About this item

- 【Bigger, Brighter, Longer Lasting】LBE upgraded W5224 spotlight is big and bright. Rechargeable led spotlight with a solid build and blinding brightness, the high output is up to 1000,000 lumens, large-area irradiation, and Irradiation distance of up to 1500 meters. It is enduring with a life span of 100,000 hours, suitable for camping, hiking, fishing, emergencies, targeted searches and general household use, etc.
- 【Two Lighting Modes】LBE outdoor spotlight with two lighting modes: Front light (High -Medium- Strobe), Side light (High-Low-Safety warning light) which is a floodlight. No matter the terrain, no matter the environment, your high lumen spotlight will respond to just about any way you'd like it to.
- 【Powerful Battery & Battery Status】LBE LED spotlight adopts a 10800 mAh rechargeable Battery (Built-in), compared to the 8000mAh Battery, it is a range of up to 140% and up to 18 hours of use time. Built-in anti-reverse connection protection; short-circuit, overload-charging protection functions. The LED display shows the exact Battery level(25%, 50%, 75%, 100%) to help us check the Battery operation status, and remind us that W5224 powerful spotlight needs to be charged when the Battery is low.
- 【USB Fasting Charging】The advantage of rechargeable spot light's USB is that the charging speed is faster, the charging port is not easy to wear, and more enduring. This led spotlight flashlight with USB direct charging through a power bank, smartphone adapter, computer(laptop), car, or charging plug without disassembling the light. What's more surprising is that the high-powered spotlight has an output function, which can output power to your phone.
- 【4 Colors & Foldable Tripod】Front light (White-Blue-Yellow-Red). In addition to the standard white light, the spot light kit includes three color filters that project different colors by placing different color filters to meet your multiple lighting needs. Built-in foldable tripod makes for good Hands-free boating, camping,working, and Barbecue.
- 【Excellent Price Performance Ratio】What you get: 1x LBE Super Bright LED Spotlight Flashlight, 1x 10800mAh Rechargeable Battery, 1x USB Charging Cable,3x Color Filter(Red/Blue/Yellow), 1x Flashlight Lanyard, 1x English User Manual. It is recommended to keep one in your car, at home, or give one to family and friends.
- 【Buy With Confidence】Try it and you will love it. Super Bright Led flashlight has 2 years of free replacement service and 7*24-hour customer service. If you are not satisfied with our product, please feel free to contact our excellent customer support team.
- 【Note】The main light switch and the side light switch is not in the same place, the main light switch at the handle, the side light switch in the back of the spotlight that small black button.

About this item

- High Brightness and Securely Lock: Prasky's high-performance bike lights have a maximum output of 9000 lumens, reaching distances of up to 500 ft with a wider angle view, illuminating the road as you ride at night. The bicycle lights front and rear can be securely and easily installed in seconds without the need for any tools. C-clamp handlebar brackets are more stable and durable than other rubber straps. Also, a bonus is a taillight that will keep you to be seen anywhere
- 6+5 Light Modes: The bike front cycling lights features a one-touch switch with 6 different lighting modes to suit your needs, including strong/medium/low brightness, fast flash, SOS, and slow flash. The taillight includes 5 different lighting modes: running/cycle/breathing light and fast/slow flash, designed to alert following cars or people. You must double-click the bike headlight switch to enter flashing modes quickly
- Long Runtime and LED Screen: Our bicycle light is equipped with a 5000mAh large capacity battery. It operates for over 10 hours in low brightness mode, catering to your extended riding lighting requirements. Featuring an LED display, you can easily monitor the battery level and avoid the concern of running out of power. It takes less than 3 hours to fully recharge using the USB-C charging cable
- Military Grade and IPX65 Waterproof: The LED road bike light is crafted with a premium aluminum alloy shell, offering excellent impact resistance and heat dissipation, ensuring durability and longevity. The bike lights for night riding with an IPX65 water-resistant rating, you can enjoy cycling even in rainy, snowy or foggy conditions
- Versatile, More Than Bike Accessories: This bicycle headlight is designed with a USB output port, serving as a power bank for charging your devices in emergencies. It can be widely used in various scenarios as emergency flashlights. Use mountain bike lights front and back while cycling, hiking, running, camping, walking pets, or any emergency situation
- What You Will Get: Bike headlight*1, bike taillight*1, USB-C to USB-A cable*2, user manual*1, bracket*2. For your best experience, please fully charge the bike lights front and back before your first use. Recommended to use a 5V-1A or 5V-2A charging device to charge this product. Once the battery shows 100%, continue charging for half an hour to ensure the battery is fully charged
- Free replacement of the mount within 1 year.

About this item

- 【Designed For Emergencies】 2-pack rechargeable flashlights, 12-hour long BATTERY life keep you from panicking in the event of a power outage.
- 【Super Bright】 The brightest flashlights adopts xhp70 led bulb. It can continuously output 990,000 high lumens brightness, and the irradiation range is up to 500 meters. This LED flash light can not only meet your daily lighting needs, but also can be used for outdoor mountaineering, camping, fishing at night.
- 【Rechargeable Flashlights】 For a flashlight, in addition to brightness, the most important thing is service life. Our torch flashlight is included premium rechargeable 2750mAh*2 BATTERY and equipped with a USB charging port, which can be charged at any time. And it not only supports charging at home, but also can be charged with a power bank in an outdoor emergency. You don't have to worry about the flashlight running out of power at any time.
- 【8-12 Hours Long Standby Time 】 When you use our rechargeable flashlights, you don't have to worry about running out of power quickly. We have adopted advanced technology to make the flashlight reach long standby time under high brightness.
- 【Low Power Reminder】 The switch of the flashlight has two color prompts, when the bright flashlight is working, the button light is green, and when the power is lower than 25%, the light will turn red reminding you that it should be charged. This allows you to recharge the flashlight in time to avoid running out of power in an emergency. Warm reminder, it is best to charge in time when the power is higher than 25%, so as to prolong the service life of the flashlight.
- 【3 Light Modes】 The LED flashlight has 3 light modes to meet your different needs. They are high brightness, low brightness and strobe mode. High brightness can be used for outdoor camping, low brightness can be used when walking the dog, and the stobe mode can be used as a warning when encountering vehicles at night, or to scare wild animals away when you are camping outdoors. The flashlight is zoomable and can be adjusted freely according to your needs.

About this item

- [Super Bright Flashlight] - Rechargeable flashlights are equipped with the latest upgraded led beads from This high lumen flashlight uses high-quality led chips, maximum illumination range of up to 1650 feet. Powerful Flashlight is about 10 times brighter than ordinary incandescent lamps.
- [One Click Strong Light Mode] - The flashlight is paired with two buttons and 5 modes: high light, medium light, low light, storbe, SOS mode. Button a, to switch to strong light mode. Click again to switch between flashing 5 modes, and button b to switch between strong and weak light modes.
- [Low Battery Display] - Chargeable flashlight with Northlet self-research 5000mAh flashlight rechargeable battery, which can support our flash powered led charging work for 5-8 hours, it can even be used for up to 12 hours in low light mode. It is more durable while ensuring brightness. The high-power flashlight has a power indicator light: When the power is less than 25%, the indicator light will remain flashing red. It also indicates the charging status. Full of green, charging in red.
- [Type-C Fast Charging & Widely Uses] - Brightest Flashlight equipped with a USB-C charging cable. The fast charging port can make your flashlight fully charged in 3 hours, lasting for 12 hours! Bright flashlight can be recharged and discharged for 10000 times. Whether you're indoors or out, on the go or on the job, ready for adventure or just to stay safe.
- [Easy to Carry] - This powerful flashlight is compact enough to fit in your backpack, survival bag, or glove compartment, making it ideal for outdoor adventures and emergency preparedness. Northlet flashlight is perfect for powering up and lighting your way.
- [IPX6 Waterproof & Shockproof] - Rechargeable flashlights is made of aircraft aluminum alloy, which has the functions of waterproof, efficient heat dissipation, anti-drop. High powered flashlight can be used for hunting,camping,caving,fishing,biking,night hiking,search and rescue. Compared with traditional search & rescue flashlight, It's safe, powerful, long lasting and a must-have tool in adventurers' backpacks.
- [Solid Build & Durable] - Northlet Heavy duty rechargeable flashlight body is made of hard anodizing aircraft grade 6063 aluminum alloy with a hardened anodized finish, the handle has non-slip stripes and tail rope design for firm grip. High strength pressure-resistant makes the led rechargeable flashlight will not damage even if the truck presses over its body.
- [ONE CLICK STRONG LIGHT MODE] - The flashlight is paired with two buttons, button a, to switch to strong light mode. Click again to switch between flashing strong light or delayed strong light, and button b to switch between strong and weak light modes.

