FOR THE WESTERN DISTRICT OF PENNSYLVANIA

ALLSEASON ENTERPRISES, LLC

Plaintiff,

v.

MYKYTA MELNIK, LLC, *et al.*,

Defendants.

Civil Action No. 24-CV-921

(Judge Colville)

Jury Trial Requested

FILED UNDER SEAL

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF’S MOTION TO AMEND
TEMPORARY RESTRAINING ORDER**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff’s *Motion to Amend* Temporary Restraining Order (“Application”). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms, Amazon.com, eBay.com, Joybuy, Temu.com, Walmart.com, Wish.com,

and AliExpress.com the Merchant Storefronts¹ operating under the seller identities as identified on **Amended Schedule “A”** hereto (the “Seller IDs”) and which were not identified on **Schedule “A”** attached to the previous Declaration (“the newly added Defendants”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using Plaintiff’s Marks and/or Plaintiff’s Works and/or Plaintiff’s Trade Dress, or substantially similar copies of Plaintiff’s Works, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Marks and/or Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works, and/or Plaintiff’s Trade Dress are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants are using, while promoting, selling, offering for sale, and distributing knock-offs of Plaintiff’s Products while infringing on Plaintiff’s Marks and/or Works and/or Trade Dress (the “Infringing Product”).

detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined (1) that the listings infringed on Plaintiff's Marks and/or Plaintiff's Works, or substantially similar copies of Plaintiff's Works, and/or Plaintiff's Trade Dress and (2) the products were not genuine versions of Plaintiff's Products. These were sent to OSCAR PRECIADO, Plaintiff's authorized representative. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed *via* Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 2**. Further, each of the Defendants who agreed to ship the product collected and paid Pennsylvania sales tax at the point of sale.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 12th day of July, 2024, at Pittsburgh, Pennsylvania.

They took forever to ship. Sent the wrong product and now I have to go out of my way to return the wrong thing when they sent me a \$5 package of product and I pause \$37 for a higher dosage. They are trying to scam people and it's wrong.
