

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

NIFTY HOME PRODUCTS, INC.,

Plaintiff,

v.

KAFA COMPANY, *et al.*,

Defendants.

Civil Action No.

**FILED UNDER SEAL**

**DECLARATION OF DEE ODELL  
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF  
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Knock-off Products and whether each of the identified Defendants will ship and/or has actually shipped Knock-off Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through amazon.com, eBay.com, wish.com, Walmart.com, and/or aliexpress.com the Merchant Storefronts<sup>1</sup> operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Knock-off Products<sup>2</sup>, add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Knock-off Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work are, in fact, not genuine products. The checkout pages or order forms for the Knock-off Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Knock-off Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Knock-off products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the

---

<sup>1</sup> As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Knock-off Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

<sup>2</sup> As set forth in the Complaint, Defendants are promoting, selling, offering for sale, and distributing goods using confusingly similar imitations of one or more of the Talisman Design’s copyrighted work (or an unauthorized derivative thereof), and/or using Talisman Design’s work in a willful attempt to pass off their goods as genuine versions of Plaintiff’s goods (collectively, the “Knock-off Products”), thus unfairly competing in this district through at least one of the Amazon.com, eBay.com, AliExpress.com, Walmart.com or Wish.com online marketplaces operating under the seller identities as set forth on **Schedule “A”** of the Complaint (the “Seller IDs”).

detailed web listings describing the Knock-off Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiffs' Products. These were sent to Nick Rose, President and owner of Nifty Home Products, Inc. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Further, when the ordered product was received it was physically examined and determined not to be authentic. Further, each of the Defendants who shipped the product collected and paid Pennsylvania sales tax.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

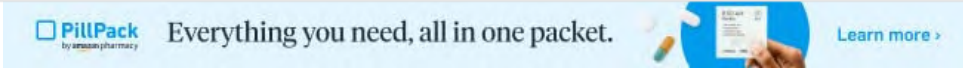

Executed the 30<sup>th</sup> day of November, 2022, at Pittsburgh, Pennsylvania.

### About this item

- 👉 **100% FOOD-GRADE SILICONE** - This adjustable pie crust shield is made from high quality food grade silicone material, BPA-free, Non-toxic, ensure absolute food security.
- 👉 **NO MORE BURNING** - Silicone pie crust shield protect your pie crust from burning while baking, and you will get a nice golden glow pie without burning edge, perfect for homemade pie, tart and pizza.
- 👉 **ADJUSTABLE PIE SHIELD** - Just adjust size by sliding the lock into the notch, fit any size from 8 inch to 11.4 inch Pie. It's more convenient than the aluminum foil shell, and you can use this one shell to cook pies of different sizes.
- 👉 **HEAT RESISTANT** - Our pie crust shield can resist heat up to 450 °F, due to the high quality food-safe silicone, can be put into the oven, microwave and dishwasher.
- 👉 **EASY TO USE** - Just place shield on the top of your pie before baking. Check crust 10 minutes before pie is done. Remove shield if crust needs additional browning. Place shield if crust is brown enough.

### About this item

- **[SUITABLE]** - Silicone pie crust shield protect your pie crust from burning while baking so can easily bake frozen and homemade pies without burnt crusts; great for blind baking empty pie crusts, too
- **[ADJUSTABLE]** - Adjustable pie shield fit any size pans from 8 to 12 inches, simply adjust size by sliding the lock into the notch, more convenient than aluminum foil or non-adjustable metal crust protector.
- **[REUSABLE]** - This adjustable pie crust shield is made from food grade silicone material, reusable, dishwasher safe, and its adjustability makes it easy to store.
- **[MATERIAL]** - Made of BPA-free and FDA food-safe silicone; Pie crust shield can resist heat up to 450 °F, due to the high quality food-safe silicone.

### About this item

- [ High Quality Material ] Pie crust protector shield made of silicone, 100% BPA-free and Non-toxic material to ensure absolute food security.
- [Perfect Pie Making] Silicon pie crust shield effectively protects your pie crust from burning or over browning while baking, better than tin foil, reduces spillage.
- [Adjustable Silicone Pie Crust Shield] You will get 2 Adjustable Silicone Pie Crust Shield, adjustable pie crust protector for 8 - to 12-inch pies, just adjust the groove, it's more convenient than the aluminum foil shell, and you can use this one shell to cook pies of different sizes.
- [Heat Resistant] Our pie ring resists heat up to 450-degrees fahrenheit, the pie ring edge protector is not brittle with no deformation, no aging, no harmful substances.
- [Easy to use and clean] Just put the pie crust covers for edges of pie of pie around, Pie Crust Shield can be reused, and you can easily clean the silicone pie pan by hand or in the dishwasher.
