

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

AQUAPAW BRANDS LLC,
Plaintiff,

v.

TROPICALPARADISE, *et al.*,
Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is offering for sale, knock-off products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania.³ At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiff’s Products. These were sent to

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts, including but not limited to, those hosted by Amazon, Aliexpress.com, eBay.com, Joybuy, Temu.com, Walmart.com, and wish.com, through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants are promoting, selling, offering for sale, and distributing goods using confusingly similar imitations of one or more of the Plaintiff’s copyrighted works (or an unauthorized derivative thereof), and/or (2) using Plaintiff’s works in a willful attempt to pass off their goods as genuine versions of Plaintiff’s goods, thus unfairly competing (“Infringing Products”).

³ When products were shipped and received, they were physically examined to determine that they were infringing, unauthorized and non-genuine versions of the Plaintiff’s Product.

Michael Scotese, an executive of AquaPaw Brands LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 6th day of September, 2023, at Pittsburgh, Pennsylvania.

Design of palm switch
Turn off the water in one second,
say goodbye to the tedious

When the pointer is pointing to OFF,
the water flow is closed
After 90° clockwise rotation,
the water flow opens

Pet shower, massage and sprinkling
Massage shower, for cats
and dogs

The bath and massage are integrated, and
the bath and massage are both correct.
Massage while taking a bath

ultimately we love the dress my granddaughter was over the moon. but I was a little disappointed because they sent the wrong dress. but in the end it really didn't matter because she loved it. so overall we're very happy with it. my grandson thought it was strange like because the dress was at her knees and he didn't know that certain dresses were supposed to be that way so we had a good laugh. but it fit her perfectly might last her like a couple months but oh well we'll get her a new one. the color was stunning the whole breast actually was but it just I had something else in my head. and it came really fast that was nice.

Purchase was for a pair of handles they only sent one handle and refuse to send the other one or give a refund. Buyers do yourself a favor and look at all other reviews for this company and save yourselves money and headaches by not purchasing from this company. They will bomb you with emails and false promises.

We waited so long for this to arrive and were very disappointed when it finally did. The pink wubble came in a black plastic bag with no instructions on how to inflate it. It only included a 1.5" plastic piece that we didn't even use. We used our electric pump to inflate it only to find a hole in it the next day. Super bummed kids and disappointed parents.

This product shows terrible workmanship. The pre-drilled holes are smaller than the spokes that are supposed to go in the pre-drilled holes. There is no way it can be put together by a human. You need to rework this item completely. It is a total waste of money and you are wasting time making it.

Items: Pet Bath Supplies

my mom's bull terrier LOVED this bath brush! he enjoyed drinking from it before I actually was able to brush him, but he was very excited to get a bath!! definitely recommend this product, just need to get used to attaching it correctly, but it's awesome and easy to use. really gets a good scrub in and has a little knob tc See more

I really like it because I have room for all of the items I carry in my purse without loading down the little side pockets. This organizer has a spot for everything! I used to buy my purses according to the center dividing pocket and now I don't have to have one! I can just swap this between my purses and voila, ready to go! I love that one compartment is big enough for my giant calendar too!

There were just what I wanted. I am new to stamping so because there were different sizes helped. They came on time and in perfect shape. There is a coating that I peeled off. There is lines on them so you can line your stamp to make sure you are stamping straight. All in all it was a good buy. Thank you

This dog toy is a piece of junk. Our 8 month ruined it in less than 10 minutes. It was money wasted. So people save your money for a good toy as this one is junk!

They are great for an all green tree. To hang as decorations they come in single packs with no strings. Could be more sturdier just to flimsy for the price but you get a lot of them. My opinion they should be sold at Dollar Tree due to the quality.

The product came in pretty good time, and seems to be of good construction. As I'm unable to install this due to its being too small for my door, I cannot say much more than that. However, as stated in the review, I have installed the new one I bought to replace this one, and can give more information once I see how it performs. I have not returned this one yet as I've had a death in the family and have been busy dealing with all that entails. to date, this seller has been great. At this point, I would buy from them again.

These toys were not professionally packaged and looked like they've been in storage for 20 years. The bag they came in was dirty/dusty. Needless to say, as soon as I opened and saw the condition of these toys, I threw them directly in the garbage. There's no way I would trust giving them to my Conure.

Too small to even be used on adult fingernails much less toenails. Picture is misleading, as is description. Although the clippers arrived in a timely fashion, I feel sellers aren't being upfront about the size/width of the clippers.
