IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

PROMIER PRODUCTS INC., Plaintiff, v. GEAROZ, et al., Defendants.	Civil Action No. **FILED UNDER SEAL**

DECLARATION OF DEE ODELL IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling falsely advertised products and whether each of the identified Defendants will ship and/or has actually shipped such products to the United States, including customers specifically located in Pennsylvania.

3. We accessed through Amazon.com the merchant storefronts operating under the seller identities as identified on **Schedule "A"** of the Complaint (the "Seller IDs"). Upon accessing each of the merchant storefronts, we were able to view Defendants' products which are the subject of this lawsuit, add products to the online shopping cart, designate Pennsylvania as

the point of purchase and delivery, proceed to the point of checkout, and otherwise actively exchange data with each merchant storefront.

4. The checkout pages or order forms confirm that each Defendant was and/or is still currently offering for sale and/or selling products which are the subject of this lawsuit through their respective merchant storefronts and user accounts and that each Defendant provides shipping and/or has actually shipped products to Pennsylvania and other locations in the United States.

5. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. True and correct copies of the detailed web listings we captured and downloaded showing the various products which are the subject of this lawsuit (together with the advertised lumen output) listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. As noted therein, each of the Defendants who shipped the products that are the subject of this lawsuit collected and paid Pennsylvania sales tax.

6. Once the products that are the subject of this lawsuit were shipped into and received in Pennsylvania, I inventoried the products, assigned each product a flashlight sample number in the form of FLXXX, and repacked and shipped the products to Elite Electronic Engineering, Inc., for testing to determine the lumen output of the products. A copy of the test report from Elite Electronic Engineering, Inc. is attached to the **Declaration of David Way** submitted herewith.

7. After receiving the test report from Elite Electronic Engineering, Inc., I prepared the below chart which sets forth the Defendant Number, Seller Name, Seller ID, flashlight sample number that was assigned during my inventory process, the advertised lumen value, the tested lumen value, and the percentage of advertised lumens (tested lumen value / advertised lumen value). All of Defendants' flashlights tested at less than 70% of the advertised lumen value and nearly all were significantly less.

About this item

- ✓ SUPER BRIGHTNESS: Equipped with a powerful 10W LED, the spootlight deliveries an impressive 90000Lux /1000Lumens of brightness. With its high power, this spotlight provides long-range illumination, allowing you to see up to 1000 yards away.
- ✓ EFFECTIVE HUNTING DESIGN: The spotlight features a tactical red dot sight that enables precise aiming at targets up to 500 yards away. Additionally, the spotlight is equipped with red and green lenses, which are ideal for scanning and detecting coyotes, predators, coons, varmints, and hogs in low-light conditions.

About this item

- 150000 LUMEN HEADLAMP: The new upgraded beads are unstoppably brighter than car lights. Brighter, brighter, brighter than you ever thought possible. Delivers up to 150,000 lumens and up to 1800m/4591ft. Great penetration, good capacitance and bright for all kinds of activities at night.
- ELECTRONIC DIGITAL DISPLAY: With digital display function, it is convenient for you to check the battery power more clearly and charge it in time. The adult headlight is equipped with a large capacity rechargeable battery and two fast input ports (USB, T-C), the use time can reach 8-15 hours
- 4 MAIN MODE & ZOOMBLE: The LED HEADLAMP has 4 modes: High/Medium/Flash/SOS. The unique zoom function is more practical: spotlight for long-distance observation / floodlight for large area illumination. The red and blue warning lights behind the headlights provide you with comprehensive security
- 170° ADJUSTBLE & WATERPROOF: Elastic headband can easily adjust the length and fit your head size perfectly, suitable for both adults and children. The flashlight uses a thick silicone pad to better protect the head. Using high-grade waterproof materials, so that you are not afraid of bad weather, wind and rain
- CAMPING HEADLAMP: Not limited to scenes venue use, it is the tool of choice for outdoor activities such as BBQ, camping, hiking, backpacking, riding, running, route finding, scrambling, evening dog walking, fishing, hunting, reading, jogging, car repair/maintenance, welding. Even in dimly lit areas or emergency situations such as fires, hurricanes, storms, power outages for project work, choose our headlamps for you. Gift Ideas

About this item

- 【990,000 Lumens Brightest Flashlight】 The high lumens flashlight has an output of up to 990,000 lumens. This is a 300% increase in brightness and is 3 times brighter than a regular flashlight. The torch can easily illuminate the foot of a mountain up to 3,280 feet away or a 200 square meter football field.
- 【15 Hours Usage Time & Power Display】: Newly upgraded rechargeable flashlight with 15 hours of Battery life while maintaining optimal brightness. The flashlight's built-in chip can be recharged 150,000 times. The LED flashlight can be charged via the supplied USB cable and takes only 3-4 hours to charge. The power indicator on the top of the torch helps you to clearly understand the battery usage (100%, 75%, 50%, 25%).
- 【5 Lighting Modes】 The handheld flashlight offers different levels of brightness and functions to meet your specific lighting needs. Flash light contains 5 modes: High-Medium-Low-Strobe-SOS. You can use it flexibly in different scenarios. Pressing deeply for 2-3 seconds in any mode will turn it off, no need to cycle through all the modes.
- 【Retractable Function】 If you want to have a long distance observation and large area illumination, you can choose this multifunctional super bright flashlight. Just stretch the flashlight head to get Wide beam and Narrow beam. Narrow beam is suitable for long-distance observation, wide beam when wide-area illumination.
- 【IPX7 Waterproof & Resistance】 Handheld flashlight to is equipped with IPX7 waterproof technology, which makes it easy to use even in heavy rain or snow. The body of the flashlight is made of high quality aluminium alloy, which is impact resistant. It can be dropped from a height of 2 metres without damage. The flashlight is very good at insulating and dissipating heat, so it will not overheat even after long time use.
- 【Ideal Outdoor Partner】 The flashlight is not only an ideal flashlight for home use, but also great for camping, hiking, fishing, climbing, hunting and other outdoor activities.High quality flashlight can be a Christmas gift for your family, husband, boyfriend or friends.
- 【Good Value Flashlights Pack】 Super Bright Led Flashlight*2 (with built-in 2*2750 mAh rechargeable BATTERY), USB cable*2, English Munual*1, Lanyard*1. Moreover, the handheld flashlight has 2-years of free replacements and 7*24-hour customer service. About this item

