IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

MSR IMPORTS, INC., Plaintiff, v. GLOBAL GOODS, *et al*., Defendants.	Civil Action No. **FILED UNDER SEAL**

DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms, Amazon.com, eBay.com, Joybuy, Temu.com, Walmart.com, Wish.com,

and AliExpress.com the Merchant Storefronts[1] operating under the seller identities as identified on **Schedule "A"** of the Complaint (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, we were able to view Defendants' Infringing Products[2], add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants' listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff's Works and/or Plaintiff's Trade Dress, or substantially similar copies of Plaintiff's Works, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff's Works, or substantially similar copies of Plaintiff's Works, and/or Plaintiff's Trade Dress are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their

---

[1] As defined in the Application, a "Merchant Storefront" is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

[2] As set forth in the Complaint, Defendants are using without authorization Plaintiff's sculpture ("Plaintiff's Works"), while promoting, selling, offering for sale, and distributing knock-offs of Plaintiff's Products, thus infringing on Plaintiff's Works and/or Trade Dress. (the "Infringing Product").

respective Seller IDs, and determined (1) that the listings infringed on the Plaintiff's Work, and (2) the products were not genuine versions of Plaintiff's Products. These were sent to Jonathan Rodack, co-owner and CEO of MSR Imports Inc. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Further, when the ordered product was received it was examined and determined not to be authentic. Further, each of the Defendants who shipped the product collected and paid Pennsylvania sales tax.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 19th day of December, 2023, at Pittsburgh, Pennsylvania.

My merchandise was shipped in a timely manner - very efficient. I bought sandals, and each sandal was individually wrapped in plastic then the pair was put into a plastic zipper bag. I did have to request a refund and reorder them in a smaller size, but JDE Commerce America Limited's refunded me quickly, and I did reorder them in a smaller size. Plus, they allowed me to donate the larger size to charity. 👍 Efficient, Reliable, Friendly, and Hassle Free - Excellent Experience A

My merchandise was shipped in a timely manner - very efficient. I bought sandals, and each sandal was individually wrapped in plastic then the pair was put into a plastic zipper bag. I did have to request a refund and reorder them in a smaller size, but JDE Commerce America Limited's refunded me quickly, and I did reorder them in a smaller size. Plus, they allowed me to donate the larger size to charity. 👍 Efficient, Reliable, Friendly, and Hassle Free - Excellent Experience A

This unit seems to get pretty hot. The problem is: there doesn't seem to be an auto shut off or timer, so it will run indefinitely, which is probably not very safe. I need to decide if I want to return it or not based on this fact alone!

I love the selection of eyes and noses, but there are no size indications marked anywhere and the roundness of the objects makes it hard to measure. Also there were no instructions whatever among the packaging. The main gripe I have with Walmart online is that they never send the instructions with the product.

The phone case itself is nice. But the inside is damaged. The black interior is all scratched. Had to try to color it up with marker. Not worth sending back. Very Upset!! How could you send out damaged!!!

About this item

Product details

Warm Christmas decoration: Funpeny Christmas porch lampshade has a cute glowing face of a snowman. Decorate the porch to create a welcome entrance for the garage, terrace and other entrance passages. The smiley snowman light cover is indeed a great Christmas decoration. In the cold winter, the red nose and blush cheeks add warmth to us. Merry Christmas and Happy New Year.

It was horrible looking. Didnt look anything like the picture. Returned it. Walmart should do better with checking out the quality of their third party vendors.

Will not buy online from Walmart again. I purchased some clothing for my 83 year old mother but needs returned. She is 300 miles away from me and Walmart would not take the material back (I even sent her the bar code and return info) Walmart associates said "I" need to return it - 300 F**king miles away - done doing business with Walmart!

★☆☆☆☆ 08/14/2023
