Looks great and works perfectly. I can now wear outfits that weren't modest enough for work or church. The lace also makes a casual outfit look more formal. , exactly as described, comfortable to wear, very useful, fit well in the bras, great price

Very practical and elegant. Like having cover for low cut tops but with a little flare and without having to wear a tank top or anything much.

I am sending these to my dear friend to wear with a few new dresses for modesty. They are very light lace fabric and look tiny in package but they will do what needs to be done., will work perfectly,

the lace is only at the top of the mock camisole, wish it was all lace with solid backing, does do the job, covers cleavage, easy to apply, silky and smooth on the skin, pretty and useful

Nice for the low open shirt or v neck dress, sweater. Easy to use. Haven't wash it yet. Don't see it as a problem.

This is a useful little item! Well worth the price! Easy to snap onto my bra, and it worked perfectly for a blouse that was cut a little lower than I like. Great item! Comes in the three colors I need!

Looks great and works perfectly. I can now wear outfits that weren't modest enough for work or church. The lace also makes a casual outfit look more formal. , exactly as described, comfortable to wear, very useful, fit well in the bras, great price

Very practical and elegant. Like having cover for low cut tops but with a little flare and without having to wear a tank top or anything much.

Beautiful shoes that are comfortable, not to high of a heel the beautiful detail in the back of the shoes. The lace faux collar chest covers just what I need. All items look exactly like the pictures!

These are great. I get hot easily and don't like to have to wear a cami underneath shirts/tops that run too low in the front for me. In this packet you get 4 cami-looking covers (can't see through) and 3 completely lace covers and I like having the option. They clip onto your bra. Nicely made and do the job. Very satisfied.

It's inexpensive, but it's a great product. It's even better because you can adjust the length of the string. I also like the color black.