About this item

- 1. Super Bright: Powerful LED lights provide superior visibility for nighttime cycling. The bike headlight use 3 TG3 LED beads, with 5 lighting modes, and the range can reach hundreds of meters in high beam mode
- 2. Anti-Glare Design & Improved Safety - Our rechargeable bicycle light is designed with glare-free design which provide a uniformly bright illumination that covers both the far and near areas. This feature allowing you to see the road ahead clearly, ensures a safe riding experience and prevents both yourself and oncoming pedestrians or cars from being dazzled. Equipped with free taillights that ensure safe riding at 360° angles
- 3. Aluminum Enclosure: Our waterproof bike headlights are made with high strength aluminum alloy and reinforced with acrylic in the interior
- 4. Waterproof Construction: The waterproof bicycle light with a waterproof rating of IPX5, you can rest assured to use it in rainy or snowy conditions

About this item

- 【100000 High Lumen & 3280ft High Beam Headlamps】 - Samyoung headlamps adopt a super LED chip, which can provide up to 100000 lumens brightest light, and can cast a super bright 3280ft (1000 meters) high beam for long-range illumination at night vision. There are only 2000 lumen and 2624ft on the market, so our headlamp is very advantageous. There is no limit to the after-sales time, If you have any questions about the head lamps led rechargeable, you can contact us to deal with them.
- 【7 Brighter Modes Lights】 - This head lights for forehead provides 7 modes brighter enough xhp70.2 lamp bead: Flood Light Modes: high light mode, low light mode and strobe modes; Spotlight Modes: high light mode, low light mode and strobe mode; Induction Modes-Right side. The red light indicator on the back and the battery indicator light up at the same time, the red light indicator will vary with mode. (The head lamps with stretch zoom function)
- 【Type-C Fast Charging Port & 50 Hours Long Lasting Battery Life】 - The head flashlight supports Type-C fast Charging port, and only need charge 6-8 hours. And headlamp flashlight with 3X(9000mAh) rechargeable batteries, which can keep 12-50 hours long lasting using time. Excellent bulb can be used for 120000 hours. Most of the headlamp flashlights only has short batteries . (Note: You can charge any type-c devices and it is equipped with a USB output port, which can charge your mobile phone)
- 【90°Angle Adjustable & Comfortable Headband】 - Samyoung headlamp rechargeable can be adjusted 90°, the running headlamp gives you a comfortable lighting effect and the light source is very stable; At the same time, we are equipped with a comfortable and adjustable headband, which is very light and will not put pressure on your head, suitable for men, women and children.
- 【IP67 Waterproof Dust-proof & Anti-Drop】 - We have been professionally improved, our headlamp rechargeable can reach IP67 Waterproof & Dust-proof, and can withstand severe weather such as rain, snow, high temperature, etc. We tested this headlamp by soaking it in water for half an hour while we dropped it from a tall building and the bright headlamp was intact. Highly recommend this head lamp.

About this item

- [2024 Upgraded Long Range LED] The PHIXTON PA160 LED flashlight high lumens rechargeable is made of a improved PH-L330 30W LED which has features of high concentration and ultra long range as it. The focus can be adjusted from narrow to wide. When it is narrow, it is a high concentration circle beam, it can be used as a spotlight to illuminate on objects up to 3280 feet away even if it is fog day or rainy day. It is quite ideal for camping, hiking, night walking or other emergency situations.
- [Super Bright & Brightness Adjustable - 5 Modes] The PHIXTON high powered flashlight rechargeable is equipped 5 lighting modes: high-middle-low-strobe-SOS. According to your needs and the environment, you can adjust the brightness by selecting high, middle or low mode. The highest would be up to 1000000 lumens, it can easily illuminate the whole room and backyard of 500 square meters. The SOS and strobe mode are usually used for emergency situations such as car breakdown or get lost at night.
- [Long Lasting & 4 Levels Power Display] The PA160 tactical flashlight high lumens is equipped with 1pcs 6000mAh rechargeable battery, so it can provided up to 15 hours of powerful and non-diminishing brightness. With compact handheld size, it looks quite cool and portable. The 4-cell battery indicator design can more accurately express the specific battery status to remind you to charge in time, effectively avoiding the fear of going out and being shrouded in darkness.
- [Multifunctional USB C Charging & Discharging Emergency Function] The bright LED flash light high lumens is built-in 2 USB interfaces, one is USB C input for charging, the other is USB output such as it can charge your smartphone or earphone. Both the battery and flashlight are built-in a smart chip that has the function of overcharging protection to ensure safety. It supports various of USB devices so that it is convenient to get charged or discharged in indoor or outdoor activities.
- [Practically Indestructible & IPX7 Water Resistant] The body of the high powered flashlight heavy duty is made of super hard aviation-grade aluminum alloy, impact resistance, wear-resistant and drop-resistant. It is strong enough to withstand a 10 feet accident drop and even ran over by a truck, it still works! The compact flashlight has a built-in high tenacity seal rubber waterproof ring, so there is no any problem to be used in any bad weather, such as rain or snow day.
- [Packing List & Excellent Customer Service] You will get 1x ultra bright flashlight(6000mAh rechargeable battery Included), 3x AAA Alkaline batteries,1x USB C cable, 1x gift box. We are providing high quality products and the best customer service as our aims. You will be pleasantly surprised by the brightness, quality, longevity and performance of the most powerful flashlight. If you

About this item

- 【 100000 High Lumen Flashlight 】 The ultra bright flashlight is equipped with a 2600 Ah rechargeable battery and uses the latest XHP50 LED bulb, which provides even light and is not prone to short circuits after long-term use. The output power is up to 100000 lumens and the service life is up to 10000 hours. This rechargeable flashlight has a range of up to 1350 feet and can easily illuminate your backyard
- 【 7 Lighting Modes 】 The rechargeable LED flashlight has 7 lighting modes to meet your needs in various occasions. When you don't need high brightness, you can lower the brightness to save power. You can use SOS mode in emergency situations, which is not only a bright flashlight, but also a tool for wilderness survival
- 【IPX7 Waterproof】 This ultra bright rechargeable flashlight is made of advanced materials and has a sealed back cover, maximizing its waterproof function. Therefore, there is no need to worry about short circuits caused by water entering the flashlight when used outdoors. Our waterproof flashlight is the best choice for your outdoor flashlight, which can be used without pressure in rainy and snowy weather
- 【Rechargeable power display】 The flashlight supports charging, and can be charged after the battery is depleted. The LED flashlight has a power display function. You can track their power at any time without sudden power outages, which will bring you an excellent experience. During the charging process, the indicator light will also light up, allowing you to know when it is fully charged and unplugged in a timely manner, which also helps extend the lifespan of high-power flashlights
- 【 Free Installation 】 In order to provide users with the best experience and avoid the complex steps of installing LED charging flashlights, our designers have adopted a sealed design for the back cover. The brightest flashlight you received is ready for use and does not require installation. This can prevent the flashlight from short circuiting or damaging the bulb due to improper installation
- 【Anti Fall Design】 The shell of the handheld flashlight is made of hard aluminum alloy, which is very resistant to falls. It can withstand the rolling of wheels without being damaged by falling to the ground or causing it to malfunction
- 【 Buy With Confidence 】 It is recommended to charge before the first use. If you have any questions, please feel free to contact us at any time. We will be responsible for replacing all quality related issues

