IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

TOKA, LLC, Plaintiff, v. MILESSTORE, et al., Defendants.	Civil Action No. **FILED UNDER SEAL**

DECLARATION OF DEE ODELL IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and/or Falsely Advertised Products and whether each of the identified Defendants will ship and/or has actually shipped such products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms AliExpress.com, Amazon.com, eBay.com, Wish.com, and Walmart.com ("the Merchant Storefronts") operating under the seller identities as identified on **Schedule "A"** of the Complaint (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, we were

able to view Defendants' products, add products to the online shopping cart, designate Pennsylvania as the point of purchase and delivery, proceed to the point of checkout, and otherwise actively exchange data with each Merchant Storefront.

4. The checkout pages or order forms for the Defendants' products confirm that each Defendant was and/or is still currently offering for sale and/or selling products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped products to Pennsylvania and other locations throughout the United States. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address.

5. True and correct copies of the detailed web listings we captured and downloaded showing the various products which are the subject of this lawsuit (listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**. As noted therein, each of the Defendants who shipped the products that are the subject of this lawsuit collected and paid Pennsylvania sales tax.

6. Once the products that are the subject of this lawsuit were shipped into and received in Pennsylvania, I reviewed each product. I determined that there were four types of advertisements (offers for sale) and three types (or variants of products). The three types of products are set forth below.

Type 1

Type 2

Type 3

7. All of the three types of products have a three prong receptacle (as shown above) and a three prong plug, as shown below.

Type 1

Type 2

Type 3

8. I was able to determine that in none of the Type 1 or Type 2 products shipped into Pennsylvania and received in Pennsylvania the ground prong in the receptacle was not connected to the ground prong of the plug. For the Type 3 products, I was able to determine that for significant majority of the shipped into Pennsylvania and received in Pennsylvania the ground prong in the receptacle was not connected to the ground prong of the plug. As shown below, the Type 1 and Type 2 products do not have a ground wire connected to the plug (they only have two wires instead of three). As shown below, in such Type 3 products the ground prong in the receptacle is not connected to the ground conductor. The defendants that shipped product into Pennsylvania in which the ground prong of the receptacle was not connected to the ground prong of the plug are included in Count III of the Complaint.

Type 1

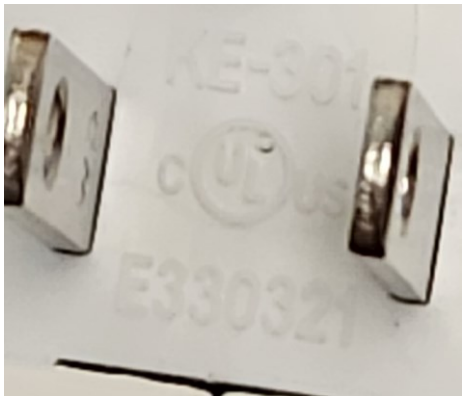

Type 2

Type 3

9. All of the Type 3 products displayed a UL listing mark on the plug portion of the products, as shown below.

I was able to disassemble this type of product and determined that the plug portion is a pig-tail. It is my understanding that pig-tails are a purchased component of an assembled product. The defendants that shipped Type 3 product into Pennsylvania where a UL listing mark was displayed on the plug are included in Count **IV** of the Complaint.

10. Certain products that were shipped into Pennsylvania and received in Pennsylvania were advertised with images of Plaintiff's EZ OUTLET® outlet extender. Yet, the products received were not Plaintiff's EZ OUTLET® outlet extender. The defendants who advertised their product with images of Plaintiff's EZ OUTLET® outlet extender are included in Count **I** (Patent Infringement) and Count **III** of the Complaint.

11. Defendants that listed ETL certification on their webpages shipped items that were not marked and did not meet the ETL certification standards.

12. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 1st day of May, 2025, at Pittsburgh, Pennsylvania.

Color	1PC
Total Power Outlets	3
Voltage	110
Special Feature	Foldable

About this item

- Adjustable & Rotatable Design: Extendable arm (22"-34") with 180° rotating base. Reach behind furniture effortlessly—couches, nightstands, desks—with vertical, horizontal, or angled placement. Perfect for tight spaces and awkward outlets
- All-in-One Charging Hub: Dual AC outlets + USB-A/USB-C ports. This electrical outlet extender can charge phones, tablets, laptops, and appliances simultaneously. The power socket expander features 5V/2.4A smart output for optimized charging speed across all devices
- Built-In Phone Ledge: Convenient shelf for hands-free charging. Securely rest your phone on the top ledge while charging. Streamline your space and avoid cluttered cords
- Easy Installation: The electric outlet expander includes damage-free hook and loop strips. Install in seconds—no tools, drilling, or wall damage. Ideal for renters and homes alike. Remove/reposition residue-free
- ETL-Certified Safety: Overload Protection + Fire-Resistant Materials. ETL-listed for electrical safety. Built with safe materials and surge protection for worry-free indoor use.

