

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

PAWESOME PRODUCTS LLC, *et al.*,

Plaintiffs,

v.

CUTEBEAR STORE, *et al.*,

Defendants.

Civil Action No.

**FILED UNDER SEAL**

**DECLARATION OF DEE ODELL  
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF  
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through the respective Third Party Service Providers, the Merchant Storefronts<sup>1</sup> operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products<sup>2</sup>, add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using the Plaintiffs’ Products, Plaintiffs’ Works, and/or Plaintiffs’ Mark without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiffs’ Products, Plaintiffs’ Works and/or Plaintiffs’ Mark are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products

---

<sup>1</sup> As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

<sup>2</sup> As set forth in the Complaint, Defendants Plaintiffs are suing Defendants for infringing on their US Patent. Defendants have willfully infringed one or more of the claims of U.S. Patent No. 10,477,838 (“Plaintiffs’ Patent” or “the ‘838 patent”) by offering for sale, selling, and distributing knock-off versions of Plaintiffs’ BRISTLY® dog toothbrush (the “Infringing Product”) which closely mimic the appearance of Plaintiffs’ genuine product within this district and throughout the United States by operating e-commerce stores established at least via the Internet marketplace website Amazon.com, eBay.com, Aliexpress.com, Walmart.com, or wish.com, under their Store Names and Seller Names identified on Schedule “A” hereto (the “Seller IDs”).

Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiffs' Products. These were sent to Cindy Ghusakyan, the sole Member of Pawesome Pet Products LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 26<sup>th</sup> day of July, 2022, at Pittsburgh, Pennsylvania.

### About this item

- 🦷 [New Upgrade Dog Toothbrush Stick] We focus on upgrading the bristles. Thicker bristles increase the area of contact with the teeth, on the other hand it means stronger. The bristles are arranged more closely, so the teeth are wrapped more tightly, and it's better to remove plaque and tartar.
- 🐾 [More Than A Dog Toothbrush] Besides the function of cleaning teeth, it is also a conventional dog toy. It can help you train or interact with your dog. It's a good chew toy for puppy which helps puppy grow permanent teeth.
- ❤️ [Other Improvements for Dog] Based on the traditional dog toothbrush stick, we have made some improvements. The thickened base makes it easier for the dog to control it. The love pattern on the side and the bone pattern on the base are different from ordinary toothbrush toys. The redesigned grooves ensure that every tooth can be touched.

4. Difficult to brush teeth

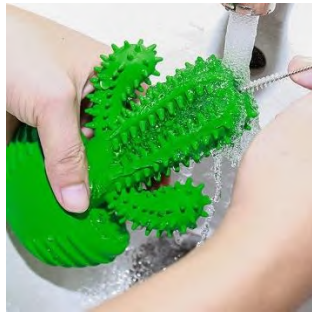

A series of four small images illustrating the steps for using the dental brush. 1. A dog is shown eating from a bowl. 2. A person is shown monitoring the dog's side. 3. A dog is shown licking the brush. 4. A person is shown using the brush on the dog's teeth.

**Unique design  
More gameplay**

Close-up photos of the dental brush's bristles, showing their unique shape and arrangement. The bristles are small, rounded, and arranged in a way that makes the brush look like a cactus. The images show the brush from different angles, highlighting its unique design.

**Easy to Clean  
Rinse with water**

A photograph showing a person's hands rinsing the green dental brush under running water in a sink. The water is splashing around the brush, demonstrating how easy it is to clean.

### DESCRIPTION

[CUSTOMER REVIEWS \(0\)](#)

[SPECIFICATIONS](#)

[Report Item](#)

1. No. 1 is held in the top of the seat with the pliers (or footplate or attractor).

2. No. 2 is held into the seat and the figure (or attractor) is squeezed.

3. No. 3 can be applied to the toothpaste (or attractor) if only in the groove.

4. No. 4 will be used to brush to the side of the seat, also of the groove, and just above the tooth depth.

**Use attention**  
 1. Let your dog bite and chew the toothbrush, no more than 10 minutes at a time  
 2. 10 minutes is enough to clean his teeth, not too long, otherwise he may get tired  
 3. Excessive use will bring new burden and pressure to the dog's gums

**Encourages pets to clean their teeth every day**

Meat flavored toothbrush makes cleaning teeth an enjoyable experience for your pet and promotes chewing

Soft texture designed to be safe for your dog's gums

Self-dispensing toothpaste for cleaner teeth

Contains stabilizing base so that your pet can hold the toothbrush easier

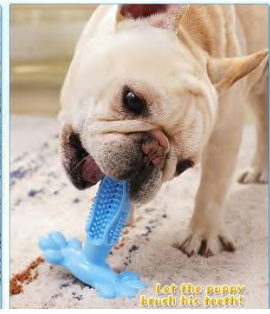

Material: Food grade rubber

**Usage:**

Allow your dog to chew on the Brushing Stick for Dogs for about 10 minutes at a time.

This is enough time to clean his teeth, but not so long that he'll get bored of it.

When his or her 10 minutes are up, you should take the stick and put it up until next time.
