

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

BROADWAY PINE BRANDS LLC,

Plaintiff,

v.

BONJIN-US, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is offering for sale, knock-off products that infringe at least one claim of the Plaintiff’s Patent.³ The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania.⁴ At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts, including but not limited to, those hosted by Amazon, eBay.com, Aliexpress.com, and wish.com, through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants have offered for sale, sold, and distributed infringing and knock-off versions of the Plaintiff’s Product which infringe upon at least one of the claims in its registered U.S. Patent, (the “Infringing Product”).

³ A copy of the patent is attached as Complaint Exhibit 2 (“Plaintiff’s Patent”). The Defendants had actual notice of the publication of this patent. The claims as published were the subject of a first office action allowance. Thus, the allowed claims and the published claims were identical. Defendants’ infringement began as early as November 21, 2019 (the publication date).

⁴ When products were shipped and received, there were physically examined to determine that they were infringing, unauthorized and non-genuine versions of the Plaintiff’s Product.

commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiff's Products. These were sent to Michael Scotese, an executive of Broadway Pine Brands LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as

Composite Exhibit 1.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 15th day of November, 2022, at Pittsburgh, Pennsylvania.