About this item

- Ultra-Bright & 4 Lighting Modes: Rufykiri rechargeable headlamp is equipped with upgraded 70.2 chip and LED bead, providing ultra-high brightness lighting. Super bright LED headlamp has 4 lighting modes, including high mode, low mode, strobe mode and SOS mode. Long press the ON/OFF button in any mode for 3 seconds to turn off headlamps, without cycling through all modes.
- Adjustable Focus & 90° Angle: By stretching the top of the head lamp, adjustable focusing method allows the headlamp flashlight to switch between wide-beam floodlight when zoom in and long-distance spotlight when zoom out. In addition, the head of the headlight can be freely adjusted within 0-90°, ensuring that you can choose the optimal lighting angle for your different needs.
- Rechargeable & Power Indicator: Head lamps led rechargeable adopt large capacity batteries to achieve long endurance for 3-8 hours working time, solving the problem of charging frequently. The power indicator helps to reflect the status of the headlamp rechargeable, and the flashing red light indicates that the head light needs to be charged, which takes 4-6 hours to fully charge.
- Waterproof & Comfortable: Headlamps for adults rechargeable is IPX7 waterproof so that you can use them in various outdoor activities, such as rainy or snowy days. Head lights for forehead adopt highly elastic headband that can be adjusted according to the needs of most people, and the lightweight body reduces the pressure on your head, so you will feel comfortable while wearing the head lamp.
- Specially Designs & Multipurpose: The head of the headlamp is made of aviation-grade aluminum alloy and has a special shape, so that you can use the window-breaking first aid function of the headlamp in case of emergency. Additionally, 8 clips are prepared to secure the hard hat light to your helmet, as these unique designs make the headlight multifunctional.

About this item

- 【990,000 Lumens Flashlight】The rechargeable LED flashlight employs the newest super bright LED chip, being 20 times brighter than other tactical flashlights. Flash light projects an extremely bright beam of light that can clearly illuminate objects within 3280 feet. It effortlessly lights up an entire room or backyard. (bättery Included)
- 【15 Hours Long-lasting Using Time】The rechargeable design of the tactical flashlights high lumens helps you cut down on expenses and reduce waste. This flashlight for home is equipped with a 5,000mAh rechargeable bättery. It can operate continuously for 8 to 15 hours and has a lifespan of up to 200,000 hours. The long bättery life guarantees reliable illumination
- 【3 Hours Quick Charge | Power Indicator】 Enjoy a quick charge time of just 3 hours. The LED flashlight is equipped with a built-in fast-charging chip and an intelligent charging interface. The powerful flashlight has over-voltage and over-current protection. 4 indicators display the power level (25%, 50%, 75%, 100%) so you can always know how much power is left.
- 【5 Light Modes with Adjustable Beam】The flashlights high lumens rechargeable provides various lighting choices. Such as high / medium / low / strobe / SOS modes. About this item

- Super Bright Led Flashlight: Our flashlight has a lumen output of up to 3600000 lumens, making it one of the brightest flashlights on the market. Whether you're in a dark place or need to see far away, this flashlight will provide you with enough light to see clearly.
- Long Handle Flashlight: The flashlight has a long handle design, making it easy to hold and use. It's perfect for outdoor activities such as camping, hiking, and exploring. The handle also provides a good grip, so you can hold the flashlight securely even in wet or slippery conditions.
- 5 Lighting Modes: Our flashlight has 5 lighting modes, including high, medium, low, strobe, and SOS. You can easily switch between these modes to suit your needs. The high mode is perfect for brightening up a large area, while the low mode is ideal for conserving battery life. The strobe mode is great for creating a flashing light effect, and the SOS mode is perfect for emergencies.
- Rechargeable Battery: Our flashlight is powered by a rechargeable 10000mAh battery, which provides a long battery life. The battery can be recharged via USB, making it easy to charge and use. The flashlight also has a built-in LED indicator to show you the remaining battery level, so you can easily know when it's time to recharge.
- Waterproof Flashlight: Our flashlight is waterproof, making it ideal for outdoor activities such as camping, hiking, and fishing. It can withstand water splashes and rain, so you can use it in any weather condition. The flashlight also has a durable construction, so it can withstand drops and bumps.

About this item

- SUPER BRIGHT : With advanced P70 light chips, our spotlight at high lumens is expert in providing dazzling bright light, whose irradiation distance reaches 2624 feet (800m), satisfying all your needs for brightness for different occasions.
- LARGE CAPACITY BATTERY & POWER DISPLAY : Powered by a 12,000 mAh large capacity battery, our LED spot light has an extremely long battery life. Once fully charged, our rechargeable spotlight can keep working for up to 14 hours in specific mode, almost a whole night! The small blue lights at the side of the LED spotlight can display the battery capacity remaining.
- POWER BANK : The situations of outdoor activities are complex and changeable. Not only inputting power, but our handheld spotlight can also output power like a power bank to help you go through the most emergent situation.
- 3+3 MODES : Our spot light has 3 main-light modes and 3 sidelight modes. The 3 main-light modes are Strong Light, Weak Light, and Strobe. The 3 sidelight modes are Strong Light, Weak Light, and RED-BLUE Strobe. Taking our spotlight flashlight as a warning light is also practicable!
- EXTRA ACCESSORIES : Come and order our boat spotlight right now and get extra accessories, more than a spotlight only. We offer 3 color lenses to change the color of the light according to your need, a tripod to align and steady the spot light, and a Type-C Cable to charge it.

About this item

- 1000,000 LUMEN OUTPUT: The spotlight flashlight offers an exceptionally bright 1000,000 lumens beam, capable of illuminating large areas of up to 200 square meters and projecting an incredible distance of 6,000 feet, making spotlight the ideal choice for outdoor activities, camping, and home use
- WATERPROOF & IMPACT RESISTANT: The led spotlight is both durable and weather-resistant. This outdoor handheld spotlight is IPX6 waterproof, perfect for use in any environment, whether it's rain, snow, or extreme temperatures. The high-strength ABS body with a silicone protective cover ensures maximum durability, and the sturdy construction can withstand drops from up to 4 meters
- 18H LIGHTING & POWER BANK: Built-in 10800 mAh batteries, our high lumen spotlight give you up to 18 hours lighting on lower settings, 10 hours lighting on higher settings. An output port built into the spot light can be used as a power bank to charge your devices in emergency
- 8 LIGHTING MODES: Sigoobal outdoor spotlight with 8 lighting modes: Front light (High -Medium- Strobe), Side light (High-Medium-Low-Red light-Red warning light). There is also an additional emergency red light that can be separately turned on for use
- 4 HOURS FAST CHARGING: With USB charging technology, faster charging speeds, recharge in just 4 hours. Compatible with any USB charging port, you can charge this rechargeable spotlight at home or in car. The LED display shows the Battery level(25%, 50%, 75%, 100%) and can help you check the status of the powerful spotlight. (No solar charging)
- MORE FUNCTION: The emergency light can be used as an adjustable stand for hands-free illumination, functioning like a work light. The removable red, blue, and yellow filters are ideal for hunting lighting. The ergonomic grip ensures easy operation, and the lightweight body makes it convenient to carry
- BUY WITH CONFIDENCE: We're here to help you anytime. If you experience any issues with our handheld spotlights, don't hesitate to contact us. We offer a 24-hour solution and 2-year warranty service to ensure your complete satisfaction with your purchase

