IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

ALLSEASON ENTERPRISES, LLC, Plaintiff, v. MYKYTA MELNIK, LLC, et al., Defendants.	Civil Action No. **FILED UNDER SEAL**

DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms, Amazon.com, eBay.com, Joybuy, Temu.com, Walmart.com, Wish.com,

and AliExpress.com the Merchant Storefronts[1] operating under the seller identities as identified on **Schedule "A"** of the Complaint (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, we were able to view Defendants' Infringing Products[2], add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants' listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff's Marks and/or Plaintiff's Works and/or Plaintiff's Trade Dress, or substantially similar copies of Plaintiff's Works, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff's Marks and/or Plaintiff's Works, or substantially similar copies of Plaintiff's Works, and/or Plaintiff's Trade Dress are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-

[1] As defined in the Application, a "Merchant Storefront" is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

[2] As set forth in the Complaint, Defendants are using, while promoting, selling, offering for sale, and distributing knock-offs of Plaintiff's Products while infringing on Plaintiff's Marks and/or Works and/or Trade Dress (the "Infringing Product").

commerce stores operating under each of their respective Seller IDs, and determined (1) that the listings infringed on the Plaintiff's Work, and (2) the products were not genuine versions of Plaintiff's Products. These were sent *to OSCAR PRECIADO*, Plaintiff's authorized representative. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Further, when the ordered product was received it was examined and determined not to be authentic. Further, each of the Defendants who shipped the product collected and paid Pennsylvania sales tax.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 2nd day of July, 2024, at Pittsburgh, Pennsylvania.

They list products that are not available, and send something elese without even notifying you. I ordered a 2 pack body wash and got only one delivered, when I contacted them they said the pack of 2 wasn't available and instead of sending a 2nd one for THEIR MISTAKE they asked me to send it back or get a refund.

I'd never shop from here again. It's been over 2 weeks and I'm still waiting for it. It's become so late I need to get something else as a gift now because the party is next week and I highly doubt it will arrive before the time for a refund elapses. Don't ever shop from here. I looked at reviews and I wish I had before I bought anything!

experience with them that's fine, what's Walmart makes it happen, delivered right to your door, do they service, get the Walmart , app, it's $13 a month, better nap I get it for half price because I pay half of it with my CalFresh and you can do the same, it's like six seven dollars a month I get free deliveries all day long everyday as many as I want, even if I only have one item, delivery still free, and it's awesome service, you basically save $9 dollars, per delivery, I sometimes have 10to20 deliveries in a single month, so figured $9 × 10= 81. or 20× 9= 180 dollars saved plus you get online discount prices win-win situation,

Make sure you take a picture of every item you purchase, in detail so you have something to show Walmart. I made a copy, but the printing was blurred when I enlarged it so I could not show them the difference in the product what I had ordered.

Mary

★☆☆☆☆ 04/16/2024

This order was on March 30th. My neighbor brought it to me today...it was delivered to the wrong address. Shipment was delayed more than once.

Betty

★☆☆☆☆ 02/21/2024

They need to put this product in a box. It was shipped in a plastic envelope with no padding and no protection. The postal service van must smell wonderful!

Lois

★☆☆☆☆ 02/05/2024

Never ordered this product . It just showed up . Putting Mastercard on the case. Someone stop this type of shipment. Makes me wish did not have account.

Vernon

★★★★★ 03/12/2024

Received my lipstick quickly and it was the correct shade.

Sue

★★★★★ 12/19/2023

I had no issues with this order. It arrived quickly. There was no wasted packaging too which I like for the environment.

Bree

★☆☆☆☆ 12/12/2023

The description of the package was deceptive. It stated that it included 5 action figures when it only includes 4. Why lie?

J

★☆☆☆☆ 12/03/2023

They sent me an empty unopened package. I tried contacting the seller and haven't gotten a response back. Did I get scammed?