- 500% Brighter Than Car-Light: The brightness of flashlights high lumens is 30 times brighter than a regular led flashlight. With an impressive 990,000 lumens, the light covers an area of two football fields, and the objects can be clearly discerned at distances of up to 3386 feet. Such high lumen output is more than enough for most recreational activities
- Excellent Quality BATTERY with Long Runtime: ALSTU Flashlights with a 10000mAh high-capacity rechargeable BATTERY are designed to provide consistent performance day in and day out. Such powerful BATTERY allows for an impressive 15 hours runtime, which is a reliable source of light throughout your journey without worrying about the battery draining quickly
- USB Rechargeable Flashlight and Digital Displays: ALSTU rechargeable flashlight features digital displays and built-in fast charging chip with input and output charging interface, being able to quickly charge the flashlight within 3 hours by using various power sources like a car charger, power bank, computer, or USB outlet. The output port can be used as a back-up power source for charging your mobile phone or other devices during adventurous journeys
- 5 Modes and Adjustable Head: Handheld flashlights provides different levels of brightness to meet your specific lighting needs. The powerful flashlights contain 5 modes: High, Medium, Low, Strobe, SOS. And the head of the flash light high lumen is adjustable for difference light beams. Easily turn off by pressing 2-3 seconds without cycle through all the modes
- Water Resistance and Sturdy: ALSTU flashlight is made with excellent quality materials that are durable and weather-resistant. High power flashlights with IPX7 waterproof rating ensure it illuminates in harsh environment. The handle has a lanyard for comfortable and convenient carrying. It's both durable and portable, fulfilling all requirements
- Strong After-sales Service Team: ALSTU flashlights high lumens rechargeable has more than 25 engineers responsible for 24/7 customer after-sales service. Please get professional help from us directly through Amazon for any issues such as malfunction, missing accessories, or damaged packaging

About this item

- 【Super Bright LED Headlamp】Atdoall headlamp adopts high-quality upgraded LED lamp beads, with a brightness of up to 100,000 lumens and an irradiation distance of 1,500 meters (4,921 feet). Its biggest feature is the motion sensor zoom headlamp, which is simple and convenient to control. It is perfect for running, cycling, fishing, camping, traveling, mountaineering, exploring, dog walking, mining, car repair or emergency.
- 【Fast Charging and Long Battery Life】The rechargeable headlamp is equipped with a 2A fast TYPE-C cable, which charges very quickly. If you use an adapter with a rated current of 2A, it only takes 3.5-4 hours to fully charge. The battery capacity of this headlamp is 6000 mAh, which can work for 10 hours in high light mode and 100 hours in low light. It can also be used as a mobile power bank to charge your mobile phone when you encounter an emergency.
- 【5 Lighting Modes and Motion Sensor】The zoomable headlamp provides 5 lighting modes. The floodlight and spotlight have high light, low light, moonlight, strobe, and SOS light modes. You can choose different lighting modes according to different scenes. You can turn off the mode with one button after using it for 5S. Press and hold the switch for 3 seconds to enter the motion sensor mode. At this time, you can easily control the on/off of the headlamp by waving your hand on the motion sensing side of the headlamp.
- 【90° Adjustable and Adjustable Elastic Headband】Our forehead charging headlamp can be adjusted up and down 90°, and each angle is firm, allowing you to choose the perfect lighting angle. The elastic headband can be easily adjusted to fit any head shape, and insulating foam is added where the headlamp fits your forehead to make it more comfortable to wear.
- 【Battery Level Indicator and Warning Light】There are 4 LED indicators on the rear battery compartment of the headlamp, which allows you to accurately know the power level of the headlamp and charge it in time. Each indicator represents 25% of the power. Whether you are hiking or cycling for a long distance, you can always be informed and prepared. In addition, to ensure that you are safer at night, the center of the battery compartment of the rechargeable headlamp will light up red when in use, and will display blue light in sensor mode.
- 【IPX5 Waterproof and Ultra-Light Design】Atdoall IPX5 waterproof headlamp, whether you are in rainy or snowy days, it can provide you with normal lighting, which is an ideal camping or fishing equipment. In order to ensure that you can wear it for hours without feeling burdened, our headlamp is specially made of aviation aluminum material, which is lightweight and durable, so that you can wear it comfortably for a long time.
- 【24-hour best after-sales service】You will receive 2 rechargeable headlamps, 2 USB data cables, 3000 mAh batteries*4, hard hat clips*8, and we provide excellent customer support and 2-year replacement guarantee to ensure that you can use our headlamp for hard hat without worries. If you have any questions, please feel free to contact us.

About this item

- 【Baibian BRIGHTEST FLASHLIGHT/Flashlights 1,500,000 LUMENS 】With 16 beads, the super bright Flashlights powered by XHP160.6 LED chip is not only brighter than Flashlight with fewer beads such as the XHP90, XHP70 and XHP50, but also brighter than Flashlights with 36 beads, whose light is dispersed across 36 squares. Our Rechargeable LED Flashlights High Lumens can support a maximum output of 1,500,000 lumens, which is about 30 times brighter than a regular LED Flashlights.
- 【WITH ZOOMABLE ADJUSTABLE & 6 LIGHTING MODES】Compared to the traditional Flashlights with only 5 modes (high/medium/low/sos/double flash), our powerful Flashlights with 1,500,000 lumens have a new super bright mode to meet the brightest lighting needs. In addition, we have set up a separate function key to the Super Bright Flashlight to make the sos and double flash functions more convenient to use.
- 【POWERFUL BATTERY & USB RECHARGEABLE Flashlight】Built-in fast charging chip, twice as fast as the charging speed of ordinary USB Flashlight rechargeable. This high-power Flashlight can work about 8-20 hours on a single charge. With circuit protection, such as overcharge protection, over-discharge protection, over-voltage protection, short-circuit protection, etc., which can extend the life of the Flashlight high lumens rechargeable up to 200000 times.
- 【IP67 WATERPROOF & SHOCKPROOF TACTICAL FLASHLIGHT】The Super Bright rechargeable Flashlight is specially made of aviation grade aluminum alloy all over. With the thick rubber ring can do IP67 level of waterproof, dust-proof, drop-proof. There is no problem to use the rechargeable Flashlights in extreme weather such as heavy rain and snowstorm. We also customize the tactical Flashlights with five parts of heat dissipation area, so the bright flashlight has good heat dissipation performance.
- 【WIDELY USED & OUTDOOR ESSENTIAL HANDHELD FLASHLIGHTS】This rechargeable Flashlight for emergencies can be used as an emergency energy source to charge some common USB devices, such as cell phones, headphones, etc. Powerful Flashlights high lumens are not only suitable for daily use such as camping, night dog walking, night running, night fishing, night riding, hiking, but also for police night patrol, car maintenance and other workplace such as gas stations, charging stations, chemical labs, airports, warehouses, etc.
- 【FLASHLIGHT PACKAGE】: What you get: 1 x LED Flashlights High Lumens, 1 x 5000mAh Battery, 1 x Charging Cable and 1x Manual and 1 x Gift box. We have carefully checked all flashlight rechargeable before shipment and ensured that the products are working properly. Most importantly, we provide 7*24 hours customer service. If you have any questions, please to contact us.

