ORDER

By an application filed on 27 September 2022 applied for invalidity of this registered design under the provisions of Section 11ZA(1)(b) of The Registered Designs Act 1949.

A copy of the amended application was sent to the registered proprietor on 13 December 2021 by post to be signed for.

The registered proprietor did not file a Form DF19B and counter-statement within the 6 week period in accordance with Rule 15(5) of the Registered Designs Rules 2006 and neither party requested a hearing or gave written submissions in respect of the official letter of 23 February 2022.
