

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

OSPREY LLC,

Plaintiff,

v.

ALFIE PET, *et al.*,

Defendants.

Civil Action No.

**FILED UNDER SEAL**

**DECLARATION OF DEE ODELL  
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF  
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through amazon.com, eBay.com, wish.com, and aliexpress.com the Merchant Storefronts<sup>1</sup> operating under the seller identities as identified on **Schedule “A”** attached to the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products<sup>2</sup>, add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using at least one of the Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-

---

<sup>1</sup> As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

<sup>2</sup> As set forth in the Complaint, Defendants have offered for sale, sold, and distributed infringing and knock-off versions of the Plaintiffs’ Product which closely mimic the appearance of Plaintiffs’ product and infringe upon Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works, and otherwise unfairly compete with Plaintiffs’ Product (the “Infringing Product”).

commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiff's Products. These were sent to Richard Mason, President and owner of OSPREY LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Each product that was shipped and received was physically inspected to confirm that it was not authentic.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 31<sup>st</sup> day of May, 2022, at Pittsburgh, Pennsylvania.

/s/Dee Odell

**DESCRIPTION** CUSTOMER REVIEWS (1) SPECIFICATIONS

1. High-quality materials: made of high-quality and durable nylon materials, the animal escape ramp allows animals to escape easily. It is a warm product.
2. Save your time: if small animals die in the swimming pool, the entire swimming pool may be contaminated and it takes a lot of time to clean up. If you use the product, you can save a lot of time.
3. Simple setup: blow the inflatable cushion and place the slope 8 feet away from the swimming pool skimmer.
4. Lovely pool decoration: not only can it help small animals rescue from your pool, but there is also a cute elephant-shaped product for decoration.
5. Keep the swimming pool clean: allow animals to easily escape to a safe place, so that there are no more dead or drowning animals in the swimming pool. Keep the water clean and reduce the maintenance of the swimming pool.

Material: nylon  
 Dimensions: 250 x 200 x 15 mm  
 Color: blue

Notes:

1. Please allow slight size error due to manual measurement.
2. There may be slight chromatic aberration due to different monitors and lights, please understand.

Get 30% eligible products sold and shipped by Amazon.com up to \$15 when you pay with Discover rewards. Activation required. Limited time offer. See terms.

Eligible for **amazon smile** donation.

- (Save Small Animals) This product can protect small animals. When frogs, ducks and other small animals stray into your swimming pool and cannot leave, they can rely on the ramp to survive.
- (High-quality material) This product is made of high-quality polyester material, which is durable, non-slip and waterproof. The polyester material and the unique mesh material make this product beautiful and more conducive to the departure of small animals. In addition, the product has the advantage of being easy to clean.
- (Easy to use) This product is easy to use, just fill the inflatable pad with air and place it directly in the pool, and fix it on the shore with heavy objects, then it can be used normally.
- (Maintenance of the pool) can reduce the cleaning work of the pool due to small animals. Keep the water clean

**Item** 17.32 x 12.6 x 21.65 inches  
**Dimensions** LxWxH

### About this item

- **Animal Saver** - MorTime Animal Saving Escape Ramp helps small animals who stray into your swimming pool climb to a safe place. Never worry that frogs, critters, lizards, birds and other small animals will be dead creatures in your pools.
- **Easy to Set Up** - Inflate the airbag through the inflation port, add sand or stone to the landing weight bag, and then place the escape ramp next to the swimming pool. Also, when you don't need it, just deflate, dry up and roll up the device for compact storage.
- **Premium Quality** - MorTime Animal Saver Rescue Tool is made of durable oxford and mesh which is waterproof and durable enough for years of continued use. The specially designed inflation valve is not easy to leak.
- **Keep Pool Clean** - MorTime Animal Saving Escape Ramp keeps pool away from creatures which fall in and can't escape by themselves. It helps you reduce your swimming pool maintenance and save your money and time.
- **Wide Application** - MorTime Animal Saving Escape Ramp can be used in swimming pools, ponds and spa pools. The base of ramp is 14.3 x 12.6 inches.

