FOR THE WESTERN DISTRICT OF PENNSYLVANIA

TALISMAN DESIGNS, LLC,

Plaintiff,

v.

ANGELWORLD, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF MARY LAPLANTE
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Mary Laplante, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Knock-off Products and whether each of the identified Defendants will ship and/or has actually shipped Knock-off Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through amazon.com, eBay.com, wish.com, and/or aliexpress.com the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Knock-off Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Knock-off Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work are, in fact, not genuine products. The checkout pages or order forms for the Knock-off Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Knock-off Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Knock-off products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Knock-off Products Defendants are offering for sale through the Internet based e-

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Knock-off Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants are promoting, selling, offering for sale, and distributing goods using confusingly similar imitations of one or more of the Talisman Design’s copyrighted work (or an unauthorized derivative thereof), and/or using Talisman Design’s work in a willful attempt to pass off their goods as genuine versions of Plaintiff’s goods (collectively, the “Knock-off Products”), thus unfairly competing in this district through at least one of the Amazon.com, eBay.com, AliExpress.com, or Wish.com online marketplaces operating under the seller identities as set forth on **Schedule “A”** of the Complaint (the “Seller IDs”).

commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiffs' Products. These were sent to Katherine Waymire, President and owner of Talisman Designs, LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Knock-off Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address, are attached hereto as **Composite Exhibit 1**. Each Knock-Off Product that was ordered and shipped, was physically examined and confirmed to be a non-authentic copy of the Plaintiff's Product.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 28th day of September, 2021, at Pittsburgh, Pennsylvania.