Material	Aluminum

About this item

- 990,000 HIGH LUMENS FLASHLIGHTS: Rechargeable high lumens flashlights are equipped with ultra-bright LED chips, capable of emitting 990,000 lumens on the highest power setting, its irradiation distance can reach 5000 ft. This bright flashlight consists of the main light and working light to achieve two types of illumination. It can be easily used in various situations such as camping or hunting
- USB INPUT & POWER DISPLAY: The built-in USB input port makes it easy to charge the rechargeable flashlight with the included USB cable. The four blue lights above the switch each represent about 25% of the power, making it easy to keep track of your charge. (Note: Please make sure their v0ltage is under 5V, Otherwise it will damage your led flashlight.)
- 7 LIGHTING MODES & ADJUSTABLE: Super bright flashlight has 3 main light modes:(high, medium, strobe), Suitable for camping, hunting, etc. Quickly press the on/off button twice to switch to the 4 sidelight modes (high, medium, red light, red flashing light), which can be used as a work light or warning light. The head of the powerful flashlights adjusts the focus to switch to spot or wide range illumination mode and it can quickly and accurately help you detect the field of vision
- IPX6 WATERPROOF & STRONG ALUMINUM ALLOY: The body part of the high powered flashlight is made of aviation aluminum alloy, which can withstand the impact of falling from a height of 10 inches. Equipped with IPX6 waterproof technology, it is easy to use even in heavy rain or snowy days. The brightest flashlight comes with a large capacity rechargeable BATTERY, which can work for 10 hours in low mode, a wonderful flashlight for hurricane season, and power outages
- WARRANTY SERVICE: SKNSL flashlight team offers 60 days return for exchange or refund and a 2-year warranty. We provide lifetime customer service and tech support. if you would have any questions about the led flashlights, we will try our best to make things right for you feel free to contact us. We focus on each customer's experience and look forward to your choice

About this item

- SUPER BRIGHT & LONG RANGE: The flashlights high lumens rechargeable adopts a high-efficiency LRI(Long Range Illumination) LED chip with a maximum output of 100,000 high lumens, a wider range of illumination, a longer lighting distance up to 3,280FT(1,500m). The service life is up to 90,000 hours. Produces light that is more focused, brighter and farther than the XHP70.2, XHP90 traditional rechargeable Led flashlight，also no "fence" to prevent you from seeing distant objects clearly.
- 2-IN-1 DESIGN& HANGING RING: With the 360° COB light, you have a camping lantern and a flashlight. Save your money! Built-in strong hanging ring, make your hands free. You can hang it from a tent, carry it with you, or stand it on a flat surface, the ground, or a table. Multifunctional use! Perfect for camping, hiking, night walking, and indoor use, and can also be used for emergencies such as a hurricane, snow storm, or power outage.
- 7 MODES & TELESCOPIC ZOOM: This Rechargeable led flashlights have 7 lighting modes: High/Low/Strobe/SOS/COB High/COB Low/Main Light+COB Light(turn on together). 2 switches control the main light and COB flash light respectively. This high lumen tactical flashlight has adjustable focus design, easily change between floodlight and spotlight. Tips: Press 3 second to turn off the LED flashlight at any mode, no need to cycle through all mode.
- USB C FAST CHARGE & POWER BANK: Fast charging in just 4-5 hours with our 1A TYPE-C cable. Easily know the battery level- Green light when fully charged, red light when almost out of power. Our high lumens rechargeable flashlight can be used as a backup mobile power source with a 5000 capacity power bank, which can be our life-saving tool in emergency situations, giving you peace of mind even if your phone is running out of power A cost-effective home tool! A must-have for your toolbox!
- IPX5 WATERPROOF & FAST HEAT DISSIPATION - By using rubber, the flashlight USB interface's battery cover waterproof density were improved, the waterproof flashlight used premium aviation aluminum shell had IPX5 Waterproof. The high powered work flashlights can quickly remove heat within 5mins by the shark cooling concept!

About this item

- 【990000 LUMEN LED FLASHLIGHT】: Sunitact ST1476 flashlights high lumens built-in advanced XHP70.2 LED chip, with a powerful 990000 lumens output, providing you the great light world you want, easily illuminates a 120 square meter room. we even can focus on objects up to 1000FT away, about the length of 3 football fields! And we can put all the parts in the gift box for easy carrying and storage. In additional, this bright flashlight is also an ideal gift for our friends or family.
- 【USB RECHARGEABLE AND POWER INDICATOR】: This rechargeable flashlights can provide up to 12 hours of runtime, with upgraded overcharge protection, it can be charged by usb cable(included). The flash light will stop charging when it fully charged, so that we don't need worry about the safety when we forget the flashlight is in charging. It can also charge the phone in an emergency. The power indicator above the flashlight helps you clearly understand the flashlight power (25%, 50%, 75%, 100%).
- 【ADJUSTABLE AND 5 LIGHT MODES】: This flashlights high lumens rechargeable has 5 lighting modes: High-Medium-Low-Strobe-SOS. According to our needs, we can stretch the head of the handheld flashlights to adjust the focus, freely choose long-distance observation and wide-range lighting. It is very suitable for camping, hiking, dog walking, fishing or any outdoor activities and emergency power-off backup. Long press for 3 seconds to turn off the light, no need to cycle all light modes.
- 【IP67 WATERPROOF AND PRACTICALLY INDESTRUCTIBLE】: Sunitact ST1476 IP67 waterproof LED flashlight is designed for rough handling. High-quality aerospace-grade aluminum alloy body protects the led flashlight rechargeable from rust or being scratched. After tests including freezing, underwater immersion and running over with a full-size truck and 10-foot drop, it still works! This high powered flashlight is durable enough in any situation, especially in rain, snow or emergency situations.
- 【FULL FLASHLIGHT KIT】: What you get: 1 x Sunitact ST1476 LED Flashlights High Lumens, 1 x USB charging cable, 1 x Lanyard and Flashlight holster, 1x Operating instructions and Gift box. We have carefully checked all flashlight rechargeable before shipment and ensured that the products are working properly. Most importantly, we provide 7*24 hours customer service. If you have any questions, please feel free to contact us.