- Fantastic solution to allow animals to get out of your pool: If you have small animals, like rabbits or chipmunks, that get into your pool this product works perfectly. Every animal that's fallen in since your installed it has gotten out. No more dead bunnies in the pool.
- A necessary addition to any pool: Keeps the water clean and reduces pool maintenance time. Escape ramps allow animals to easily escape to safety so that no more critters die or drown in the pool.
- Save the little critters.: The critters have mistakenly entered your pool and cannot leave on their own. Provide a bridge to provide an escape route for the critters. Great for helping the frogs out of the pool
- very sturdy & less expensive: made of durable oxford and mesh, inside with inflatable cushions for easy cleaning.
- GREAT CHOICE - You'll receive 1\*pool ramp for animals to escape, please check the package content when receiving it. We aim to provide our customer high-quality Products, so if you have any questions about our products, please feel free to contact us, we're always here ready to help you.

- 🌐 **【Rescue Small Animals】** The practical swimming pool small animal escape net can help animals climb up and out of the pool, suitable for frogs, sparrows, squirrels and other small animals.
- 🌐 **【Easy to set up】** Inflate the airbag through the inflation port, add sand or rocks to the landing weight bag, and place the escape ramp next to the pool. Plus, when you don't need it, simply deflate, dry, and roll up the unit for compact storage.
- 🌐 **【Keep the pool clean】** The animal protection escape ramp keeps the pool away from creatures that fall into it and cannot escape on their own. It can help you reduce swimming pool maintenance and save you money and time.
- 🌐 **【Better Design】** Our frog escape ramp is equipped with more space for animals than other ramps. The round base fits in more places and takes up less space.
- 🌐 **【High Quality Materials】** Swimming pool animal escape ramps are made of durable oxford cloth and PVC, with inflatable cushions inside the mesh, and the net provides foot support for small animals to climb and get out of harm's way.

I would like to share a little about myself and my small E-Commerce business. We started our selling venture here on Amazon late last year, and are realitvly new but growing rapidly. We dont have a brick and motar storefront as we are strictly E-commerce.

As the sole proprieter to my Storefront Trendsetter 808 I am not new to Ecommerce and have been aorund for years on other platforms. We are a small family run business.

I love to bring some great items to my customers by offering a vast as...

### About this item

- **Small Animal Rescue Device:** Small animals break into your swimming pool by mistake and cannot leave by themselves, we can provide it with a bridge and provide an escape route for small animals. Don't underestimate this simple little contraption, we've seen countless frogs and insects escape.
- **Keep Your Pool Clean:** Escape ramps allow animals to easily escape to a safe place, so that there will be no more dead or drowning critters in your pool, protecting the lives of critters in nature. At the same time keep the water clean, reduce swimming pool maintenance, save you time and money.
- **High Quality Material:** Made of high quality PVC material, the swimming pool animal escape ramp is made of durable oxford cloth and mesh for durability, with an inflatable cushion inside for easy cleaning.
- **Easy to set up:** The ramp comes with an inflatable pad and a round animal escape ramp. Before inflating, place the mat into the bottom of the ramp, blow the mat completely, then fill the catchment table with sand or pebbles, and finally install the ramp in your pool.

Color: blue

- 1. PREMIUM MATERIAL: The animal escape ramp is made of high quality and durable material, allowing animals to escape safely and easily. This is a warm product.
- 2. Save your time: If small animals die in the swimming pool, the whole swimming pool may be polluted and it will take a long time to clean up. You can save a lot of time if you use this product.
- 3. Simple Setup: Blow on the air mattress and place the slope 8 feet away from the pool skimmer.
- 4. Adorable pool decoration: Not only can help small animals to be rescued from your pool, but there is also a cute elephant-shaped pool decoration.
- 5. Keep the swimming pool clean: let the animals escape easily to a safe place, so that no more drowning animals will die in the swimming pool. Keep the water clean and reduce swimming pool maintenance.

## FUYEZIO Animal Rescue Escape Ramp, Swimming Pool Animal Escape Ramp Animal Preservation in The Swimming Pool, Used for Swimming Pools, Life-Saving Animals, Frogs, Blue

Brand: FUYEZIO

Eligible for **amazon smile** donation.

- Durable material: made of Oxford cloth and mesh cloth, with inflatable cushion inside, durable.
- Putting an animal escape ramp in a clean swimming pool can enable them to escape quickly and avoid struggling in the water for too long. Can't leave alone
- The installation is simple and easy to use, just inflate the escape net and put it in the swimming pool.
- Provide a slope/bridge for small animals, and provide a way for small animals to escape. In order to prevent them from entering the pool by mistake and unable to escape. For small creatures: such as frogs, a particularly good life-saving net.
- If you have any questions about our products, please consult our team and we will answer all your questions.