About this item

- 【990000 LUMENS SUPER BRIGHT LED FLASHLIGHTS】2-PACK powerful rechargeable LED flashlight with upgraded P70. 2 LED chip, 20 times brighter than other flashlights. A rechargeable high lumen flashlight can easily light up your entire farm. The furthest range of the brightest flashlight is up to 3280 feet. The high-power flashlight can last for 15 hours, which is easy to carry when camping or daily use.
- 【5000 mAh & LARGE CAPACITY】 - A rechargeable strong flashlight included premium RECHARGEABLE 5000 mAh BATTERY , capable of running continuously for 15 hours, is essential for outdoor lighting.
- 【USB FAST RECHARGEABLE FLASHLIGHTS & POWER DISPLAY】-USB fast charging method, so that the charging time of the LED flashlight only takes 3-5 hours to fully charge. Charging speed is 3 times faster than ordinary ports. This bright LED flashlight has 4 indicator lights, so you can see the power status at a glance.
- 【15 HOURS RUNTIME & 150000 HOURS LIFESPAN】The LED high lumen rechargeable flashlight has a 5000mAh capacity, the super large capacity makes the LED flashlight last for a long time. The rechargeable flashlight can be used for approximately 15 hours on a single charge. In addition, because this high-power flashlight has a certain heat dissipation function, the lifespan can reach 150,000 hours.
- 【WIDE BEAM & NARROW BEAM】The rechargeable flash has an adjustable focus. Normal mode is a wide-beam mode that you can switch to narrow-beam mode by stretching the head of the high-lumen LED flashlight. For outdoor use, the wide beam is used to illuminate a large area and the narrow beam is used for long distance viewing.
- 【IPX7 WATERPROOF FLASHLIGHTS】The LED flashlight adopts a rubber ring to seal the housing, so that the rechargeable waterproof flashlight can work stably even in harsh environments such as wet blizzards. High quality IPX7 waterproof flashlight is perfect for indoor and outdoor use, such as camping, hiking, fishing.
- 【7 LIGHTING MODES】The brightest rechargeable flashlight has 7 lighting modes: Main light: high / medium / strobe, COB work light: high / medium / red / red strobe. Note: Single click to switch modes, double click Switch to side lights. Press and hold for 2 seconds to turn off the flashlight directly. Strobe lights are suitable for alarm effect in emergency situations.
- 【WHAT YOU WILL GET】- High lumen rechargeable LED flashlights offers 2 years free replacement service and 7*24 hours customer service. If you are not satisfied with our products, please feel free to contact our excellent customer support team.

About this item

- 【Super Brightness&Red Safety Tailight】Upgraded XHP160 LED rechargeable headlamp provides light intensity up to 100,000 lumens,irradiating light up to 800 meters without spot or dark areas.The red and blue warning lights behind the headlights provide you with comprehensive safety,and separate switch control.
- 【4 Light Modes &Zoom Headlamp】BROVAVE LED headlight flashlight has 4 modes:brightness/high brightness/flash/SOS.The unique zoom function is more practical,spotlight for long-distance observation / floodlight for large area illumination.Which is a hands-free flashlight necessary for outdoor sports and adventures.
- 【10000 Hour Long Life &Digital Power Display】The led rechargeable headlamp life is as long as 10000 hours, you don't need to consider a replacement.With 2 rechargeable 2500mAh batteries,the headlamp provides up to 8-10 hours under full charge.With digital display function,it is convenient for you to check the battery power more clearly and charge it in time.
- 【IPX6 Waterproof &Comfortable to Wear】BROVAVE headlamp is IPX6 waterproof and the adjustable strap on the headlamp allows you to make satisfactory size adjustments to keep the headlamp firmly on your head.Extremely suitable for outdoor night running, cycling, hiking, camping, climbing, catching fish and other outdoor sports.
- 【100% Satisfaction &Risk-Free Purchase】The headlamp is easy to operate and we provide 60 days of free replacement service and 7*24-hour customer service.If you have any questions,please feel free to contact us to get the best solution.

About this item

- Please Note: Applicable stem diameter (20~30mm).
- Securely Fastened: Do you often struggle with bike lights front that spin when passing through potholes? The EOS620 bike light features a double nut design and two aluminium brackets with a built-in silicone cushion that securely connects the bicycle headlight to the handlebar, eliminating the need to frequently adjust the height of the light, headlights and taillights can be easily attached and removed by hand, no additional tools required.
- 6 LED Wider Lighting Range: The EOS620 bike front light uses 6 high performance TG3 LED beads and features a unique horizontal design that increases the lighting range by 100%! Significantly increased service life and safety, bicycle lights front and rear can be switched freely between the three light modes, and the headlights run for up to 5 hours in full light mode.
- USB Rechargeable 4800mAh Battery: EOS620 bicycle light kit with high quality 4800mAh USB C rechargeable lithium battery, built-in intelligent chip provides charging protection

About this item

- Super Bright Large Flashlight Spotlight Main light& High lumens Flood work light side light with Red&blue light warning function: 1000,000 lumens Powerful XHP-70.2 LED Beads with 3 brightness modes: strong, weak, SOS makes it a long-life spotlight flashlight high lumens. Multifunctional side light allows you to use it as a camping light&warning light in fog and haze weather.
- New Design Switch&Aerospace Aluminum Alloy Shell: Bigger size and softer material makes our new switch easier to press and gives us a comfortable hand feeling.New pilot circuit shortened the reaction time and increased the service life of the switch. Made with Solid but light metal,our handheld tactical flashlight is perfect for your long-term use in various outdoor scenes without tiredness. Compared with other Rechargeable Searchlights, our large flashlight is not easy to break and crack.
- Life-Time Guarantee &24-Hrs online after-sale service: Our BUYSIGHT rechargeable searchlights are tested to be up to the standard of 1000 cycles Battery life& 100,000 hours bead life. We have managed to reduce the rate of faulty items considerably, but not yet completely. We feel very bad about it and are actively working on solutions. If you receive a defective product, contact us and we will immediately send you a replacement unit for free.
- Outdoor Camping Flood Working Light Mode（With bracket）;Straps Mode;Hand-held Mode:When you go camping and barbecue,our camping flashlight can perfectly set your hands free.When you walk a dog,our shoulder trap can prevent rechargeable spotlight from falling.
- Large Capacity Rechargeable batteries&Emergency Portable power supply: Battery capacity up to 9000mAh can give you a long outdoor working time . Smart multiple protection (overcharge/ over discharge protection) can keep it safe and steady when you use it as a mobile power to charge your smart devices.

