISTINGUISH: The unique piggy shape is very cute and easy to distinguish from other kinds of fats and oils, the detachable strainer makes it easy to filter out pure fats and oils.
- EASY TO STORE: The cooking oil container is safe for dishwasher, easy to care for, safe to use in the freezer, refrigerator, microwave.

Get a \$70 Gift Card instantly: Pay \$0.00 upon approval for the Amazon Prime Rewards Visa Card. No annual fee.

- Lovely red pig shape, add the fun of the kitchen. The filter of the container can easily filter out the residue in the oil, and the cover can keep the oil fresh and sealed well.
- Made of food-grade silicone without BPA; high temperature resistance up to 400°F; non-stick, stain and odor resistant; strong and durable, can hold hot oil without melting or spilling.
- The filter can be disassembled to filter clean cooking oil easily. It is simple and convenient, and can be washed with water. This is the best practical gift for a hostess or girlfriend during the festival.
- The filter is detachable, which can easily filter out clean grease. Simple and convenient, just rinse with water. This is the best practical gift for a hostess or female friend during the holiday
- It can be placed on a flat table, or placed in a refrigerator or microwave. The dishwasher is safe and easy to maintain, after the fat is solidified

igs

Get a \$70 Gift Card instantly: Pay \$0.00 upon approval for the Amazon Prime Rewards Visa Card. No annual fee.

... of a red ... of a silly pig looks very cute. With a pig spoon, this is a set of interesting grease containers.

- SAFETY HEALTH: The silicone oil bacon tank is made of food-grade silicone, durable, safe and hygienic, no peculiar smell, high temperature resistance, and can hold hot grease without melting or overflowing with Silver stainless steel
- GOOD AIRTIGHTNESS: Autonomier bacon grease container is a fun way to safely strain, cool, save or dispose of used bacon grease on the counter top or refridgerator
- EASY TO CLEAN: Dish washer safe for easy care; safe for use in freezer, refrigerator, microwave and cute enough to leave on your counter
- HEALTHY DIET: Using Bacon Grease Leacher to reduce fat intake can keep the body healthy, not only to store oil, but also to decorate your kitchen.

- [BACON GREASE CONTAINER]** This grease container is a three-layer combination, the lid is a cute pig shape, which can prevent dust from falling into the oil; the detachable filter is easy to filter out pure grease; there is also a grease container for easy cooling, storage or disposal.
- **[BACON GREASE CONTAINER]** The pig-shaped container can collect excess fat. After solidification, you can use a spoon to dig out the amount of oil you need. Saves you time to find a spoon, so you can concentrate on cooking.
 - **[GREASE STRAINER]** Strainer Made of food grade silicone and not contain harmful substances, heat-resistant temperature is 400°f, non-sticky, anti-odor, not corroded and not hot to hold the grease.
 - **[EXCELLENT SEALING]** The Bacon Bin measures 4" x 3.35" and holds up to 1 cup.The sealing is very good and can keep the grease fresh.
 - **[Simple to Use]** Use to strain and clean bacon grease for future cooking or prevent clogged pipes by cooling grease in the bin before scooping out for easy disposal.

- [HEALTHIER LIFE]: Bacon-grease-container can better separate food from fat and get cleaner grease, it can hold up to 1 cup of pure goodness, and can be safely used in the freezer, refrigerator, microwave to keep it fresh and ensure your family's health with oil.
- [MOM'S CHOICE]: The uses for heavenly bacon grease are endless! You can save the grease, which means you can use it the next time you fry chicken, potatoes or onion rings! Reuse bacon/cooking oil/pan and grill grease to add flavor to popcorn, eggs, pancakes, cookies or any meal you like, creating a more colorful meal.
- [PRODUCT SIZE]: The silicon bacon grease container is 10.3*8.5*8.5cm with a strainer and lid, which keeps the grease free from dust contamination. The main language is made of bpa-free food grade silicone; heat resistant up to 400°f;

- **FUNCTION** - It is used to filter and clean bacon grease for future cooking, or to cool the grease in the tank before shoveling to prevent clogging of the pipe and to remove it.
- **EXCELLENT SEALING** - The size of the bacon barrel is 4 "x 3.35" and can hold up to 1 cup. It has good sealing property and can keep grease fresh.
- **SAFE AND HEALTHY** - Made from food grade silicone resin without bisphenol A; heat resistance up to 400 ° f; non stick, stain and odor resistant; robust to hold hot grease without melting or spilling.
- **SPECIALLY DESIGNED** - it has a lid to prevent dust from falling into the oil. Lovely shape, detachable filter, easy to filter out pure oil.
- **CONVENIENCE** - It is safe and easy to maintain; can be safely used in freezers, refrigerators, microwave ovens, and cute enough to stay on the counter.

- **【Health and Hygiene】** This bacon grease container helps us separate food from fat and reduce fat intake. Made of BPA-free, food-grade silicone; heat resistant up to 400°F; non-stick, resists stains and odors; sturdy and heavy-duty, holds hot grease without melting or spilling.
- **【Unique Design Cooking Oil Container】** This grease container is a three-layer combination, there is a lid which will stop the dust falling into the oil. Lovely Shape, detachable filter, easy to filter out pure grease.
- **【Simple to Use】** Bacon grease can is a fun way to safely strain, cool, save or dispose of used bacon grease on the countertop or refrigerator.
- **【Excellent Sealing】** The cooking oil container measures 4" x 3.34" and holds up to 1 cup. The sealing is very good and can keep the grease fresh.
- **【Convenient】** Dishwasher safe and easy care; safe for use in freezer, refrigerator, microwave, and cute enough to leave on your counter.

The image is a promotional collage for a red silicone grease collector. It features several panels:

- Top-left:** A hand holds the red, ribbed collector, showing a thick layer of solidified white grease inside.
- Top-right:** Bacon grease is being poured from a frying pan into the collector. A white spatula is used to lift a piece of cooked bacon.
- Middle-left:** The collector is placed under a pan to catch and strain grease. A plate of cooked bacon is visible next to it.
- Middle-right:** The collector is shown with its red lid, which has a pig-shaped design.
- Bottom-left:** Three circular inset images showing the lid from different angles.
- Bottom-right:** A close-up of the collector with the pig-shaped lid on top.

 A central graphic contains the numbers 1, 2, 3, and 4 in a 2x2 grid, corresponding to the steps shown in the images.

- [SAFETY HEALTH] - Made of food grade silicone and not contain harmful substances, heat-resistant temperature is 400°f, non-sticky, anti-odor, not corroded and not hot to hold the grease. Bacon grease container can help you separate food from fat, reduce fat intake.
- [KITCHEN HELPER] - Grease container with lid can help us separate food from excess fat and preserve it, and then you can use the stored oil for other cooking, adding the delicious flavor of bacon to them. It's your kitchen helper. Made of BPA-free, food-grade silicone; heat resistant up to 400°f; non-stick, resists stains and odors; sturdy and heavy-duty, holds hot oil without melting or spilling.
- [KEEPS GREASE FRESH] - The bacon bin is an easy solution for saving bacon grease and keeping it out of your sink - no clogged drains! It holds up to 1 cup of pure oil and keeping it fresh so you can save it for other culinary uses.
- [EASY TO USE] - Using bacon oil cans is an interesting way of life. It can safely filter used bacon oil on the countertop or refrigerator. It can
