

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

NIFTY HOME PRODUCTS, INC.,

Plaintiff,

v.

LADYNANA US, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms, amazon.com, eBay.com, Walmart.com, wish.com, and aliexpress.com the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants are using without authorization Plaintiff’s sculpture (“Plaintiff’s Work”), while promoting, selling, offering for sale and distributing knock-offs of Plaintiff’s Product, thus infringing on Plaintiff’s Work. (the “Infringing Product”).

are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined (1) that the listings infringed on the Plaintiff's Work, and (2) the products were not genuine versions of Plaintiff's Products. These were sent to Nick Rose, President and owner of Nifty Home Products, Inc. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Further, when the ordered product was received it was examined and determined not to be authentic. Further, each of the Defendants who shipped the product collected and paid Pennsylvania sales tax.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 6th day of July, 2022, at Pittsburgh, Pennsylvania.

/s/Dee Odell

Item	4.09 x 3.98 x 3.9 inches
Dimensions	LxWxH

About this item

- **QUALITY MATERIAL:** The bacon grease container is made of high-quality heat resistant silicone. It can hold hot grease without melting or spilling, is easy to take, good sealing performance.
- **CONTAINER SIZE:** The bin with a height of about 4.09 IN and a diameter of 3.9 IN is very suitable for a small helper in home life, which makes life more quality.
- **GOOD FILTER:** This grease container has a detachable filter, which can filter out the pure oil. When the oil of fried food is poured into the container, the filter can better separate the frying residue from the fat, thus reducing the intake of more fat.

About this item

- **Heat Resistant Material:** This BPA Free Bacon Grease Container is carefully constructed to withstand heat up to 500 degrees Fahrenheit and will hold hot grease without melting or spilling. Durable non-stick material resists stains and odors.
- **Unique Design:** The lid shape of the bacon oil colander is a cute little pig, the pig nose design is easier to open the lid than other silicone kitchen oil pots, its cuteness makes it a focal point for the top of your pantry or kitchen.
- **Bacon Chunk Strainer:** Made with a removable filter located on top, the Bacon Grease Collector separates small bacon chunks from used grease. Strain and clean lard for later cooking, or prevent cooking oil from clogging pipes before scooping out for disposal.
- **Versatile:** The grease can be easily scooped or scraped out with a spoon and can be stored in the refrigerator after use. It has a high profile, is not hot or slippery, and is easy to use after washing.
- **Ideal Gift:** This Bacon Grease Holder is an ideal gift for dad, mom, husband or friend, whether it's

Eligible for **amazon smile** donation.

- Oil filter: This grease container has a detachable filter, which can filter out the pure oil. When the fried food is placed on the filter, the filter can better separate the fried food from the fat, so as to reduce the intake of more fat
- Durable material: The bacon grease container is made of high-quality silicone. It can keep the hot oil from melting or spilling and be stored for a long time without obvious peculiar smell. It also can be stored in the refrigerator to preserve the oil.
- Cute Look: The shape of the lid of the bacon grease container is a cute little pig, which function can prevent dust from falling into the container. You can put the container in the refrigerator or on the table. The lovely pig will make your life more comfortable.
- Widely used: the grease can be easily scooped out or scraped off with a spoon, and the container can be placed on the table or put into the refrigerator for preservation.
- Quality warranty & Worry-free after-sales: While maintaining low prices, we have enough confidence in our product. If there is any product quality problem, please contact us as soon as possible and we will provide you with a full refund or a free exchange at the first opportunity.

About this item

- **【Perfect size and Heat resistant material】** It's a good size .The silicon bacon grease container is 4.05 x 3.34 x 3.34 inches.These are made of food grade silicone; heat resistant up to 400°F, sturdy and heavy duty.
- **【Cute Pig design and Easy to clean / filter】** The shape of the lid of the bacon grease container is a cute little pig, which its function can prevent dust from falling into the oil. The perfect containers are safe in the freezer, dish washer, and microwave.
- **【Work well and Effective】** Holds oil quite well. The lid (piggy face) comes off and then there's another removable layer which is the strainer. You will like the fact that it had the sifter built in to separate the bacon pieces from the actual bacon grease.
- **【Family kitchen gadgets】** It is the coolest idea ever to collect your kitchen grease. You can save them all up and maybe do seeds/suet for the birds for the winter, also can use bacon bin for bacon and for straining ground beef.

Cute Pig Shape Bacon Grease Container with Mesh Strainer Cartoon Cooking oil Storage Organizer for Home Kitchen

Brand: 通用

\$15⁹⁹

Get \$100 off instantly: Pay \$0.00 upon approval for the Amazon Prime Rewards Visa Card.

Eligible for **amazon smile** donation.

- Easy to filter and use: The mesh filter inside the container can easily filter the oil residues out, and the lid works well to keep the oil fresh and airtight.
- Easy to clean: removable filter of the grease holder allows you to easily filter clean cooking oil. Simple and convenient, washable.
- Food Grade Material: Made of BPA free silicone material; high temperature resistant and can hold hot oil without melting or spilling.
- Cartoon Shape: With a cute red pig shape, our grease holder with lid creates a relaxing and fun environment for baking and cooking.
- Family friendly kitchen supplies: This container is functional, effective, and durable for long lasting use. A nice gift for housewife.