About this item

- 🌞Powerful spotlight you met . Super Bright 300000 lumens Powerful XHP-70.2 LED Beads with three brightness settings: High (1000,000 lumens), Mediun(500,000 lumens) Low (200,000 lumens) and SOS Mode. At 1000,000 lumens. 550 yards illumination range significantly brighter than many higher-priced spotlights or flashlights. Removable filter enables both white and red light settings. White setting is for general illumination and red is perfect for searching animals.
- 💡 Flood Mode is more suitable for close lighting- High brightness COB lamp beads, high temperature silicone, aluminum base plate is more heat-resistant, so you can get brighter and wider angle lighting in camping and working environments, no longer just a bright spot.
- 🔋Rechargeable spotlight flashlight with serious lasting power - UP TO 20 HOURS. Stop searching for batteries that are never there when you need them.Made with 3 built-in ,long-lasting, rechargeable batteries with 10000 mAh storage power. A full charge made to last longer than virtually any other flashlight - from 10 hours at 300,000 lumens to a whopping 20 hours at 1000,000 lumens. Universal USB C charging port makes it easy to recharge in both car and home .
- 🔧4 Years Guarantee & 24-Hrs online After-sale Service: BUYSIGHT rechargeable searchlights are tested to be up to the standard of 1000 cycles Battery life& 100,000 hours bead life. We have managed to reduce the rate of faulty items considerably, but not yet completely. We feel very bad about it and are actively working on solutions. If you receive a defective product, contact us and we will immediately send you a replacement unit without return even out of 30 days.
- ☔Impact resistant & Waterproof & Never Sink. Made from tough, impact resistant ABS and polystyrene to protect the system from drops and bumps while in use. Should you accidentally drop it in water while hiking, camping, sailing or hunting, no worries - it's waterproof up to 3ft deep, and floats to the surface of the water so it's easy to retrieve.
- 💪Upgraded larger size& lighter weigh design, more in line with the use of American habits, ergonomic design allows you to hold a long time not tired . Overpowering camouflage colored shell takes more colors to our hiking trip. Adjustable bracket equipped makes it a work light anytime, anywhere to free your hands. It's also a large capacity power bank when you need.

It projects an ultra-wide beam that illuminate areas up to 2160 square ft, easily lighting up your entire backyard. It can even illuminate objects 3,937 ft away. You can also adjust the focus range from spotlight to floodlight by stretching the head of the rechargeable flashlights.
- 【Upgraded 7 LIGHTING MODES FLASH LIGHT】: Unlike the common 5 modes flashlight rechargeable in the market, U1670 can be used for more occasions. Why? As the bright flashlight is equipped with a main led light and a COB side light, offering 2 lighting choices. The main led light includes 3 modes: High, Medium, Strobe. The COB side light has 4 modes: High, Medium, Red Light, Red Strobe. How to switch to COB light? Very easy: just press the button twice quickly no matter the main light is on or off.
- 【USB RECHARGEABLE & POWER INDICATOR】: The linterna recargable comes with rechargeable battery that provides up to 12 hours of runtime, with built-in short-circuit protection to extend battery life to 50,000 hours. The flashlights high lumens rechargeable also features a USB output for charging other electronic devices in an emergency. The power indicator also monitors the remaining power in real time, so you don't have to worry about suddenly running out of power.
- 【PREMIUM QUALITY MATERIAL & IP67 WATERPROOF】: Flash lights battery powered is made of high quality aircraft-grade alloy with an anodised anti-abrasive coating to ensure its durability and extreme impact resistance. It even can withstand being run over by a full-size truck, and still remain intact. With multiple waterproof and sealing treatments, dustproof and waterproof performance can reach the IP67 level. It can easily cope with extremely harsh environments such as heavy rains and sandstorms.
- 【2 PACK GREAT VALUE FLASHLIGHT KIT】: You will get: 2* Uiitee Powerful Flashlights, 2* Rechargeable Battery, 6* AAA Battery(with 2* White Battery Tubes, 2* AAA Battery Holder), 2* USB-C Cable, 1* Instruction manual, the Value Pack can meet your different needs. Moreover, Uiitee also focuses on product quality, each handheld flashlight is subject to strict quality inspection. If you meet any problem, please feel free to contact our customer support team, we will provide you with the best solution.

About this item

- 【Flashlights High Lumens】The super bright flashlight is equipped with an upgraded longbeam LED chip, with a brightness of up to 990,000 lumens, 500% brighter than car lights. Our bright flashlight rechargeable can illuminate the darkness with ease, providing you with the brightness and clarity you need to see clearly. Suitable rechargeable flashlights for emergencies, home, outdoor camping, hiking.
- 【5 Modes & Zoom Flash Light】Our tactical flashlight has 5 working modes: High, Medium, Low, Strobe, SOS. Short press the power button to switch modes, long press for 2 seconds to turn off the powerful flashlights. Adjust the beam distance and light range by extending the top of the LED bright flashlight. The brightest flashlight rechargeable can light up to 2500 square feet area under floodlight or 3640ft distance under spotlight.
- 【Rechargeable Flashlights with LCD Digital Display】Super bright flashlight using an upgraded high-capacity battery can work for 15 hours. Tactical flashlights high lumens rechargeable with fast-charging Type-C port only take 3 hours to fully charge, increasing charging speed by 50%. With USB output port, powerful tactical flashlight can be used as a power bank. The newly upgraded LCD power display is clearly visible, so you can always easily and accurately grasp the remaining power of the brightest flashlight.
- 【IP67 Waterproof & Sturdy】Due to the built-in high tenacity seal rubber, the bright flashlight rechargeable reaches IP67 waterproof level. The flash light can be used in heavy rain, snow, and other harsh weather conditions. Made of aviation grade aluminum alloy, the flashlight is anti drop and shatter-resistant, so you don't need to worry about dropping the flash light.
- 【One-year quality assurances & Excellent Services】We are very confident that you will like this super bright flashlight. CHILDBOT flashlights high lumens provide one-year replacement service and 7 * 24 hour excellent customer after-sales service. You can always message us through Amazon news if you have any questions, our professional team will immediately solve your problem.
- 【LED Flshlight Package】 You will get 1* Super Bright Flashlight, 1* High-capacity Rechargeable Battery, 1* Type-c Charging Cable, 1* Dry Battery Fix Bracket, 1* Carrying Lanyard, 1* English User Manual.

