FOR THE WESTERN DISTRICT OF PENNSYLVANIA

AQUAPAW BRANDS LLC,  
Plaintiff,

v.

FED STORE, *et al.*,  
Defendants.

Civil Action No.

**FILED UNDER SEAL**

**DECLARATION OF DEE ODELL  
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF  
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through the Merchant Storefronts<sup>1</sup> operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products<sup>2</sup>, add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is offering for sale, knock-off products that infringe at least one claim of the Plaintiff’s Patent. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiffs’ Products. These were sent to Michael Scotese, an

<sup>1</sup> As defined in the Application, a “Merchant Storefront” is any and all User Accounts, including but not limited to, those hosted by Aliexpress.com Amazon, eBay.com,, Joybuy, Temu, Walmart.com, and wish.com, through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

<sup>2</sup> As set forth in the Complaint, Defendants have offered for sale, sold, and distributed infringing and knock-off versions of the Plaintiffs’ Product which infringe upon at least one of the claims in its registered U.S. Patent, (the “Infringing Product”).

executive of AquaPaw Brands LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1.**

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 15<sup>th</sup> of August, 2023, at Pittsburgh, Pennsylvania.

Tip: Generally speaking, dogs are sensitive to water, so they are afraid of bathing. At this time, they need to prepare a soothing food.

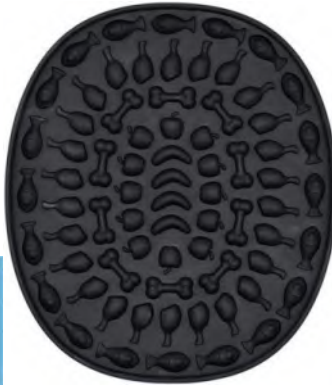

Usually the dog basin is placed on the ground, if placed in the bathroom it is easy to water, and easy to move.

Do you have the following problems when bathing your pet?

1. It smells like a mess. The whole bathroom was a mess.
2. The dog is restless and runs around.
3. The dog was trembling with fear.
4. Empty shake hair, splash around all over the water.

### About this item

- 🐾 [REDUCES ANXIETY]** The slow treater silicone lick mat for dogs is soothing for an anxious dog. By participating in an activity that causes them to lick, they are releasing cortisol into their body, which is a hormone responsible for relaxation. Licking mats are a great way to promote calm behavior.
- 🐾 [TAKE A RELAXING BATH]** This dog peanut butter lick pad with suction cups will stick to metal, glass, tile, and any nonporous surfaces, great for bathing, nail trims, and brushing. You can stick it to the bathroom wall or the tub or you can take it to the vet clinic and stick it on the vet exam table.
- 🐾 [ENVIRONMENTALLY FRIENDLY AND SAFE]** Our lick mat for cats is made of 100% Food-Grade Silicone and BPA free, no smell or taste, durable, strong flexibility, never deformed. If you have a puppy or known chewer, it is the best choice. It is very strong and 100% dishwasher safe.
- 🐾 [SERVE HEALTHY TREATS]** Serve yogurt, peanut butter, purées, spreads, and all manner of organic and healthy treats. Food settles on the mat's surface which slows the feeding

This unit seems to get pretty hot. The problem is: there doesn't seem to be an auto shut off or timer, so it will run indefinitely, which is probably not very safe. I need to decide if I want to return it or not based on this fact alone!

Dale

★☆☆☆☆ 06/27/2023

This one arrived broken, poorly packaged, and late. I cannot believe the condition it arrived in, because it was packaged in just a plastic bag taped lightly. As a lightweight wooden object, it should have been wrapped in bubble wrap at the VERY LEAST. This experience made me second guess ever ordering those Hard-To-Find items from Walmart, because their third-party sales techniques will allow someone to neglect the product and sales experience to this result. This seller should be excluded from Walmart online sales because of the obviously negligent packaging and customer service. Who would I even call to show the pictures to!?

WARNING.. These items are FAKE. There was no seal on the tube and they should always come with a seal. DO NOT BUY FROM THIS SELLER! I am returning and they said I should receive a refund in 3 weeks. Why does it take so long and most major places give you a refund in 5-8 business days

Kat

★★★★★ 01/29/2023

This wall block charger must charges these batteries devices at lest 3-4 hrs or more to getting those batteries packs up to 50% or more percentages.

