

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

OSPREY LLC,

Plaintiff,

v.

ALLADINBOX, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF TAYLOR FENNELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Taylor Fennell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through amazon.com, eBay.com, wish.com, and aliexpress.com the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** attached to the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using at least one of the Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants have offered for sale, sold, and distributed infringing and knock-off versions of the Plaintiffs’ Product which closely mimic the appearance of Plaintiffs’ product and infringe upon Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works, and otherwise unfairly compete with Plaintiffs’ Product (the “Infringing Product”).

commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiff's Products. These were sent to Richard Mason, President and owner of OSPREY LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Each product that was shipped and received was physically inspected to confirm that it was not authentic.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 18th day of August, 2021, at Pittsburgh, Pennsylvania.

/s/Taylor Fennell

Animal Saving Escape Ramp, Floating Ramp Rescues, Frog Log Pad, Pool Accessories, Easy Setup Inflater Escape Device, Chipmunk, Inflater Escape Ramp

FREE One-Day & FREE Returns

Thank you for being a Prime member. Get a \$100 Gift Card: Pay \$0.00 upon approval for the Amazon Prime Rewards Visa Card.

- **【KEEP POOL CLEAN】** : A great critter-saving device for frog, bee, lizard, rabbit, bird, duckling, snake, turtle, squirrel, chipmunk, bunny, and litter critters. If the little animals fell into the pool accidentally, the critter-saving escape ramp can get them out. Meanwhile, it can gather your pool's leaves and debris. No more garbage and drowned critters in your pool.
- **【SAVE ENERGY and TIME】** : The frog escape ramp works great for above ground pool, swimming pool, spa pool, and pond. The animal saving ramp keeps pools clean without dead critters. Reducing your pool maintenance, saving your energy and time. Great product for saving pool frogs and critters.
- **【BETTER DESIGN】** : Our frog escape ramp equips with more space for animal than other ramps. The rounded base is suitable for settling in more locales, taking up less space. Super value 2 packs design for large pools and convenience.
- **【Durable Material】** : The rounded base is made of durable fabric and mesh, provide long-term service for your pool. The inflatable mat keeps the ramp floating in the pool. Vibrant blue colors attract more attention of critters.
- **【EASY to SET UP】** : The ramp comes with an inflatable mat and a rounded animal escape ramp. Before inflation, put the mat into the base of ramp firstly, then blow the mat fully, after that, fill the header with sand or little stones, finally, install the ramp in your pool. Small stone can be allowed to place on header if needed.

- **【Durable and Long-lasting】** Made of premium PVC material, the swimming pool animal escape ramps are made of durable Oxford and mesh with swimming cushions inside, durable, not easily damaged, and long-lasting.
- **【KEEP POOL CLEAN】** Allows animals to easily escape to safety so that no more dead or drowning critters in the pool. Keeps water cleaner and reduces pool maintenance. Saving your time and money.
- **【SAVING CRITTERS】** Sometimes a frog, mouse or other critters break into your pool by mistake and can't able to leave by themselves. Offering a ramp / bridge that provides a method of escape for little critters.
- **【Suitable for Small Animals】** Suitable for Frogs, Toads, Salamanders, Chipmunks, Ducklings, Lizards, Snakes, Small Turtles, Small Rabbits, Squirrels, Mice, Birds and more.
- **【EASY TO USE】** Just inflate the base of the swimming pool, fix the sand and small stones on the head, and put them beside the swimming pool for immediate use. It only takes a few minutes to bring warmth and safety to animals, which is convenient and fast.

- Saving Critters: Sometimes frogs, bees, lizards, rabbits, birds and other critters break into your pool by mistake and can't able to leave by themselves. Offering a ramp / bridge that provides a method of escape for little critters.Let you no longer have the worry that there will be dead creatures in your pool.
- Save Your Time: If the small animals dies in the pool, the entire pool may be contaminated and it will takes a lot of time to clean up.The animal saver give you a clean and fresh swimming pool, Keeps water cleaner and reduces pool maintenance.let your family have a good time in the swimming pool.
- Optimization Design: Larger settled bag on the bank which let you could put sand or stone in the bag more easily. Provide more stable escape routes for small animals.
- High-quality Materials: Made of high quality and durable PVC material provide the required sturdiness. The netting provides a foot hold for critters to climb up & out of harms way.durable, not easy to damage, Besides, there is an inflatable mat inside.
- Easy to Install: Blow the inflatable mat up and put ramp about 8 feet away from the pool skimmer as suggestion. Can provide more chance for critter escape,lightweight and takes only small room after deflating and folding.