About this item

- 990,000 HIGH LUMENS SPOTLIGHT - Hold the big and bright led spotlight in your hand and experience the ultra-bright spotlight flashlight with an output of up to 990000 lumens. The strong light sweeps across the length of about two football fields and the illumination distance is up to 3600 feet. 10 times brighter than other ordinary led spotlights, perfect for hunting, hiking, fishing, night work.
- MAIN LIGHT 3 MODES - Outdoor spotlight with main light 3 modes: Front Light (High - Medium - Strobe). Can penetrate deep darkness, dense fog and water. Run time is up to 20 hours. The upgraded P90 led wick spotlight emits bright, uniform lumens of white light that is less likely to cause visual fatigue and is ideal for close-range lighting indoors or in work areas.
- SIDE LIGHT 3 MODES - Multifunctional spotlight with Dual Side Light 3 Modes: Side Light (High - Low - Security Warning Light). Red & blue strobe lights (only works on one side) have a help-seeking function. Run time is up to 30 hours. Upgraded handheld soft curved handle, comfortable. Two-way button design, easy to use, ideal as a gift for family, friends, and holidays.
- 10800mAh RECHARGEABLE & POWER DISPLAY - High lumen spotlight with built-in 10800mAh rechargeable BATTERY, 150% longer life span compared to other spotlights. The rechargeable spotlight features USB input and output ports, 4 hours of fast charging, and tested to last 15,000 times. It is also very convenient to use as a mobile power supply. The searchlight has power display (25%, 50%, 75%, 100%), allowing you to see it clearly at a glance.
- 4 COLORS FILTERS & FOLDABLE TRIPOD - In addition to the standard white light, the handheld spotlight main light also comes with (red-blue-yellow) 3 color filters that are replaceable and can project different colors to meet different needs. Lighting environment requirements. Built-in foldable tripod allows for hands-free boating, camping, and car maintenance. The included lanyard makes it easy to carry the spotlight.
- IPX6 WATERPROOF & PORTABLE - IPX6 waterproof spotlight can continue to work in heavy rain. The powerful flashlight is made of sturdy aluminum alloy and can withstand drops from heights, keeping your flashlight safe from scratches and breakage and can also be used for self-protection. The handheld flashlight comes with a lanyard for easy portability and one-handed operation. Perfect for home, night patrol, outdoor camping, mountain climbing, hiking!
- WORRY-FREE AFTER-SALES SERVICE - Try it, you'll love upgraded W5224 spotlight! The rechargeable spotlight comes with lifetime customer service and technical support. We take customer experience very seriously, we carefully inspect each product before shipping and make sure it is working properly. About this item

- 990,000 HIGH LUMENS FLASHLIGHT - Rechargeable flashlight uses upgraded high brightness chip, 10 times brighter than ordinary LED flashlight. The maximum brightness is up to 990,000 lumens, bringing you dazzling brightness. Its lighting range is wider and farther, with a maximum lighting distance of up to 3600 feet, making everything in front of you bright and clear, protecting you from darkness and unknown influences, Ideal for home use, outdoor camping, and hiking.
- 12H LONG RUN & POWER INDICATOR - This high lumen flashlight has a built-in fast charging chip, which increases the charging speed by 35%. It can be fully charged in 4 hours. It can be used for 12 hours (low mode) after being fully charged, and has a long service life. You no longer have to worry about running out of power and frequent charging. Our rechargeable flashlight comes with 4 indicator lights, representing the remaining power (25%, 50%, 75%, 100%). You can tell when to charge.
- 5 MODES & ADJUSTABLE LIGHT - Super bright flashlight with 5 brightness levels: High-Medium-Low-Strobe-SOS. In any mode, long press the switch button for 3 seconds to quickly turn it off without cycling through all modes. In addition, the flashlight head can be adjusted to obtain a wide or narrow beam to expand or reduce the area covered by the light to adapt to different lighting environments.
- IPX6 WATERPROOF & ONE-HAND OPERATION - IPX6 waterproof flashlight can continue to work in heavy rain. The powerful flashlight is made of sturdy aluminum alloy and can withstand a 10 feet drop, keeping your flashlight safe from scratches and breakage, and can also be used for self-protection. The handheld flashlight comes with a lanyard for easy portability and one-handed operation. Perfect for night riding, running, patrolling, camping, climbing, and hiking!
- GREAT BRIGHT & 2-YEAR WARRANTY - Try it, you'll love it! The rechargeable flashlight comes with a 2-year warranty and lifetime customer service and technical support. We attach great importance to customer experience, we carefully inspect each product before shipping and make sure the product works properly. If you have any questions about the flashlight, please contact our excellent customer support team within 24 hours to get the best solution, looking forward to your choice.

About this item

- Flashlight High Lumens This spotlight has a lighting range of up to 3280 feet and a brightness of up to 1,00,000 lumens, making it ideal for outdoor use. Its fully enclosed structure and ABS material provide good waterproof, anti-fall, anti-slip and shock-proof properties, making it suitable for hunting, hiking, camping, exploring and other occasions. The wide handle design of the spotlight flashlight makes it very convenient to carry and use.
- Solar Charging & Emergency Power Supply The new rechargeable spotlight can be charged not only through the charging cable, but also through the solar panel. The LED battery indicator next to the spot light makes it easy to check whether the battery is sufficient before use. The USB port can be used as a power

About this item

- 【990000 High Lumen Flashlight 2 Pack】Rechargeable high lumen flashlight features an upgraded LED chip that makes the super bright flashlight 10 times brighter than other flashlights. It projects a beam of light that clearly illuminates up to 3280 feet, easily lighting up your entire backyard. Such a high lumen flashlight is more than enough for outdoor activities and emergencies
- 【15 Hours Duration & USB Rechargeable】LED flashlight features an extra-large capacity battery that provides up to 15 hours (Low mode) of powerful, non-diminishing brightness. You can charge it in 3-4 hours using the included USB cable. The flashlight button has four indicator lights, each representing 25% of the power level, so you can see the power status at a glance
- 【7 Lighting Modes】The brightest flashlight provides 7 lighting modes: 3 lighting modes (High/Low/Strobe)+4 COB modes （High/Low/Red/Red Flash）. Note: Click to switch modes, double click to switch to side light. Press and hold for 2 seconds to turn off the flashlight directly. Strobe light is suitable for alarm effect in emergency situations
- 【Adjustable Light】You can stretch the head of the flashlight to adjust the beam, choosing between the wide beam and narrow beam. The flashlight provides a large illumination area, giving you a wide field of vision when walking at night. It also observes the illumination and accurately helps you detect the range of your field of view. You don't have to worry about the flashlight overheating due to long-term use
- 【IPX7 Waterproof & Resistant】The powerful flashlight is easy to carry with its rubber ring sealed housing, non-slip strip on the handle and lanyard. Bright flashlight works stably even in harsh environments such as wet, blizzards. It can also withstand accidental drops up to 2.5 meters or rough handling, very safe
- 【Full Flashlight Kit】You will get 2 x Cinlinso flashlights, 2 x Battery(included in flashlight), 2 x USB charging cables, 2 x lanyards, 1 x instruction manual and gift box. Meanwhile Cinlinso provides two years warranty service, if you have any questions about our products, please feel free to contact us, we will provide you with satisfactory solutions

About this item

- Super Bright Lumens & Longevity: The 10000 lumen bike headlight features high performance 8pcs P9 LED beads, 4 lighting modes, and a range of 400-800 metres in high beam mode. The rechargeable bicycle headlight has a capacity of 10000 mAh, which provides 2.5-9.5 hours of battery life, perfect for long rides.
- Powerful Digital Battery Display: The rechargeable high power LED bike light is equipped with a digital display that shows the power level of each light mode, the battery level and the charging status, so you can keep track of the power status at all times. The top switch design makes it more convenient for you to ride.
- Durable And Waterproof: The bike front light mounting base and the headlight itself are made of high quality aluminium alloy, reinforced with acrylic inside. It has good impact resistance and heat dissipation. The bracket is made of double nut structure and aluminium bracket with integrated silicone pads, which ensures a solid connection between the headlight and the handlebar.IPX5 waterproof rating, you can use it in rain and snow without worry.