About this item

- 【FLASHLIGHTS HIGH LUMENS 990,000】Sunitact ST1695 flashlight is equipped with an ultra-bright upgraded XHM77.2 chip, which can reach a maximum brightness of 990,000 lumens. Since the light penetration is stronger than other lamp beads', its beam can pass through the dust and fog well, comparable to car fog lamps, especially suitable for foggy days and rainy days with low visibility. This led flashlight can easily illuminate an 2160-square-foot room or focus on objects up to 3938 feet away.
- 【LCD POWER DISPLAY | USB INPUT | USB OUTPUT】This rechargeable flashlights has been newly upgraded with the unique LCD power percentage display, at a glance, you can always grasp the remaining power. As well, this flash light has been completely improved to shorten the charging time and extend the service life, which can provide up to 12 hours (Low mode) of powerful, non-diminishing brightness. Built-in usb interface, It's more convenient to charge. It can also charge the phone in emergency.
- 【UPGRADED 5 MODES & ZOOM FLASHLIGHT】The brightness of 5 modes(High/Medium/Low/Strobe/SOS) changes gradually instead of changing instantly, which can avoid the sudden irritation to the eye, therefore it can protect our eyes. The smooth current transition system can also better protect super bright flashlight components, thus extending the service life. By pulling and pushing the head of the flashlight, the functions of large-area floodlight and concentrated long range spotlight are realized.
- 【395NM BLACK LIGHT FLASHLIGHT】ST1695 flashlights comes with a UV blacklight flashlight, which emits 395nm wavelength with 12pcs UV bulbs. The 12pcs UV bulbs emit brighter light and last longer than other 9pcs UV bulbs. Lifespan up to 15 years. It is perfect for detecting what naked eye can not see, like dog and other pet urine/stains, driver license, official ID cards, passports, customs or authenticate currency. It's ultra-lightweight and portable, you can keep in your pocket or elsewhere.
- 【IP67 WATERPROOF & PRACTICALLY INDESTRUCTIBLE】The flash light high lumens is made of aviation grade aluminum alloy, which is durable and not easy to rust. The strong fuselage means excellent shock resistance(up to 10 feet impact) or even ran over by a truck (10T), it still works! Built-in high tenacity seal rubber waterproof ring, the light rain and fog is not a problem, even it can guard you well in the harsh environment, perfect for emergencies, camping, fishing etc. outdoor activities.
- 【PACKAGE LIST & AFTER-SALES SERVICES】What you will get : 1x Sunitact ST1695 powerful flashlights, 1x UV blacklight flashlight, 1x Powerful battery and USB charging cable, 3x AAA Batteries, 1x Lanyard and holster, 1x Manual and Gift box. You will be pleasantly surprised by the brightness, quality, longevity and performance of the flashlights high lumens battery powered. If you have any questions about the usb flashlight, please feel free to contact us. We will be happy to answer your questions.

About this item

- 【990000 LUMENS SUPER BRIGHT FLASHLIGHT】Sunitact ST1007 flashlights high lumens adopts the most advanced XHM90.2 LED chip, providing a much more stable light source and stronger light penetration than other lamp beads in market. The impressive output can pass through the dust and fog well, comparable to car fog lamps, suitable for any situation with low visibility.A 2160-square-foot room or objects up to 3937 feet away can be illuminated easily. It's ideal gift because of its unique design style.
- 【RECHARGEABLE FLASHLIGHTS|LCD DISPLAY|USB OUTPUT】The bright flashlight features the LCD digital display, which is a revolutionary innovation in flashlight history. At a glance, you can get the remaining power and always know when to charge. Since internal structure has been upgraded and optimized, flash light delivers a stunning runtime of 12 hours(low mode). Comes with the USB-C charging cable, allowing you to charge the flashlight more conveniently. It can also charge the phone in emergency.
- 【5 LIGHT MODES | ADJUSTABLE FOCUS】The brightest flashlight has 5 modes to choose from including 3 standard modes(High/Medium/Low) for different lighting requirement and 2 special modes(Strobe/SOS) which ensures that you are ready for emergencies. In any mode, you can give the button a press and hold for 3 seconds to turn off the LED flashlight. Combining high-quality convex lens optical principle, flashlight provides longer range output in spotlight and wider field lighting in floodlight.
- 【IP67 WATERPROOF & DURABLE】The flashlights for home is made of aviation grade aluminum alloy, ensuring extreme durability. The strong fuselage means excellent shock resistance (up to 10 feet impact) or even ran over by a 5 tons truck, it still works! With multiple waterproof and sealing treatments, dustproof and waterproof performance can reach the IP67 level. It can easily cope with extremely harsh environments such as heavy rains and sandstorms. It is a reliable lighting companion for us!
- 【UPGRADED GREAT VALUE LED TORCH KIT】Flashlight kit includes: 1 x Sunitact ST1007 USB flashlight, 1 x Rechargeable battery, 1 x USB-C cable, 1 x Lanyard, 1 x Operating instructions. You can use flashlight for home, camping, hiking, emergencies. We offer 7/24 hour customer service. Any further questions about ST1007 flash light, please feel free to contact us. We will be happy to solve your questions.

About this item

- 【990,000 LUMEN LED FLASHLIGHT】The Super bright flashlight has powerful output of 990,000 lumens. And this high lumens led flashlight is equipped with the newly upgraded XHP70.2 LED chip, which is stable and super bright, 10 times brighter than the normal led flashlight. The Goreit G9322 led flashlight can light over the length of about 2.5 football fields. This bright flashlight is perfect for police, hiking, camping, fishing, emergencies and also an ideal gift for men.
- 【UPGRADED USAGE TIME & USB INPUT | USB OUTPUT】The rechargeable flashlight has been completely improved to shorten the charging time and extend the service life. The working time is up to 10 hours on low mode. Built-in usb interface, It's more convenient to charge. Through USB output design, the flashlight can be used to charge the mobile phone or other electronic digital products. If the indicator of the switch gets red, please charge it in time.
- 【IMPROVED SWITCH | ADJUSTABLE FOCUS | 5 LIGHT MODES】Improved switch design, you need press and hold the switch for 3 seconds to turn the high powered flashlight on, which can effectively prevent the led flashlight from accidentally lighting when it is inserted into the pocket, otherwise the power will run out and cannot be recharged any more.This high lumens flashlight has 5 light modes (High| Medium| Low| Strobe| SOS). Wide to narrow-beam zoom makes it ideal for Emergencies camping, hiking.
- 【IP67 WATERPROOF & PRACTICALLY INDESTRUCTIBLE】Goreit G9322 handheld flashlight is made of aerospace grade aluminum alloy and build for rough handling. This IP67 waterproof high powered flashlight can survive a 10-foot drop or being temporarily submerged under water. This powerful flashlight can even be frozen or run over by a truck and it still works! It is very suitable for use in rain, snow, or emergency situations.
- 【EXCELLENT PRICE-PERFORMANCE RATIO】What you get: 1 x Goreit rechargeable flashlight, 1 x USB charging cable, 1 x lanyard, 1 x operating instructions. We can use this super bright flashlight for camping, hiking, fishing, running, power outages, walking with the dog, emergencies, search and rescue operations and the general household use, etc. We offer 7 * 24-hour customer service. If you have any questions, do not hesitate to contact us.

About this item

- 【2,000,000 Lumens Rechargeable Handheld Spotlight Flashlight】 2,000,000 high lumens super bright Led spot light uses upgraded aggregated LED chips. The Max beam distance is up to 1300 meters (4265 feet). The powerful spotlight provides a super bright light in the night.
- 【4 Light Modes & IPX5 Waterproof】 There are 4 modes of Uhanciny rechargeable spotlight: High, Medium, Low, Strobe. You can switch an appropriate lighting mode as your needs. This IPX5 waterproof battery spotlight can work well in severe outdoor weather conditions, such as rain and snow. But don't put it in the water directly.
- 【Large Rechargeable Power & Emergency Power Bank】 Built-in 10000 mAh rechargeable lithium-ion battery set, the rechargeable battery operated flashlight working time is up to 8 hours of light on low. It can be charged by power bank, USB plug, etc, with the USB charging cable. But also used as emergency smartphone power bank. You can see the remaining power at the power indicator light.
- 【Rotatable & Removable Tripod】 Large handheld flashlight comes with an adjustable tripod, you could handhold the spotlight or stand it with the tripod. The tripod suitable for your repairing work, fishing, hiking, and camping. The non-slip handle is great for searching, exploring, and climbing, etc.
- 【Lightweight】 This durable hand held spotlight adopts high grade ABS plastic and polycarbonate material, which offers a durable and lightweight frame. It is an ideal spot light outdoor handheld for hiking, camping, repairing, hunting, and fishing.
- 【Great Value Powerful Flashlights & Customer Service】 What you will get: 1x high powered spotlight with built-in battery set, 1x USB charging cable, 1x Tripod, 2 years quality warranty. If you have any questions or problems about the rechargeable led spotlight, please feel free to contact us. Our service team are happy to answer and solve.