- **【Animal Escape Ramp-Convenient Escape】** When frogs, birds, toads and other small animals fall into the swimming pool, the color of our swimming pool rescue channel will attract the animals, allowing the small animals to quickly escape ashore, providing a good escape channel. And we provide two escape devices in the pool to increase the escape position for small animals.
- **【Keep Pool Clean-Rescue Animal life】** Allow animals to easily escape to a safe area so that there are no more dead or drowning animals in the pool. Protecting the lives of small animals in nature is at the same time keeping the water quality clean and reducing swimming pool maintenance. Save your time and money. It is the best choice for family swimming pools or public swimming pools!
- **【Easy To Use-Convenient Device】** Before use, easily fill the shore device with sand and place it on the shore to fix it. Use the air pump to fill the air pump and place it directly in the water to appear floating; the surface of the animal pool life-saving device is equipped with a non-slip net device, which makes the life-saving effect more and more animals stay. On top of the device without sliding into the pool.
- **【Durable Material-Quality Oxford Cloth】** Made of durable Oxford fiber, the swimming pool life-saving device will not be damaged in the water for a long time. Our animal life-saving devices are durable and wear-resistant, and animals will not be easily damaged, including frog scratches and birds using their mouths. Can be used with confidence every day.
- **【After-Sales Service-Warm Reminder】** Our products include two animal swimming pool life-saving devices and a device inflatable tube (random color). Pay attention to the inflating force when using the inflator, and it is better to control the small intensity. The equipment is complete and can be

- **【NO MORE DEAD ANIMALS IN YOUR POOL】** - Finding little critters drowned in your pool or skimmer is gross and sad. Use this pool animal saver to save them and keep your pool clean. After an animal like frog, lizard, and rabbit falls into a pool, they will circle around the edge until they bump into the floating ramp and climb to safety
- **【SAVE YOUR TIME AND MONEY】** - Not only does this pool critter escape ramp save frogs, squirrels, and other small animals, but it also saves your time and money. The entire pool may be contaminated by a dead animal and it will take a lot of time to clean up. Use this simple pool maintenance kit of great value to save money, time, and critters
- **【EASY TO SETUP AND USE】** - It only takes a few minutes to set up this ramp and bring safety to animals. Just inflate the bottom with pump (or your mouth), put stones in the top bag, and place it by the pool
- **【LONG-LASTING DURABILITY】** - Our frog saver for pool is made of high-quality PVC, waterproof and not easy to damage. Once it is set up, just leave it in your pool, and it will last for at least 3 years
- **【MUST-HAVE POOL ACCESSORIES FOR POOL OWNERS】** - This pool accessory works great for aboveground pool, spa pool, and pond. It will reduce

NG YOUR POOL】: Dead frogs and mice, Toads in your pool do not make for pleasant afternoon swim. The problem is, these critters wander into your pool area, fall in and aren't able to work their way out again. If only someone would give them a step up. By offering a ramp / bridge; creatures can find an escape route and not leave their tiny, corpses drifting across the water . There is nothing to attach to or damage your pool

- **【SAVE YOUR MONEY】** : Inexpensive pool maintenance, no more dead or drowning critters in the pool, Save your money and save the critters.
- **【SAVE TIME】** : If the small animals dies in the pool, the entire pool may be contaminated and it will takes a lot of time to clean up.
- **【CUTE POOL DECORATION】** : Not only help Critters to Save from Your Pool, but also a cute pool decoration elephant-shaped.
- **【EASY SET UP】** Swimming Pool Accessories easy set-up, assembly and placement

"It was really disappointing"

By Sadie Lewis on April 16, 2021.

"Experience was satisfactory. However, one light was broken."

By Amazon Customer on April 15, 2021.

"Product was smaller than I expected. But it works great. Like they say, " Size doesn't matter, it's how you use it..." "

By Marie Andre on April 6, 2021.

"The indicator light is red for both low and high heat. They might want to put blue for low. The mug warmer is wobbly because it has a switch on the bottom."

By Emewife on March 11, 2021.