About this item

- Super Bright & Long Runtime: The bike headlight has 3 LEDs, 5 lighting modes, and the range can reach hundreds of meters in high beam mode. It has a 8000mAh large capacity, allowing for a running time of 1.5-3 hours, making it ideal for extended cycling sessions.
- Firmly Attached: Tired of your bike light constantly shifting over bumps? The bike light solves this with its dual nut construction and aluminum bracket complete with an integrated silicone cushion. This ensures a secure link between the headlight and handlebar, removing the hassle of constant height adjustments. Installing and detaching the headlights and taillights is a breeze – no tools necessary, just your hands.
- Anti-Glare & Improved Safety: Our rechargeable bicycle light is designed to provide a uniformly bright illumination that covers both the far and near areas, allowing you to see the road ahead clearly without dazzling others. This feature ensures a safe and comfortable riding experience for both yourself and those around you. Equipped with extra taillights that ensure safe riding at 360° angles.

About this item

- [990,000 Lumens Super Bright Flashlights] GDPLUS rechargeable high lumen flashlight is equipped with updated ultra-bright LED chips that emit 990,000 lumens at maximum power. It can easily illuminate a 200 square meter space with a maximum illumination distance of up to 3280 feet. Easily light up everything around you!
- [15 Hours Running Time | Power Display] Powerful LED flashlight is powered by a large 2,750mAh rechargeable Battery, the rechargeable flashlight can be used for up to 15 hours in low mode. 4 blue indicator lights will show the power level (25%, 50%, 75%, 100%).
- [4 Hour Fast Charging | Multiple Charging Methods] Rechargeable Flashlight High Lumens has a built-in fast charging chip with a USB connector, which increases the charging speed by 30%, and can be fully charged in only 3 hours. It can be connected to car charger, mobile power and other devices with USB interface for charging.
- [5 Lighting Modes | Adjustable] GDPLUS high lumen rechargeable flashlight has 5 modes: High-Medium-Low-Strobe-SOS. Long press for 2-3 seconds in any mode to turn it off. The head of the LED rechargeable flashlight can be stretched to choose between wide-area illumination or long-distance illumination.
- [Ipx7 Waterproof For All Environments] The one-piece construction protects the waterproof flashlight from splashing water from all angles. Made of high quality aluminum alloy material, non-slip, explosion-proof and shock-proof, suitable for outdoor environments and harsh weather conditions. Very convenient for hunting, boating, camping, dog walking, searching, moments and home use.
- [100% Satisfaction Guarante】The LED flashlight is registered under the brand name GDPLUS, which means that you can trust its product quality and customer service. We offer 2 years free replacement service and 7*24 hours customer service. Welcome to contact us.

About this item

- [990000 Lumen Super Bright Flashlight] GDPLUS 2 pack 990000 lumens rechargeable flashlights equipped with the upgraded LED wick, lights up to 30 times brighter than ordinary LED flashlight, easily illuminate a 200 ㎡ space or 3280ft distance, ensures that you can see far and wide. This high power flashlight's various lighting needs can be met, such as camping, hiking, and emergeՈcies.
- [USB Rechargeable | Multiple Charging Methods] The handheld flashlight has a fast USB input port and is suitable for charging docks, car charger, or power bank, which increases the charging speed by 30%, and fully charges only 4 hours.
- [Long Runtime | Power Display] The high lumen rechargeable flashlight is powered by a large rechargeable BATTERY for 12h on low mode, and the LED flashlights also come with power indicators, don't need to worry about suddenly running out of power while in use.
- [5 Light Modes | Adjustable] The powerful flashlight offers an impressive five light modes(High-Medium-Low-Strobe-SOS), hold down the button for 2 seconds in any mode to turn the flashlight off. Moreover, the powerful flashlight beam can be adjusted between wide-area illumination and remote illumination.
- [IPX6 Waterproof] This waterproof flashlight's compact structure, the waterproof rubber ring at the back cover improves the tightness and can be used in extreme weather such as wet, snow, and wind. However, please do not immerse this camping flashlight directly in water for a long time or discard the dust cover of the charging port, as these may damage the flashlight.
- [Quality material | Widely Use] The high lumens flashlight is made of aviation-grade aluminum alloy material, can withstand a 6-inch drop, shockproof and drop-proof, the handle has non-slip stripes and a lanyard for comfortable and convenient carrying. High quality rechargeable flashlight is perfect for indoor and outdoor use, such as hiking, patrol, and power failure.
- [Buy With Confidence] The LED flashlight is registered under the brand name GDPLUS, which means that you can trust its product quality and customer service. We offer a 2-year warranty and 24-hour customer service, providing 100% satisfaction service.

About this item

- High Lumen Super Bright Headlamp:Head Lamp,LED rechargeable headlamp adopts advanced P70 chip, with a maximum output of 100,000 lumens of light.Range over 500 meters,Even comparable to car headlights, it can meet any place where you need strong light
- Long battery life: Battery update! Provided with 3 genuine 3200mah batteries. In bright light mode, it can provide more than 7 hours of battery life; in low light mode, it can provide more than 20 hours of battery life. Please charge it full after you get it .and test the battery life first.It can meet your needs for a whole night outdoors
- 4 Modes Light & Tail Warning Red Light:USB rechargeable headlight has 4 working modes: high/medium/low/strobe. There is a warning red light at the tail of the headlight, which can play an obvious warning role. The warning light also has three independently controllable working modes: high/low/strobe. Repels mosquitoes and provides warnings
- Fast heat dissipation & 90° Adjustable:The lamp head pillar is hollow design, and there is also a heat dissipation device installed inside, which dissipates heat faster than ordinary headlamps and has a longer service life. The angle of the lamp head can be rotated 90°, which is convenient for multi-angle lighting. The 3 headbands are adjustable and flexible to fit most people's head sizes for a comfortable and secure fit
- USB charging & rechargeable battery:The headlight with usb charging cable.The mobile power supply, car charging and other with USB ports can be charged, so you don't have to worry about charging when you go out. In addition, there are three 3200mah rechargeable batteries to meet the needs of long-term use, and the headlight can work for 7-20 hours after being fully charged