About this item

- 【500% Brighter Than Car Light】Lylting Super Bright LED Flashlight adopt germany imported Top P70 LED chips, 990,000lm, 8000K cool white. Super wide angle, the upgraded p70 led flashlight brightness is 5 times than your car light, can shine 200 square meters, easily illuminate the whole mountain.
- 【High-Quality Battery & Power Display】Lylting high lumens flashlight comes with a 10000 mAh rechargeable high-quality Battery, which can provide up to 12 hours of powerful, non-diminishing brightness. In addition, four-speed led power indicator, real-time monitoring of the remaining power of the led flashlight, timely charging and discharging to ensure the life of the flashlight.
- 【USB Charging Flashlight】Lylting rechargeable flashlight with Type C port and usb cable, which can be connected to laptops, wall sockets, car chargers and power banks and other devices with USB interfaces for charging the flashlight.
- 【5 Modes & Adjustable Head】Lylting High power flashlight can easily change 5 lighting modes (High/MediumLow/SOS/Strobe) just by pressing the lighting switch, no need to cycle through all modes, long press to turn off all light modes. Just gently stretch the head of the flashlight, you can easily switch back and forth between wide and narrow beams, greatly improving the efficiency of work at night.
- 【Solid Build & Enduring】Lylting Heavy duty rechargeable flashlight body is made of hard anodizing aircraft grade 6063 aluminum alloy with a hardened anodized finish, the handle has non-slip stripes and tail rope design for firm grip. High strength pressure-resistant makes the led rechargeable flashlight will not damage even if the truck presses over its body.
- 【Water Resistance & Versatile】Thanks to IPX7 waterproof design, this enduring flashlight can well adapt to extreme weather conditions, ideal for outdoor and indoor use such as camping, hiking, fishing, dog walking, power outages, household use or as emergency lighting.
- 【Excellent Price Price Performance Ratio】What you get: 1x Lylting 990,000LM Super Bright LED Flashlight, 1x 10000mAh Rechargeable Battery, 1x Battery Charger, 1x USB Charging Cable, 1x Flashlight Lanyard,1x English User Manual. It is recommended to keep one in your car, at home, or give one to family and friends.
- 【Buy With Confidence】Try it and you will love it. Super Bright Led flashlight has 2 years of free replacement service and 7*24-hour customer service. If you are not satisfied with our product, please feel free to contact our excellent customer support team.

- 【990,000 Lumens Flashlight】High lumens Led flashlight is aligning the high-end P50 technology chip and the light source is much more stable. Emit up to 900,000 lumens of light, It was 30 times brighter than a regular led flashlight, can easily illuminate an 200-square-foot room or focus on objects up to 5000 feet away. rechargeable flashlight is the best gift for friends and family.
- 【5 Modes & Telescope Function】Super bright multifunctional flashlight has 5 modes: High/medium/low/strobe/SOS. All modes are controlled by one switch. Short-press the switch to switch the mode, and long-press the switch to turn it off. We can stretch the head to change the focal length and beam size, it has more powerful long range in spotlight and a wider field in floodlight. enduring flash light with multiple lighting methods can effectively cope with complex environments at night.
- 【Large Battery &15 Hours Using Time】Rechargeable flashlights, built-in 2750mah rechargeable high-capacity Battery, if fully charged, can be lighting for 15 hours in low modes, illuminating the entire room or camp. With 4 bar power display(25%,50%,75%,100%), you can always keep an eye on the surplus power. Suitable for hiking, camping, fishing, cycling, reading, boating, repairing cars, etc.
- 【Rainy Day Preferred】 Enduring led flashlight rechargeable is made of aviation grade aluminum alloy and high tenacity seal rubber waterproof ring sealed design, achieving IPX6 waterproof and shatter-resistant. Our led flashlight light beam is longer than other led flashlight beam, its has a stronger penetration, the beam can pass through the dust and fog well, especially suitable for foggy and rainy days with low visibility.
- 【Practically Indestrutible】The flashlight rechargeable is extremely enduring, with a rugged, anodised, impact-resistant aviation aluminum housing designed for rough handling. The strong fuselage means excellent shock resistance (up to 10 feet impact) or even ran over by a 5 tons truck, it still works! Ensuring it can operate fully even in the harshest conditions.
- 【Two-Year Warranty】You will be pleasantly surprised by the brightness, quality, longevity and performance of the high powered flashlight. If you have any high lumens flashlights problems, such as not working, lack of accessories, broken package, please feel free message us via Amazon, has TWO-year replacement policy for your worry-free use.

About this item

- High Brightness & Anti-Glare: Our bike lights offer high brightness that will immediately improve your visibility and safety, you will be shocked and amazed at how bright it is! When you ride in the dark, there is a large area of light in the distance and nearby, and the brightness even gives you a clear vision while riding. The anti-glare optical design allows you and others to drive safely at night.
- 4400mAh and Rechargeable Function: High capacity battery with up to 12 hours of battery life,fearless night driving, enough for your outdoor riding needs. Offers 4 lighting modes:low beam (12 hours),standard brightness (8 hours),medium brightness (6 hours),maximum brightness (5.5 hours) and tail light(45 hours of battery life).In addition,with its battery function,it can be used as a backup power source to charge your phone when you are outside and your phone's battery is discharged.(Type C)
- Grade Military: The bike light is made of high quality aluminum alloy, which has excellent impact resistance, heat dissipation and corrosion resistance, which greatly extends the life of the bike light. The aluminum housing is also covered with a layer of PC plastic to protect the bike light in case of accidental protection for bike lights.

About this item

- Powerful Long Beam Flashlight: The flashlights high lumens rechargeable adopts a high-efficiency LRI(Long Range Illumination) LED chip with a maximum output of 100,000 lumens . It is more focused, brighter and farther than the XHP70.2, XHP90 LED flashlights, also no "fence" to prevent you from seeing distant objects clearly. Strong focus, long beam up to 3280FT, breaking through rain, fog and darkness, easily locking the target. Suitable for field search, positioning, maritime rescue and hunting.
- Faster USB C Rechargeable: Just twist the head to uncover a hidden TYPE-C port for fast charging. Only need 4-5 Hours to get the fully charged. The flash light rechargeable usb with the power display(25%,50%,75%,100%) to see the power status at a glance. Upgraded version of overcharge protection- The flash light will stop charging when it is fully charged to ensure the safety of household electricity.
- Adjustable modes: The high lumen rechargeable flashlights has 5 modes: High, Medium, Low, Flashing, SOS. Long lasting up to 20 Hours in low mode, service life can reach to 200,000 hours. The super bright led flashlight can be turned off directly after staying in any mode for 10s, without cycling all modes.
- Extremely Helpful: Made of high quality aluminum alloy, the tactical flashlight is fast heat dissipation, IPX5 waterproof grade and can withstand a drop of 6 feet. Zoomable - Adjustable focus design help it retract from a large area floodlight to a focused spotlight. With its narrow and almost no spill LRI beam, effortlessly provides visibility in excess of 1000 yards. The small flashlight powerful is the good assistant for walking the dog, patrolling at night.
- Highly Compact: This brightest pocket flashlight with the detachable lanyard fits easily in pockets, backpacks, and ensures easy storage and quick access. With a size of 6.49*1.57*1.29 IN and a weight of 0.5 LB, it is ideal for using at home, walking the dog or repairing, and is a must-have for outdoor, camping and hiking activities.
- Great Value: This usb rechargeable waterproof flashlight package includes 1* LRI Handheld Long beam Flashlights, 1*Hand Straps(Bonus Accessory), 1*Operation Guide, 1*Type C Cable, 1*AAA Tube.

