

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

AFG MEDIA LTD,

Plaintiff,

v.

POPTREND-OFFICIAL, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF’S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff’s *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction (“Application”). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms, Amazon.com, eBay.com, Joybuy, Temu.com, Walmart.com, Wish.com,

and AliExpress.com the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Work, or substantially similar copies of Plaintiff’s Work are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined (1) that the listings infringed on the Plaintiff’s

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants are using without authorization Plaintiff’s sculpture (“Plaintiff’s Work”), while promoting, selling, offering for sale and distributing knock-offs of Plaintiff’s Product, thus infringing on Plaintiff’s Work. (the “Infringing Product”).

Work, and (2) the products were not genuine versions of Plaintiff's Products. These were sent to Fraser Smeaton, Cofounder and CEO of AFG MEDIA LIMITED. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Further, when the ordered product was received it was examined and determined not to be authentic. Further, each of the Defendants who shipped the product collected and paid Pennsylvania sales tax.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 23rd day of October, 2023, at Pittsburgh, Pennsylvania.

Mounting paper towels from the underside of the cabinet is going old school, but I liked the idea - it clears up some space on the counter. I also like the idea of being able to just slide the roll on to the rod. However, this one is about 2" too short for a standard roll of paper towels. It may say it's 11.2 inches, but the paper towels extend past the end of the rod and the roll slides off when you try to tear off the towels. We'll keep using it, but it doesn't work as expected.

This unit seems to get pretty hot. The problem is: there doesn't seem to be an auto shut off or timer, so it will run indefinitely, which is probably not very safe. I need to decide if I want to return it or not based on this fact alone!

Same as the other answer false advertisement said the company was US California turns out came from China I am trying to order what I can from US know with Walmart that's very difficult but this was just playing out lying And I ordered it on October 6th it is now October 14th and I'm still not sure where the heck it is one says out for delivery another says it won't be in for another 6 to 7 days this is ridiculous. I would not recommend them anymore

When I received my watch I didn't realize the size of it. but it wasn't discomfoting fit my wrist very well. when i showed to my friends they think I rob someone. I compare to my other watches and the size just blows my mind. I'll look for more watches like this one and do my homework very carefull.

Took VERY long to come and it is not American XL true to size. XL on the tag was skimpy for a lady medium. Super small. Very short to the thighs. The wrong color is stated. The picture shows burgundy, the words state gold. Burgundy was delivered.

To be honest i would definitely rate them 5 stars, cause the customer service was top tier with the friendly words of kindness and vigilant assistance is not something you would get anywhere. They made sure to resolve whatever issue that I had and still reached out with a resolution. Thank you again

zero if i could. will not replace product that they didnt even send in the first place without every little piece of proof, shipping label, product (how can i show proof of product if i didnt receive) packaging that it came in... oh and will not refund me, even though i dont have what i paid for

Greg

★☆☆☆☆ 10/14/2023

The actual shipping process was quite slow %26 the hat arrived stuffed inside a small plastic bag, crumpled beyond any practical salvation. I initiated a return %26 was refunded immediately, no return necessary (draw your own conclusions from that). Instead of "linen" as mentioned in the description the hat is 100% polyester (no surprise considering the price) so I don't see steaming as an option. I may hang onto it for this year's "Dirty Santa" game to use as the gift that no one wants to be stuck with...

I use this everyday. Holds my laptop well. Sits on my lap comfortably. Thought it would make me hot and sweaty but it doesn't. I love that it gives my laptop a little lift and stability. I like the little tray in the back to hold my pen and paperclips. Very happy I purchased it.