About this item

- 【990,000 LUMEN LED FLASHLIGHT】: Goreit flashlights high lumens utilizes upgraded XHP70.2 LED, which is stable and super bright and provides an incredibly powerful lighting, 10 times brighter than other normal led flashlights. A 120 square meter room can be illuminated without any problems, you can also focus on objects up to 1640FT away. This flashlights high lumens rechargeable is an ideal gift for mate, family, friends,colleagues, etc.
- 【USB RECHARGEABLE FLASHLIGHT & LONG WORKING TIME & POWER INDICATOR】: This rechargeable flashlight has been completely improved to shorten the charging time and extend the service life, which can provide up to 12 hours (Low mode) of powerful, non-diminishing brightness. Built-in USB charging interface, flash light can be charged through socket and laptop, convenient for indoor and outdoor charging. The LED display shows the power level exactly(25%, 50%, 75%, 100%).
- 【WATER RESISTANT & HEAVY DUTY FLASHLIGHT】: This IP67 waterproof flashlight is developed for rough handling and can withstand a fall of 5m or be temporarily submerged under water. This bright flashlight can even be frozen, run over by a truck, and it still works! Suitable for use in rain, snow, or emergency situations. The high powered flashlight made of aerospace grade aluminum can protect the convex lens from damage, and in emergencies it can also be used for Self-protection.
- 【ADJUSTABLE FOCUS & 5 LIGHT MODES】: This handheld flashlights has 5 lighting modes: High-Medium-Low-Strobe-SOS. You can turn off the rechargeable flashlights by long pressing the buttons for 3s in any mode. Depending on your needs, you can stretch the head of the flashlight to adjust the focus, freely choose the spotlight for remote viewing and the floodlight for large-area lighting. It is ideal for camping, hiking, climing, running, night walking, emergencies or the general household use.
- 【EXCEPTIONAL VALUE & BUY WITH CONFIDENCE】: Package contents: 1x Goreit super bright flashlight rechargeable with charging cable, 3x AAA Alkaline battery, 1x flashlight holster, 1x gift box and user manual. About this item

- 【FLASHLIGHTS HIGH LUMENS 990,000】: The super bright flashlight is equipped with an upgraded 2024 XHM77.2 chip and the light source is much more stable. Since the light penetration is stronger than other lamp beads', its beam can pass through dust and fog well, comparable to car fog lamps, especially suitable for foggy and rainy days with low visibility. It can easily illuminate an 2160-square-foot room or focus on objects up to 3938 feet away.The led flashlight is the best choice for gifts.
- 【LCD POWER DISPLAY | RECHARGEABLE FLASHLIGHTS | USB OUTPUT】: This flashlights high lumens Rechargeable has been newly upgraded with the unique LCD power percentage display, at a glance, you can always grasp the remaining power. As well, this flash light has been completely improved to shorten the charging time and extend the service life, which can provide up to 12 hours of powerful, non-diminishing brightness. Built-in usb interface, It's more convenient to charge. It can also charge the phone.
- 【UPGRADED 5 MODE & ADJUSTABLE】: The brightness of 5 modes(High/Medium/Low/Strobe/SOS) changes gradually instead of changing instantly, which can avoid the sudden irritation to the eye, therefore it can protect our eyes. The smooth current transition system can also better protect worlds brightest flashlight components, thus extending the service life. we can stretch the head to change the focal length and beam size, it has more powerful long range in spotlight and a wider field in floodlight.
- 【IP67 WATERPROOF & PRACTICALLY INDESTRUCTIBLE】: The Goreit flashlights high lumens is made of aviation grade aluminum alloy, which is durable and not easy to rust. The strong fuselage means excellent shock resistance(up to 10 feet impact) or even ran over by a truck (10T), it still works! Built-in high tenacity seal rubber waterproof ring, the light rain and fog is not a problem, even it can guard you well in the harsh environment, perfect for hunting, fishing etc. outdoor activities.
- 【365NM BLACK LIGHT FLASHLIGHT】G1695 high power flashlight comes with a UV blacklight flashlight, which emits 365nm wavelength. It is perfect for detecting what naked eye can not see, like dog and other pet urine/stains, driver license, official identification cards, passports, customs or authenticate currency. The size is 3.34"x 0.78" and the weight is 45g. It's ultra-lightweight and portable, you can keep in your pocket or at home or elsewhere.
- 【UPGRADED GREAT VALUE POWERFUL FLASHLIGHTS KIT】: What you will get : 1x Goreit G1695 high powered flashlight, 1x UV blacklight flashlight, 1x Powerful battery and USB charging cable, 3x AAA Batteries, 1x Lanyard and holster, 1x Manual and Gift box. You will be pleasantly surprised by the brightness, quality, longevity and performance of the led flashlights high lumens.If you have any questions about the led flashlight, please feel free to contact us. We will be happy to answer your questions.

About this item

- 9500 Lumens Powerful Bicycle Lights Front and Rear - USB rechargeable bike light set with 6 LEDs and a built-in powerful 10000 mAh battery pack. Max output is 9000 lumens with no external battery accessories needed. Runtime is up to 10 hrs at the brightest mode and 60+ hours at the low brightness mode, with a visible distance of up to 1640+ ft. It provides you with enough foresight to ride confidently.
- 5+5 Lighting Modes & 60+ Hours Runtime - This bike front light has 5 lighting modes: High | Medium | Low | Strobe | SOS. The rear bike light comes with 5 modes: Strong | Marquee Mode 1 | Flash | Marquee Mode 2 | Breathing. Our specially designed Marquee Mode can really draw more attention than other lights with a steady pattern. (Notes: When the bike headlight is turned off, keep pressing the switch button for 2 seconds to shift between 3 and 5 lighting modes.)
- 10000 mAh Rechargeable Batteries - The led bike light rechargeable feature allows you to charge both headlight and taillight from a USB port output. It can run up to 60+ hours with one-time charging. And it can also charge your cell phone and other device. This lights for bike come with smart charging circuit that automatically stops when the batteries are fully charged to prevent overcharging.
- Easy Installation & Visibility Up to 1640+ Feet - The sturdy 360° swiveling mount is easy for quick installation and release within 30 seconds, no tools required. The visibility distance up

About this item

- 【Flashlights High Lumens】The super bright flashlight is equipped with an upgraded longbeam LED chip, with a brightness of up to 20,000 lumens. Our bright flashlight can illuminate the darkness with ease, providing you with the brightness and clarity you need to see clearly. Suitable rechargeable flashlights for emergencies, home, outdoor camping, hiking.
- 【5 Modes & Zoom Flash Light】Our tactical flashlight has 5 working modes: High, Medium, Low, Strobe, SOS. Short press the power button to switch modes, long press for 3 seconds to turn off the flashlight in any mode. Adjust the beam distance and light range by extending the top of the bright flashlight. The brightest flashlight can light up to 3200ft distance under spotlight.
- 【Rechargeable Flashlights with LCD Digital Display】Super bright flashlight using a 5000mAh battery can work for 80 hours in low mode. Tactical flashlights high lumens rechargeable with fast-charging Type-C port only take 3 hours to fully charge. With USB output port, tactical flashlight can be used as a power bank. The newly upgraded LCD power display is clearly visible, so you can always easily and accurately grasp the remaining power of the brightest flashlight.
- 【Waterproof & Sturdy】Due to the built-in high tenacity seal rubber, the bright flashlight rechargeable reaches waterproof level. The flash light can be used in heavy rain, snow, and other harsh weather conditions. Made of aviation grade aluminum alloy, the flashlight is anti drop and shatter-resistant, so you don't need to worry about dropping the flash light.
- 【Flshlight Package】You will get 1* Super Bright Flashlight, 1* 5000mAh Rechargeable Battery, 1* Type-c Charging Cable, 1* Carrying Lanyard, 1* English User Manual.