About this item

- 【Flashlights High Lumens & Long Range】WindFire flashlights high lumens rechargeable is equipped with an upgraded 20W LED chip, to produce up to 990000 lumens brightness. High powered flashlight has a feature of high brightness and ultra long beam, can easily illuminate the whole room and backyard, can also clearly focus on objects up to 3280ft away. Bright flashlight focuses as a circular spot, not a grid light, providing you with perfect brightness and clarity. Ideal for emergency, home, outdoor, camping, hiking.
- 【Rechargeable Flashlights USB C & USB Output Function】LED flashlights high lumens built-in USB C input interface and USB output interface. Powerful flashlights can be charged through power bank, socket or laptop, convenient for indoor and outdoor charging. With USB output port, tactical flashlight can be used as power source to charge your phone in an emergency. Flashlights high lumens battery powered equipped with 3000mAh battery, can work for 3-8 hours on a single charge, only take 4 hours to fully charge.
- 【Upgraded LCD Digital Display & Newest Luminous Design】Rechargeable flashlights high lumens is equipped with newly upgraded LCD power percentage display shows remaining battery power exactly, you can easily and accurately know the remaining power of the brightest flashlight. Different with others, the powerful flashlight rechargeable is inset 6pcs of fluorescent strip on the head, it can light up with different colors in dark, looks beautiful and quite cool.
- 【5 Lighting Modes & Zoomable Flash Light】Flashlight rechargeable has 5 lighting modes: High, Medium, Low, Strobe, SOS, meeting your various lighting needs. Short press the power button to switch modes, long press for 3 seconds to turn off the flash light directly in any mode. According to your needs, you can stretch the head of flash light high lumens to change the focal length and beam size, and freely choose long-distance observation spotlight and wide-range lighting floodlight.
- 【IPX6 Waterproof & Sturdy】Tactical flashlights high lumens built-in high tenacity seal rubber, can reach IPX6 waterproof level. The waterproof flashlight can be used in heavy rain, snow, and other harsh weather conditions. Handheld flashlight is made of aviation grade aluminum alloy, anti drop and shatter-resistant, so you don't need to worry about dropping the edc flashlight and damaging it. With head cusp design, pocket flashlights high lumens can be used as safety hammer.
- 【WindFire Flashlight Package & Excellent Services】Package contents: 1* 20W LED rechargeable flashlight, 1* rechargeable battery, 1* type-c charging cable, 1* carrying lanyard, 1* instruction manual and 1* box. If you have any flash lights using problems, such as not working, lack of accessories, broken package, please feel free contact us via amazon, WindFire has one-year replacement policy for your worry-free use.

About this item

- 【100000 Brightest Flashlight】Rechargeable flashlights use a super light gathering XHP70 led wick, can generate up to 100000 lumens light output, maximum Irradiation distance is about 1640 feet. which is stable and super bright and provides incredibly powerful lighting. It is very suitable for camping, hiking or any outdoor activities and emergency power-off backup.
- 【5 Modes & Zoomable】Emergency flashlight has 5 lighting modes by high/medium/low/strobe/SOS. We can stretch the head of the bright flashlight to change the focal length and beam size, spotlight for long-range observation, and floodlight for large area illumination. Deep press 2-3 seconds under any mode to turn off without cycle through all modes.
- 【USB Charging & Reverse Charging】Tactical flashlight comes with USB charging cable that can be powered through a computer, car charger, adaptor, power bank. This powerful flashlights high lumens rechargeable has an output function, can be as an emergency power supply for mobile phones, or other devices for charging, bringing you more convenience for your outdoors.
- 【Durable Build】High powered flashlight built-in 1 AAA batteries high-capacity, our small flashlight provides hours of reliable illumination. The USB charging port has built-in reverse connection protection, overvoltage protection, and short circuit protection design, not only is it convenient for you to charge the flashlight, but it also increases the lifespan of the flashlight.
- 【Unique Design】This super bright led flashlight is made of high-quality aluminum alloy, which is thick and sturdy, protecting your heavy-duty flashlights from scratching, corrosion, rust, and break. The head allows for better light-gathering and the body grid design for deeper slip resistance.
- 【IPX6 Waterproof】IPX6 waterproof flashlight is made of high-quality materials and has a waterproof rubber ring, it is waterproof, anti-slip, and impact resistant. Note, please do not submerge this hiking flashlight directly into water or discard the dust cover of the charging port as these may directly damage the camping flashlight. It is very suitable for use in rain, snow, or bad weather outdoor activities situations.
- 【After-Sales Sevices】If you have any questions about the powerful flashlights, please be sure to tell us first, we have professional after-sales staff within 24 hours to provide you with absolutely satisfactory solutions. Don't get caught in the dark - order your 5 Modes & Zoomable Flashlight today!
- 【Best Gift】2 handheld flashlights, 2 USB-C cables, 2AAA Battery Holder, 2 White Battery Tubes, 2 lanyards, these flashlight rechargeable will be the best outdoor activity gift for father, mother, husband, son, boyfriend on Father's Day, Valentine's Day, Easter, Halloween, Thanksgiving and Christmas.

About this item

- 【Powerful flashlight & Bright flashlight】: High powered flashlight Built-in advanced XHP70 LED chip,with a powerful 990000 lumens output, its beam can pass through dust and fog well, especially suitable for foggy and rainy days with low visibility. It can light up a room up to 2000 square feet with ease. We can even focus on objects up to 1500 feet away, about the length of 3 football fields! A good flash light high lumens is also a perfect gift for friends and family
- 【Upgraded USB Fast Rechargeable】This led flashlight is equipped with USB ports. You can charge in various ways, such as mobile power supply, power bank or car charger. The small flashlight can be charged and output more than 50000 times, and the charging device has a built-in intelligent chip, which passed the strict UL test to ensure safety
- 【5 Modes & Adjustable Focus】This high powered flashlight has 5 modes (High/Medium/Low/Strobe/SOS) with gradual changes in brightness instead of immediate changes, which can avoid sudden eye irritation, thus protecting our eyes. The smooth current conversion system can also better protect the flashlight chip, thus prolonging the service life. We can stretch the head to change the focal length and beam size, it has more powerful long throw in spotlight and wider field of view of floodlight
- 【Multiple Usage Scenarios】This flashlights high lumens rechargeable built-in high tenacity sealing rubber waterproof ring, suitable for rain, snow or other bad weather. Waterproof, non-slip, and compact design makes it a led rechargeable flashlight for all outdoor activities, camping, hiking, fishing, hunting, biking, or experiencing a power outage. A powerful emergency flashlights rechargeable. The high powered flashlight will light your way through any adventure
- 【The Perfect Gift】Struggling to find the ideal gift? Look no further. Surprise your loved ones with this bright flashlight for Valentine's Day, Father's Day, Halloween, Thanksgiving, or Christmas. It is the ultimate gift for parents, boyfriends, sons, neighbors, or anyone who loves the great outdoors. Get yours now and illuminate their world