About this item

- Reach Impossible Outlets Instantly: Extend power access from 22" to 34" effortlessly! Perfect for tight spaces behind heavy furniture like couches, beds, or desks—no more struggling to plug in devices or moving bulky furniture just to charge.
- 3-in-1 Smart Charging Hub: Power up 4 devices simultaneously: 2 standard AC outlets + USB-A and USB-C ports. Fast-charge phones, tablets, and laptops while running lamps or appliances—all from one compact, clutter-free hub.
- 180° Rotating Head for Tight Spaces: Twist the adjustable head to fit awkward angles or narrow gaps. Ideal for corner outlets or crowded areas, ensuring plugs and cables stay neatly organized without bending or straining.
- USB-C Fast Charging & Universal Compatibility: Modern USB-C port delivers rapid charging for newer devices, while USB-A supports legacy gadgets. Perfect for mixed-device households or offices needing versatile power solutions.
- Space-Saving & Plug-and-Play Design: No installation required—simply plug into any standard outlet. Slim profile stays discreetly hidden behind furniture, freeing up floor space and eliminating messy extension cords.

- Electrical outlet extender 180 ° rotation design； Extendable and rotating outlet has a length of 22-34 inches and is equipped with a 180 ° rotating base. rotating outlet extender can be placed vertically, horizontally, or diagonally, making it easy to adapt to narrow spaces such as sofas and bedside tables, solving the problem of "dead corner sockets".
- Outlet extender multi in one fast charging hub;Rotating extendable outlet Integrated dual AC sockets+USB-A/USB-C interfaces, supporting 5V/2.4A intelligent output, allowing mobile phones, tablets, laptops, and small appliances to charge simultaneously, eliminating the accumulation of power strips and achieving a desktop cleanliness of 100%.
- Multiple applicable scenarios: Extendable outlet placed at the head of the bedroom bed, office desk, behind the sofa, in travel hotels, can be charged as needed, freeing up hands and avoiding wire entanglement, making it perfect for both watching TV shows and working.
- Non destructive installation plug and play;Expandable outlet Including undamaged hook and loop strips, no need for drilling/tools, and can be mounted on the wall in 3 seconds; Renting party friendly, with no residue left after removal, and the position can be adjusted repeatedly.
- Outlet extender stick overload protection;Extendable rotating outlet Through ETL security certification, using fire-resistant and flame-retardant materials, with built-in overload protection module, it can prevent short circuits and surges, ensuring worry free home use.

About this item

- Adjustable & Rotatable Design: Extendable arm (22"-34") with 180° rotating base. Reach behind furniture effortlessly—couches, nightstands, desks—with vertical, horizontal, or angled placement. Perfect for tight spaces and awkward outlets
- All-in-One Charging Hub: Dual AC outlets + USB-A/USB-C ports. This electrical outlet extender can charge phones, tablets, laptops, and appliances simultaneously. The power socket expander features 5V/2.4A smart output for optimized charging speed across all devices
- Built-In Phone Ledge: Convenient shelf for hands-free charging. Securely rest your phone on the top ledge while charging. Streamline your space and avoid cluttered cords
- Easy Installation: The electric outlet expander includes damage-free hook and loop strips. Install in seconds—no tools, drilling, or wall damage. Ideal for renters and homes alike. Remove/reposition residue-free
- ETL-Certified Safety: Overload Protection + Fire-Resistant Materials. ETL-listed for electrical safety. Built with safe materials and surge protection for worry-free indoor use.

- 【180° Rotating Extendable Outlet】This power socket can be easily rotated 180 degrees and supports vertical, horizontal or any angle placement. Extending from 22 inches to 34 inches, it perfectly adapts to your space layout and usage needs.
- 【Charge multiple devices at the same time】Integrated USB-A, USB-C interfaces and two AC sockets, the USB port supports 5V 2.4A output, easily meeting the needs of charging multiple devices at the same time, eliminating the trouble of multiple chargers.
- 【No Installation Required】Just plug the electrical outlet extender into an existing power outlet. You can place your phone above the socket while charging, making it easy to place, which is more convenient.
- 【Widely Used】 Suitable for hard-to-reach sockets. Extended outlet suitable for bedside tables, sofas, living rooms, kitchens, office desks, conference rooms, cafes, restaurants, airports, stations, workshops, warehouses, camping, RVs, classrooms, hospitals.
- 【Brand After-Sales Service】LIANGTUKING provides free after-sales service and technical support; If you have any questions about the power socket extender, please feel free to contact our customer service team, we will give you a prompt reply within 24 hours. We believe in the quality of our products and 100% satisfaction of our customers.