About this item

- 100,000 LUMENS ULTRA-BRIGHT SPOTLIGHT: With the integrated XHP90 LED chip, this spotlight delivers an incredibly powerful beam, boasting an astonishing 100,000 lumens. Its exceptional brightness ensures that you never miss a detail, even from a distance. With a remarkable lighting distance of approximately 3,000 feet, this spotlight is perfect for illuminating large areas, providing you with unparalleled visibility in any situation.
- SIX LIGHTING MODES: This spotlight flashlight offers six versatile lighting modes to suit your needs. The front light has high, medium, and strobe settings, while the side light functions as a floodlight with high, low, and safety signal modes. You can easily toggle between these modes based on your requirements. Please note that a short press of the switch allows you to select the desired mode, and pressing it for two seconds will immediately turn off the flashlight.
- HIGH CAPACITY BATTERY: The rechargeable spotlight features a built-in, high-capacity 9600mAh battery that offers up to 10 hours of operation at full brightness. This provides you with extended working hours for outdoor activities. You can conveniently charge the spotlight via Type-C charging, which takes approximately 4-5 hours for a full charge, or utilize solar power, which requires around 10-20 hours for a complete charge.
- EMERGENCY POWER SOURCE: This handheld spotlight can be used as a portable power bank, which comes in handy during emergency situations. Simply press the side button, and a blue indicator light will show the battery life status at 25%, 50%, or 100%. With this feature, you can depend on the spotlight to provide crucial power to keep your devices charged when you need them most.
- FOLDABLE TRIPOD: The spotlight flashlight includes a collapsible tripod that helps prevent shaking and enhances stability. This makes it an ideal lighting tool for activities such as hiking, camping, boating, sailing, and hunting. The foldable tripod ensures steady and reliable illumination, allowing you to focus on your outdoor pursuits without worrying about the flashlight moving or losing stability.
- 3 COLOR LENSES: The LED spotlight is equipped with red, yellow, and blue lenses, providing versatility to meet your various outdoor needs. These lenses allow you to adjust the color of the light emitted by the spotlight, enabling you to adapt to different situations and environments. Whether you need to preserve night vision, enhance visibility in foggy conditions, or simply add a touch of color to your outdoor adventure, these lenses have got you covered.
- DURABLE: Constructed with high-quality aluminum alloy and impact-resistant military-grade ABS material, this high-power spotlight is built to last. It can withstand drops from a height of 3 feet without damage. Designed to be anti-shock, anti-slip, and explosion-proof. Rest assured that this spotlight is built to withstand the demands of outdoor activities and provide you with long-lasting durability.

About this item

- WHY CHOOSE JSKNB SPOTLIGHT: When a thousand outdoor enthusiasts put our spotlight to the test, they were blown away by its brilliance. They think it's one of the brightest spotlights in the world. They love that it lasts a long time on one charge, can charge up with solar power, and even acts as a power bank. This outdoor spotlight will be your go-to buddy, giving you light when you really need it.
- FLASHLIGHTS HIGH LUMENS RECHARGEABLE: Light up the darkest of nights with an incredible brightness of 3000,000 lumens. You won't miss a thing with this spotlight and it can shine a beam up to 6,561 feet away. Perfect for exploring in the dark and coming through in emergencies.
- ADJUSTABLE HEAD: Switching between lighting up close and far is a breeze with our spotlight's adjustable head that twists up to 350 degrees. This standout feature puts our spotlight in a league of its own.
- NINE LIGHTING MODES: With nine lighting options at your fingertips, you can customize your surroundings to your heart's content. You've got high beam options (high, medium, and strobe), plus near-light choices with different levels of white light (high and low), yellow light (high and low), and red light (high and strobe). Just press quickly to switch between modes. If 10 seconds have passed, press again to turn the spotlight flashlight off.
- FLASHLIGHTS FOR EMERGENCIES: Whether you're dealing with a blackout or heading out into the wild, this rechargeable spotlight is your go-to light source. It can also pull double duty as an emergency power bank for your gadgets.
- LARGE-CAPACITY BATTERY: This spotlight flashlight packs a punch with a whopping 15,000mAh battery capacity. It can juice up your phone multiple times, giving you plenty of power for all your outdoor adventures. Plus, it comes with a handy power display showing four levels (25%, 50%, 75%, and 100%) so you can keep an eye on how much charge is left with no sweat.
- WEATHER THE ELEMENTS WITH EASE: Built to handle the rough and tumble, our handheld spotlight comes equipped with IPX6 waterproofing. Rain or shine, this durable spotlight can handle splashes and downpours, making it perfect for camping, hiking, and more.

About this item

- 【990000 LUMENS FLASHLIGHT】Our flashlights high lumens is 30 times brighter than a regular led flashlight, and it can effortlessly illuminate an area of 200 square meters, with a maximum illumination distance of up to 3,280 feet. With an astonishingly high lumen output, offer exceeding 990000 lumens, this flashlight effortlessly pierces through darkness, illuminating the darkest corners and casting a brilliant, far-reaching beam of light
- 【LONG RUNNING TIME】Equipped with high-capacity rechargeable battery, and efficient led chip, our rechargeable flashlights high lumens can last up to 12 hours of continuous use without worrying about frequent recharging, making the rechargeable led flashlight a reliable companion during extended outdoor adventures
- 【5 LIGHTING MODES】The rechargeable high lumen flashlight offers 5 lighting modes: high, medium, low, strobe, and sos, to meet various scenario requirements. You can easily adjust the beam through the flash light head, switching between a wide beam light for close-up tasks and a concentrated beam light for long-distance visibility
- 【USB FAST CHARGING】The rechargeable flashlights features a built-in fast charging chip with a USB intelligent charging port, resulting in a 30% increase in charging speed. It only takes 3 hours to fully charge. The four indicator lights on the flash lights high lumens rechargeable provide clear battery status updates (25%, 50%, 75%, 100%)
- 【STRONG BEAM】Compared with other powered led rechargeable flashlights, our flashlights chip has a longer range, clearer edges, stronger beam, no annoying grid lines, clearer field of view, and is more suitable for activities such as field searching and patrolling
- 【IPX6 WATERPROOF】Our led flashlights high lumens is built to withstand the elements with its waterproof of IPX6. The bright camping flashlight features a sturdy construction, tight seals, and strong aluminum alloy materials, ensuring it can operate fully even in the harshest wet conditions
- 【TWO-YEAR WARRANTY】Sigoobal pays attention to product quality, and every flash lights passes strict quality inspection. We provide 30-day no-reason returns and a two-year warranty, please be confident to buy. Please feel free to contact us via the Amazon Message Center for any issues, we will always provide satisfactory solutions to your problems
