

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

HAPPY HOUR THINKING, LLC,

Plaintiff,

v.

ZEUS, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF’S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff’s *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction (“Application”). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms, Amazon.com, eBay.com, Joybuy, Temu, Walmart.com, Wish.com, and AliExpress.com the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants are using without authorization Plaintiff’s sculpture (“Plaintiff’s Work”), while promoting, selling, offering for sale and distributing knock-offs of Plaintiff’s Product, thus infringing on Plaintiff’s Work. (the “Infringing Product”).

Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined (1) that the listings infringed on the Plaintiff's Work, and (2) the products were not genuine versions of Plaintiff's Products. These were sent to Ryan Kohli, Co-founder of Happy Hour Thinking, LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Further, when the ordered product was received it was examined and determined not to be authentic. Further, each of the Defendants who shipped the product collected and paid Pennsylvania sales tax.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 18th day of July, 2023, at Pittsburgh, Pennsylvania.

Although the shipping was fast the quality is bad! I ordered 4 of these thinking they were real sterling silver. there even a tag on each of them saying they are but they are stiff when they should flow like water when picked up and put down if they were real sterling silver. They are way too shiny to be real as well. There is no weight to them also proving they are fake. Good costume jewelry to wear maybe a couple of times though.

I love sporks (spoon/fork) for my dining pleasures and when I saw this available, I was ecstatic!!! When I received the Spork, I was a bit disappointed that the size was larger than anticipated. It's still a great find, just wish it was a little more appropriately sized for its purpose.

Don't buy any brace online since you don't know what you're going to get. Very disappointed in business' Walmart uses in the name of money instead of producing good products.

I looked up reviews from previous customers and most said this was not a good company and took forever to receive their order. I decided to order anyway and had absolutely no problems at all. The order was received in a timely manner and am a happy customer.

BOXERMOMMY6

★☆☆☆☆ 05/26/2023

The item say's delivered but was never received. Also if i would have actually received it, it would have been a week later than the expected due date, meaning i wouldn't have had it on time for the graduation as planned. Wouldn't recommend buying from this person

Candace

★☆☆☆☆ 04/12/2023

Company is totally unreliable when it comes to getting what you purchased to you.

Pamela

★☆☆☆☆ 05/23/2023

Well, what a shock when I received a tiny little box with blades, no power tool. EBTOOLS Oscillating Multitool Saw, 12pcs Standard Oscillating Multitool Saw Blades Power Tool Cutters,Oscillating Blade. The headline is EBTOOLS Oscillating Multitool Saw, but when you go way, way down on the page, you see the 12 items included are only blades. Well, of course, it's going back, but SHAME ON THEM!!!! SHAME!!!

Kathleen

★☆☆☆☆ 01/02/2023

I would love to return my chopper and get my money back!!!!!!

Claude

★☆☆☆☆ 06/02/2023

Not sure I got what I ordered. order was for I7 pro max series 7. box says big guy T900 pro max L smart watch 8. No manual was included but ad on line says it comes with a manual. Also on line ad says scan the QR code in manual to download app. No clue as to how to make watch work. Looks like I will have to return to walmart.

Ron

★☆☆☆☆ 05/23/2023

It was a pain to make a return for all items from this seller. None of the fabrics on the dresses ordered were cotton as stated in the description. WalMart also doesn't package returns in store as the website and return info promote. I took an hour in store to get only 3/5 items processed for return after I had to purchase packaging material.

Tina

★★★★☆ 05/28/2023

Slow shipping and tracking drops off when it reaches customs. Sometimes this is because customs might hold it for a while before sending it on to the recipient (this has happened for my items). It does get to you though, and the makeup I bought was nice.

I looked up reviews from previous customers and most said this was not a good company and took forever to receive their order. I decided to order anyway and had absolutely no problems at all. The order was received in a timely manner and am a happy customer.

The item say's delivered but was never received. Also if i would have actually received it, it would have been a week later than the expected due date, meaning i wouldn't have had it on time for the graduation as planned. Wouldn't recommend buying from this person

Company is totally unreliable when it comes to getting what you purchased to you.

★☆☆☆☆ 05/23/2023

Well, what a shock when I received a tiny little box with blades, no power tool. EBTOOLS Oscillating Multitool Saw, 12pcs Standard Oscillating Multitool Saw Blades Power Tool Cutters,Oscillating Blade. The headline is EBTOOLS Oscillating Multitool Saw, but when you go way, way down on the page, you see the 12 items included are only blades. Well, of course, it's going back, but SHAME ON THEM!!!! SHAME!!!

★☆☆☆☆ 06/02/2023

Not sure I got what I ordered. order was for I7 pro max series 7. box says big guy T900 pro max L smart watch 8. No manual was included but ad on line says it comes with a manual. Also on line ad says scan the QR code in manual to download app. No clue as to how to make watch work. Looks like I will have to return to walmart.

Ron

★☆☆☆☆ 05/23/2023

It was a pain to make a return for all items from this seller. None of the fabrics on the dresses ordered were cotton as stated in the description. WalMart also doesn't package returns in store as the website and return info promote. I took an hour in store to get only 3/5 items processed for return after I had to purchase packaging material.

Tina

★★★★☆ 05/28/2023

Slow shipping and tracking drops off when it reaches customs. Sometimes this is because customs might hold it for a while before sending it on to the recipient (this has happened for my items). It does get to you though, and the makeup I bought was nice.

I looked up reviews from previous customers and most said this was not a good company and took forever to receive their order. I decided to order anyway and had absolutely no problems at all. The order was received in a timely manner and am a happy customer.

The item say's delivered but was never received. Also if i would have actually received it, it would have been a week later than the expected due date, meaning i wouldn't have had it on time for the graduation as planned. Wouldn't recommend buying from this person

Company is totally unreliable when it comes to getting what you purchased to you.

Pamela

★☆☆☆☆ 05/23/2023

Well, what a shock when I received a tiny little box with blades, no power tool. EBTOOLS Oscillating Multitool Saw, 12pcs Standard Oscillating Multitool Saw Blades Power Tool Cutters,Oscillating Blade. The headline is EBTOOLS Oscillating Multitool Saw, but when you go way, way down on the page, you see the 12 items included are only blades. Well, of course, it's going back, but SHAME ON THEM!!!! SHAME!!!

Claude

★☆☆☆☆ 06/02/2023

Not sure I got what I ordered. order was for I7 pro max series 7. box says big guy T900 pro max L smart watch 8. No manual was included but ad on line says it comes with a manual. Also on line ad says scan the QR code in manual to download app. No clue as to how to make watch work. Looks like I will have to return to walmart.

Ron

★☆☆☆☆ 05/23/2023

It was a pain to make a return for all items from this seller. None of the fabrics on the dresses ordered were cotton as stated in the description. WalMart also doesn't package returns in store as the website and return info promote. I took an hour in store to get only 3/5 items processed for return after I had to purchase packaging material.

Tina

★★★★☆ 05/28/2023

Slow shipping and tracking drops off when it reaches customs. Sometimes this is because customs might hold it for a while before sending it on to the recipient (this has happened for my items). It does get to you though, and the makeup I bought was nice.

I used this for my air fryer and it's been so easy to store away the cord when not in use. I had bought a different cord organizer, also from Temu, and that one came off after one use of the air fryer. I assume it was because the heat melted and loosened the adhesive. This one works perfectly!
