IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

MICHELLE E. DE SOUSA, *et al.,* Plaintiffs, v. MOON BAY, *et al*., Defendants.	Civil Action No. **FILED UNDER SEAL**

DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFFS' *EX PARTE* APPLICATION FOR ENTRY OF TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms, Amazon.com, eBay.com, Temu, Walmart.com, Wish.com, and AliExpress.com the Merchant Storefronts[1] operating under the seller identities as identified on **Schedule "A"** of the Complaint (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, we were able to view Defendants' Infringing Products[2], add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants' listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and offering products that infringe and or use the Plaintiffs' Patent, without authorization, and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiffs' Product are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet

[1] As defined in the Application, a "Merchant Storefront" is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

[2] As set forth in the Complaint, Defendants are knowingly and intentionally promoting, advertising, distributing, offering for sale, and selling patent infringing versions of Plaintiffs' patented CLEAVA® and SNAPPY CAMI® brand mock camisoles, which infringe at least one claim of U.S. Patent No. 8,152,591 ("Plaintiffs' Patent"). Some of the Defendants have copied Plaintiffs' Works, thus unfairly competing.

based e-commerce stores operating under each of their respective Seller IDs, and determined (1) that the listings copy Plaintiff's Works, thus unfairly competing, and/or infringe on at least one claim of the Plaintiffs' Patent, and (2) the products were not genuine versions of Plaintiffs' Product. These were sent to Jose De Jesus De Sousa, co-inventor of the Plaintiffs' Product and co-manager of BraNovations, Inc., the exclusive licensee of the Plaintiffs' patented product. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. Further, when the ordered product was received it was examined and determined not to be authentic. Further, each of the Defendants who shipped the product collected and paid Pennsylvania sales tax.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 12th day of November, 2024, at Pittsburgh, Pennsylvania.

/s/Dee Odell

Now let me tell you about these chest covers, whether you have big, medium, or small bust, every woman or teen should have these for those low cut tops or dresses that tend to expose our goods, nice job Temu for making these very affordable for us and they are also very pretty.

Great purchase. It's perfect for the low-cut dresses that you want to wear to church.

51***95 in on Feb 20, 2024

will work perfectly, exactly as described, useful, should be comfortable to wear snaps onto bra straps I believe. Satisfied with order, well worth the money, highly recommend.

la***ia in on Mar 19, 2024

Great innovation. my only problem is that it is still a little transparent - due to my skin colour. dem boobies, cleavage still showing myan. maybe there is a more opaque one on here somewhere. other than that, love them. bought the black and white.

very good and useful,, exactly as pictured, it needed a longer inside hook for the strap. They're slightly loose so it goes down and doesn't give me the cover I wanted to have. I'll keep it and fix the inside hook strip.

very nice. I highly recommend. Great value, quality & price.

I think it looks good, and it works easily. The lace at the top causes irritation on me, but if your skin isn't particularly sensitive it shouldn't be a problem.

Nice shield for lower chested outfits that you need more modesty. I will definitely order more in other colors.

Worked well, I did use a pin instead of the snaps to make them look better under my dress. Hides cleavage enough for my church dresses.

98***77 Gidgis Mom in on Jun 6, 2024

Serves its purpose , very helpful for ladies that have had mastectomies, and their bras are not cut as revealing as they normally would be! You don't see these just anywhere so spread the word for someone that may need that extra bit of material in their lower cut tops!

pe***95 in on May 2, 2024

fit perfectly for me, awesome, easy to use, perfect extenders ❤️, 100% really love it,

ri***48 in on Jun 28, 2024

Just as seller described good for low cut blouses

A,Absolutely love!!!, Useful! I love these for tops that are too low cut or show a bit too much especially when you bend over. Usually hard to find to buy.

These are perfect for when you have a little too much cleavage exposed for your comfort zone. They are soft, easy to use, and stay in place

yes I like things when you wear low-cut blouse and it adds a little cover up I like that makes me feel more confident in myself fashionable thank you

Carol King in on Sep 17, 2024

fit well in the bras, absolutely beautiful, I like it, this is good quality, very happy thank you.

sf*07** in on Sep 23, 2024

Haven't used them yet, but there are exactly what I needed when I wear a straples bra and the top of the bra shows at the top of my dress and/or top. I would definitely recommend.