- Adjustable & Rotatable Design: Featuring an extendable arm (22"-34") and a 180° rotating base, this power outlet extender effortlessly reaches behind furniture—whether it's couches, nightstands, or desks. Enjoy flexible vertical, horizontal, or angled placement, making it perfect for tight spaces and hard-to-reach outlets.
- All-in-One Charging Hub: Equipped with dual AC outlets and USB-A/USB-C ports, this versatile power expander charges multiple devices at once, including phones, tablets, laptops, and small appliances. The smart 5V/2.4A output ensures optimized charging speeds across all connected devices.
- Built-In Phone Ledge: Designed for convenience, the integrated top ledge provides a secure spot for hands-free charging. Keep your phone neatly in place while powering up, eliminating clutter and tangled cords.
- Easy, Tool-Free Installation: No drilling, no wall damage—just hassle-free setup! The included damage-free hook and loop strips allow for quick installation in seconds. Easily reposition or remove without leaving residue, making it a perfect solution for renters and homeowners alike.
- ETL-Certified Safety: Built with fire-resistant materials and overload protection, this ETL-listed power extender ensures reliable and secure indoor use. Designed for peace of mind, it keeps your devices powered safely.

About this item

- 2-Pack Convenience – Get two versatile power strips in one bundle! Double the charging power for your home, office, or travel needs.
- Adjustable & Rotatable Design – Extend and rotate each strip (22"-34" adjustable arm + 180° rotating base) for effortless access to hard-to-reach outlets. Perfect for tight spaces behind furniture!
- All-in-One Charging Hub (x2!) – Each strip features 2 AC outlets + USB-A & USB-C ports (5V/2.4A smart output). Charge phones, tablets, laptops, and appliances simultaneously—no more fighting for outlets!
- Easy, Damage-Free Installation – No tools or drilling! Secure both strips in seconds with hook-and-loop strips—ideal for renters and homeowners. Reposition anytime without residue.
- Certified Safe & Reliable - ETL-listed for electrical safety, with overload protection, fire-resistant materials, and surge protection for worry-free use in any room.
- Built-In Phone Ledge (On Each Strip!) – Keep devices secure & visible while charging. The top ledge reduces cord clutter for a tidy space.

About this item

- Adjustable & Rotatable Design: Extendable arm (22"-34") with 180° rotating base. Reach behind furniture effortlessly—couches, nightstands, desks—with vertical, horizontal, or angled placement. Perfect for tight spaces and awkward outlets
- All-in-One Charging Hub: Dual AC outlets + USB-A/USB-C ports. This electrical outlet extender can charge phones, tablets, laptops, and appliances simultaneously. The power socket expander features 5V/2.4A smart output for optimized charging speed across all devices
- Built-In Phone Ledge: Convenient shelf for hands-free charging. Securely rest your phone on the top ledge while charging. Streamline your space and avoid cluttered cords
- Easy Installation: The electric outlet expander includes damage-free hook and loop strips. Install in seconds—no tools, drilling, or wall damage. Ideal for renters and homes alike. Remove/reposition residue-free
- ETL-Certified Safety: Overload Protection + Fire-Resistant Materials. ETL-listed for electrical safety. Built with safe materials and surge protection for worry-free indoor use.

About this item

- Adjustable & Rotatable Design: Extendable arm (22"-34") with 180° rotating base. Power socket expander reach behind furniture effortlessly—couches, nightstands, desks—with vertical, horizontal, or angled placement. Perfect for tight spaces and awkward outlets
- All-in-One Charging Hub: Dual AC outlets + USB-A/USB-C ports. This electrical outlet extender can charge phones, tablets, laptops, and appliances simultaneously. The power socket expander features 5V/2.4A smart output for optimized charging speed across all devices
- Built-In Phone Ledge: Convenient shelf for hands-free charging. Securely rest your phone on the top ledge while charging. Streamline your space and avoid cluttered cords
- Easy Installation: The electric outlet expander includes damage-free hook and loop strips. Install in seconds—no tools, drilling, or wall damage. Ideal for renters and homes alike. Remove/reposition residue-free
- ETL-Certified Safety: Electrical outlet extender overload Protection + Fire-Resistant Materials. ETL-listed for electrical safety. Built with safe materials and surge protection for worry-free indoor use.