A dedicated integrated-circuit and intelligent illumination driver ensure consistent lighting everytime you turn on the LED spotlight.
- A rechargeable flashlight with serious lasting power-up to 20 hours: Stop searching for batteries that are never there when you need them. Our handheld spotlight features 3 long-lasting, built-in rechargeable batteries(10000mAh).It can provide you with up to 20 hours of lighting time and can be recharged over 1000 times. An output port built into the bright flashlight can be used as a power bank to charge your devices in emergency.
- IP67 waterproof, impact resistant and portable: Our waterproof spotlight is IP67 waterproof up to 3ft deep, and floats to the surface of the water. And this spot light was made from tough, impact resistant ABS and polystyrene to protect the system from drops and bumps while in use. Added adjustable stand and red lens, it is a perfect lighting tool for hiking, camping, sailing or hunting.
- A revolution about charging: Our spotlight flashlightabandon the original charging mode, Using the latest generation of USB-C charging technology, the charging time is shortened from 10 hours to 4 hours. Compatible with various charging methods, you can charge this high power flashlights at home or in your car (charging adapter is not included).
- Lifetime Guarantee & 24-Hrs online after-sale service: Despite our best efforts, we still can't guarantee that our handheld spotlight are 100% no trouble. We feel very bad about it and are actively working on solutions. If you receive a defective spot lights, contact us and we will immediately send you a replacement unit. NO RETURN REQUIRED. And don't worry about that the return window was closed.

About this item

- Powerful Spotlight. Powerful XHP-70.2 LED Bead 5 Brightness Settings: High (1000,000 lumens), medium (50,000 lumens), Low (20,000 lumens),COB Flash and SOS mode (long press for 3 seconds). At 100,000 lumens. The 550-yard lighting range is significantly brighter than many high-priced spotlights or flashlights. Removable red cover. The white background is used for general lighting and the red background is used for finding animals.
- Added high brightness COB lamp beads. High temperature silicone, aluminum substrate is more heat resistant, light is not harsh, so that you can get brighter and wider Angle lighting in camping and working environments.
- IP67 Waterproof . Prevent water from splashing from any Angle. Suitable for outdoor environments and inclement weather conditions. If you accidentally drop it in the water while hiking, camping, or hunting, don't worry - it's IP67 waterproof, up to 3 feet deep, and floats on the water, so it's easy to retrieve.
- 100% Lifetime Warranty We do our best to ensure product quality and provide you with lifelong customer service. If you have any problems with the use of the spotlight, please contact us via after-sales email. And please don't worry about Amazon return window closing, please contact us, we will help you solve this problem. Click Add to Cart and now get your best flashlight
- Impact Resistant. Made of tough, impact-resistant ABS and polystyrene to protect the system from drops and bumps during use. High-strength ABS housing with silicone protective housing ensures maximum durability and a rugged body withstands drops from up to 10 feet

About this item

- Flashlights High Lumens: LNRYY rechargeable flashlight is equipped with an ultra-bright upgraded LED chip, which can reach a maximum brightness of 990,000 lumens. The bright flashlight can light up to 1000ft² area or 1500ft distance to meet various lighting needs, such as camping, hiking, home, emergencies
- Adjustable Focus & 5 Working Modes: Adjusting the focal length of the flashlight can change the size of the beam, so that you can switch the long-distance observation function and wide-range lighting function. The flash light is set up with 5 working modes - High / Medium / Low / Strobe / SOS, can be used to adapt to different occasions
- Rechargeable & Power Display: With a large-capacity battery and a fast-charging Type-C interface, the rechargeable flashlight can be fully charged efficiently and work for 8-12 hours in different lighting modes. In addition, four power indicators can clearly show the battery level of the rechargeable flashlight
- Waterproof & All Aluminum: The sealed design of the tactical flashlight makes it have good waterproof performance and can be used in bad weather such as rain and snow. Made of high-quality aviation grade aluminum alloy, the flashlight has good heat dissipation and impact resistance, and is very practical and resistant
- LNRYY Flashlights Package: The flashlight kit includes a 2* led flashlight, 2* rechargeable battery, 2* type-c charging cable and 1* color box. If you have any problems with flash lights, such as not working, not charging, lack of accessories, please contact us via amazon

Color	Black
Power Source	USB C Charging & Battery Powered
Light Source Type	LED
Material	Aluminum

About this item

- [2024 Newest & Super Bright & Long Range] The EG0770 rechargeable flashlight high lumens is made of updated PH-L330 LED which has the advantage of high brightness, long range, high concentration, high penetration etc. The highest brightness can be up to 1000000 lumens. It can illuminate an object up to 3280ft or a room of 1000 square meters. It is ideal for camping, hiking, night walking, work or any emergencies especially suitable for foggy and sandstorm days with poor visibility.
- [Long Lasting with Improved Digital Power Display & Waterproof] The super bright flashlight rechargeable is equipped with a 1pcs high capacity rechargeable battery, it can provide 5-10 hours of strong, non-decreasing brightness. It is equipped with an LCD display, it shows the remaining power exactly as percentage numbers, you know how long it will take and charge it on time. Since the body is made of aluminum alloy and high sealing performance, it is quite strong and shockproof,there is no problems to use it in rainy days or snow days.
- [Multifunctional 2-In-1 USB Input & Output] The high powered flashlight rechargeable is built-in a USB C charging interface and a USB discharge interface. Because it is built into a smart chip that has overcharge protection. The loading time is fast and quite safe. It supports various USB devices such as USB socket, laptop or other USB devices whether indoors or outdoors. It can be used for emergency to charge your telephone or earphone.
- [Brightness & Focus Adjustable, Latest Luminous Design] Depending on your needs and environment, you can adjust the brightness or focus. Press the button to switch the light modes, long press for 2s to switch off directly in each mode. There are five modes: high-middle-low-strobe-SOS. Unlike others, the latest is 12pcs luminous strip is inserted, it can glow with different colors in the dark, with compact handheld size, it looks beautiful and pretty cool.
- [Gift Packing & Excellent Customers Service] You will receive 1x powerful flashlights high lumens, 1x Mini Flashlight, 1x Rechargeable Battery, 4x AAA Alkaline Battery, 1x USB C Cable, 1x Gift storage Box. We provide high quality products and the best customer service as our goals. We have tested each item before shipping and confirm that each is working properly. And we are online around the clock, please do not hesitate to contact us the first time if you have any questions about our products.

About this item

- 【Great for Safe Night Riding】The bike lights are designed for safe night riding, featuring 6pcs TG3 LED beads that boost the lighting range by 50%. Equipped with a 10000mAh battery, they can provide 1.5 to 3 hours of use at full charge. The bicycle headlight offer 4 modes, ensuring brightness to illuminate the path ahead and enhance overall safety during rides
- 【Securely Fastened】Tired of bike front light shifting on rough terrain? The WSCXSC bicycle lights, with its double nut design and aluminum bracket featuring a built-in silicone cushion, ensures a secure connection to the handlebar. Say goodbye to frequent height adjustments—this design keeps the headlight firmly in place. Plus, attaching and removing both headlights and taillights is a breeze with hand operation —no extra tools needed
- 【Anti-Glare & Improved Safety】CE and ROHS certified, the rechargeable bicycle light boasts a no-glare design. This prevents dazzling oncoming pedestrians or cars while providing uniform brightness in both near and far areas. Equipped with extra taillights that ensure safe riding at 360° angles