Chu3505

★☆☆☆☆ 07/16/2023

The size chart was off, and I almost immediately got a "delayed" notification. Getting it that fast is suspicious to me, like they know it'll be longer than claimed but put a shorter time to win the sale. Other than that, it was fine.

I do not recommend to shop from this seller. They are scam. Please be honest with your business. If you post the name of the brand and picture with logo on it, and send totally different products, it is called scam.

At this point, If I could have given "0" stars, I would have!!! I had been waiting for my shipment to arrive as indicated. It is so disappointing to be waiting on a delayed item, then later on be informed that your item is in transit and on it's way, only to find out that someone has falsely documented that your item was delivered. "The bottom line" is, I did not receive the item I purchased. Even though I really appreciate Walmart's customer service employee resolving my issue, I wanted to still express how disappointed I am in not receiving the item I purchased!!!

I initially requested a refund because I thought this toy would fall apart easily, make a big mess, and my cat would destroy it or ignore it... none of which could be further from the truth! Yet, this company refunded my money without asking me to even send it back... which is how I discovered how I was completely wrong in my initial assessment! HIGHLY RECOMMEND AND WILL DEFINITELY DO MORE BUSINESS WITH THEM!!

I was sent the wrong item. They sent me snail mucin instead. When I emailed them about the issue and asked that they correct it by mailing me what I purchased, they insisted I send them photos for verification. They asked a pic of the products I purchased and also a pic of the shipping label. For 1, I have never had a company ask me to do that. I was not trying to con them out of one serum, and if I was, its only \$12! Anyways, I did. I sent them the photos of the items I got, and I couldnt send them a pic of the shipping label because the box didnt come with one. I waited 2 days, and I still didnt get any response. So I followed up, they responded and claimed they never got my pics. They said to send them again, so I did and immediately fo...

We waited so long for this to arrive and were very disappointed when it finally did. The pink wubble came in a black plastic bag with no instructions on how to inflate it. It only included a 1.5" plastic piece that we didn't even use. We used our electric pump to inflate it only to find a hole in it the next day. Super bummed kids and disappointed parents.

I could never get my merchandise sent to me...yet, they certainly charged my card! wanted to argue with me that I received it. would not put a tracer on usps pkg loss.. though they were the senders. Once they've got your money the customer service ends.

Came very quickly and ahead of schedule. Was kept informed on delivery.

★★★★★ 07/08/2023  
Nice quality and fit, with the exception of the bra panel...it is too small and fails to cover 1.5" underneath and I purchased one size larger than necessary, but the tank portion fits nicely. I also purchased a sarong that is a perfect color match...now I'm stylin!

★★★★★ 06/01/2023  
I really like it very much, very supportive, with very good quality, completely consistent with the seller's description, very satisfied, really like it, completely exceeding expectations, the delivery speed is very fast, and the packaging is very careful and tight

★★★★★ 07/02/2023  
This sealer is great, and even better, got this at an unbelievable price- works awesome when you figure out how to properly operate. Hold vacuum button down until you have vacuummed the amount you want, release and quickly hit seal button. If you just want to seal a bag, hit seal. simple. Also the touchscreen times out and turns black. Simply touch screen to turn on screen again. Not sure why bad review's. perhaps didnt know how to operate. This is a great, quality item. purchased two, both are great.  
Chelle

★★★★★ 05/30/2023  
It gets very frustrating because the project slips and loosens a lot I've only tried it with needlepoint canvas so far. Hoping for better results with different fabric. They are sturdy and compact very nicely for storage. They were just frustrating.

### Super-Strong Sucker

The 12 large suction cups design allows the Lick Pad to seamlessly attaches to any flat, non-porous surface... won't slip off!

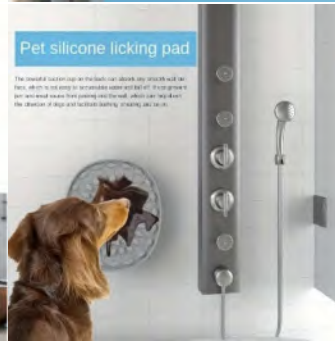

### Made of Recyclable Materials:

- Soft food grade TPE silicone
- Rig of human grade polypropylene
- Welded together for added strength!

### TAKE A RELAXING BATH

### Licking mat with multiple usage

Not only can it be used in bathing, but also can be used as a pet snack basin or ordinary bowl. Some pet oil and meat sauce can be poured into it, and the suction is fast enough, not easy to move and easy to clean.
