FOR THE WESTERN DISTRICT OF PENNSYLVANIA

PAWESOME PRODUCTS LLC, *et al.*,

Plaintiffs,

v.

DREAMBLISS STORES, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through the respective Third Party Service Providers, the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using the Plaintiffs’ Products, Plaintiffs’ Works, and/or Plaintiffs’ Mark without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiffs’ Products, Plaintiffs’ Works and/or Plaintiffs’ Mark are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants Plaintiffs are suing Defendants for infringing on their US Patent. Defendants have willfully infringed one or more of the claims of U.S. Patent No. 10,477,838 (“Plaintiffs’ Patent” or “the ‘838 patent”) by offering for sale, selling, and distributing knock-off versions of Plaintiffs’ BRISTLY® dog toothbrush (the “Infringing Product”) which closely mimic the appearance of Plaintiffs’ genuine product within this district and throughout the United States by operating e-commerce stores established at least via the Internet marketplace website Amazon.com, eBay.com, Aliexpress.com, Walmart.com, or wish.com, under their Store Names and Seller Names identified on Schedule “A” hereto (the “Seller IDs”).

Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiffs' Products. These were sent to Cindy Ghusakyan, the sole Member of Pawesome Pet Products LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 9th day of November, 2022, at Pittsburgh, Pennsylvania.

About this item

- Pet safety and nature: Dog toothbrush sticks are made of natural rubber, non-toxic and environmentally friendly. Soft texture, suitable for your dog's gums, will not harm your dog's health, help them clean their teeth and protect them from oral diseases. Stronger and won't be chewed easily.
- 360 degree Cleaning: This dog's brushing stick has bristles on all four sides. You can squeeze the dog's toothpaste into the top hole, and the toothpaste will flow out of the side hole, which will help the pet to clean the teeth deeply. This product has a unique claw pad that encourages your dog to chew sticks in all directions to clean even hard-to-reach back molars.
- Scientific design: Scientifically arranged brush points have a high density. A fixed base in the shape of a dog's claw will allow the dog to grip the product more firmly. The brush head length is longer than all products of the same size class on the market. Suitable for medium-sized large dogs:

From the shop owner:

Hi, Dear. This is a letter to you. Welcome to my shop. I own a Samoyed and a white-haired cat. For most of my products, I will give one to my cat or dog. After confirming that there is no problem, I will put it on my store. So you can use it with confidence.

After we receive your payment, we will complete the shipment of your products within 24 hours. For some new products, you may need to wait an extra day or two. We randomly present small gifts to you. Please understand~

I did AliExpress for five years. This is my new store

This is my principle: Among products of the same quality, we will try our best to achieve the lowest price. Among the products of the same price, we will try our best to achieve the best quality.

If you think shopping is very enjoyable. Hope you can "follow" me.

If you have any questions, please send me a message. I see it and I will reply immediately

Dropping

We can provide all the products you need, as long as you have the order quantity. Please contact us.

Let the puppy brush his teeth!

Are You Still Brush Your Dog's Teeth Like This?

Traditional brush will bring your lovely dog very uncomfortable experience.
Ineffective, or even hurt their gingiva.

Comparison of Using Effect

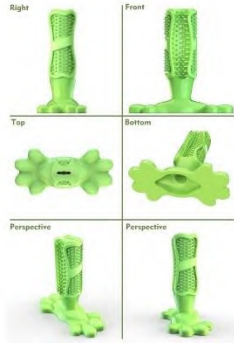

The concave-curved groove and sautooth brush head design, allows your dog clean his teeth automatically during gnaw. All convex granules contribute to remove plaque or dental calculus without damaging the gums.

Note

Cautions

Let your dog bite and chew the toothbrush, no more than 10 minutes at a time

10 minutes can be used to clean its teeth, not too long, or it may get tired of it.

Prolonged use will bring new burden and pressure to the dog's gums.

Let the puppy brush his teeth!

Are You Still Brush Your Dog's Teeth Like This?

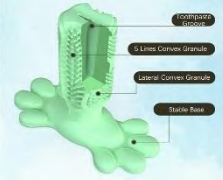

Traditional brush will bring your lovely dog very uncomfortable experience.
Ineffective, or even hurt their gingiva.

Comparison of Using Effect

The concave-cervix groove and softtooth brush head design, allows your dog clean his teeth automatically during gnaw. All-cervix granules contribute to remove plaque or dental calculus without damaging the gums.

Creative & Practical Design

NOT A CHEWING TOY

SUITABLE FOR DOGS 10-40 POUNDS

PRODUCT FEATURE

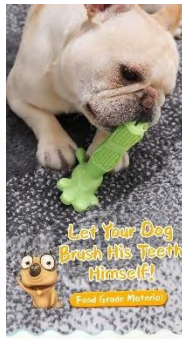

PRODUCT FEATURE

HOW TO USE

- There is a hole for storing pet toothpaste on the top.
- Squeeze the pet toothpaste into the top hole.
- The pet toothpaste can also be smeared on the groove.
