IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

AQUAPAW BRANDS LLC, Plaintiff, v. FLO PET, *et al*., Defendants.	Civil Action No. **FILED UNDER SEAL**

DECLARATION OF TAYLOR FENNELL IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

I, Taylor Fennell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through the Merchant Storefronts[1] operating under the seller identities as identified on **Schedule "A"** of the Complaint (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, we were able to view Defendants' Infringing Products[2], add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants' listings for Infringing Products, it was confirmed that each Defendant is offering for sale, knock-off products that infringe at least one claim of the Plaintiff's Patent. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania.[3] At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiffs' Products. These were sent to Nate Jelovich, an executive

---

1 As defined in the Application, a "Merchant Storefront" is any and all User Accounts, including but not limited to, those hosted by Amazon, eBay.com, Aliexpress.com, and wish.com, through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

2 As set forth in the Complaint, Defendants have offered for sale, sold, and distributed infringing and knock-off versions of the Plaintiffs' Product which infringe upon at least one of the claims in its registered U.S. Patent, (the "Infringing Product").

3 When products were shipped and received, there were physically examined to determine that they were infringing, unauthorized and non-genuine versions of the Plaintiff's Product.

of AquaPaw Brands LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 27th day of July, 2021, at Pittsburgh, Pennsylvania.

- The pet bathing glove can be operated entirely with one hand, making it easy to use both hands to control your pet, reach for soap/towels and toggle the flow of water.
- Use indoors and outdoors, thanks to the hose adapters that are included in each pet bathing tool system.
- Water sprays from rubber scrubbers in your palm, allowing you to soak, scrub, and rinse your pet by injecting water deep into their fur.
- The innovative click on/click off design makes it as easy to bathe your pet as it is to scratch and comfort them.
- The pet shower sprayer is slim, flexible, and doesn’t impede your dexterity—you can also use the adjustable strap on the back to control the fit.

New Red Leopard Studded Spiked Leather Dog Harness for Mastiff Pit bull Boxer

Jan 11, 2016

perfect

Came earlier than it was supposed to.. Excellent product, it's worth the price! This item is just what I want. My dog loves it so much. It is durable and looks adorable on my dog. The leather is thick than I thought. I will recommend it to my neighbours.