- Reach Impossible Outlets: Extend from 18" to 28" and rotate 180° to access hidden outlets behind heavy furniture (couches, beds, desks) or fit awkward spaces.
- Charge 4 Devices at Once: 2 AC outlets + USB-A & USB-C ports (5V/2.4A each) power phones, tablets, lamps, and laptops—no more outlet hogging!
- Versatile Use: Designed for hard-to-reach outlets with extended sockets and angled plugs to fit tight spaces. Compact design accommodates multiple large plugs simultaneously, ideal for bedside, sofas, kitchens, offices, cafes, workshops, RVs, and outdoor setups. Solves spacing challenges in cramped areas.
- Zero Installation Hassle: Plug-and-play setup—simply plug into any outlet and extend power instantly. No wiring, tools, or electrician needed.
- ETL-Certified Safety: Built with flame-retardant materials and surge protection for worry-free indoor use in homes, offices, or dorms.

- Adjustable & Rotatable Design: Extendable arm (22"-34") with 180° rotating base. Reach behind furniture effortlessly—couches, nightstands, desks—with vertical, horizontal, or angled placement. Perfect for tight spaces and awkward outlets
- All-in-One Charging Hub: Dual AC outlets + USB-A/USB-C ports. This electrical outlet extender can charge phones, tablets, laptops, and appliances simultaneously. The power socket expander features 5V/2.4A smart output for optimized charging speed across all devices
- Built-In Phone Ledge: Convenient shelf for hands-free charging. Securely rest your phone on the top ledge while charging. Streamline your space and avoid cluttered cords
- Easy Installation: The electric outlet expander includes damage-free hook and loop strips. Install in seconds—no tools, drilling, or wall damage. Ideal for renters and homes alike. Remove/reposition residue-free
- ETL-Certified Safety: Overload Protection + Fire-Resistant Materials. ETL-listed for electrical safety. Built with safe materials and surge protection for worry-free indoor use.

About this item

- 【Convenient Extension, Easy Access】This charging expander measures 7.54.544cm and can be flexibly extended up to 70cm, perfectly solving the problem of hard-to-reach sockets. Whether it's a socket hidden behind furniture or one in a high place, it can easily connect, making charging unrestricted and effortlessly meeting the power needs of various scenarios.
- 【Multifunctional Design, Meeting Diverse Needs】In addition to the standard plug, it is also thoughtfully equipped with a USB port. There is no need for an extra adapter, and it can charge multiple electronic devices such as mobile phones and tablets simultaneously. Whether on business trips, traveling, or working from home, one expander can handle all charging tasks, which is convenient and practical.
- 【Compact and Portable, Always with You】Despite its powerful functions, it has a compact size. It is easy to store and does not take up much space. Whether it is stuffed into a backpack, suitcase, or placed in a drawer for backup, it is very convenient. Anytime and anywhere, as long as needed, you can take it out to solve the charging problem.
- 【Good-Quality Materials, Safety Guaranteed】It is made of high-quality materials, fireproof and durable, ensuring electrical safety. Stringent quality inspections ensure that there will be no problems such as electric leakage or short circuits during use, escorting the safety of you and your family. Use every charge with confidence.
- 【Widely Compatible, Strong Compatibility】It is suitable for all standard sockets. Whether at home, in the office, or in hotels, guesthouses and other places, it can be seamlessly connected. Its versatile design style complements various decoration environments, making it the best choice for you to enhance the convenience of your life.

Power Strip Extender, Multifunctional Power Outlet Sofa Expander Space Saving Power Strip Bedside Expander for Home Office
Features:
1.Innovative Design: This power strip extender integrates power outlet, USB charging ports, and a bedside functionality, providing a convenient multifunctional expansion solution. It features multiple standard power outlet extenders and USB ports to meet the simultaneous charging needs of multiple electronic devices.
2.Space Saving Solution: With its compact design, this sofa expander with power strip does not take up additional space, making it perfect for small areas such as bedrooms and living rooms. Its integrated installation allows direct integration into the bedside table or on the edge of the sofa, improving the appearance of the furniture and reducing cable clutter.
3.Safe and Reliable: Equipped with overload protection, this bedside power strip expander prevents safety hazards from excessive current. The anti-leakage design uses premium materials with excellent insulation, ensuring safe use.
4.Premium Materials: Made of heavy-duty flame-retardant PC material, this power strip extender is heat-resistant, impact-resistant, and has a long service life. Its smooth surface and rounded edges offer comfortable handling and easy cleaning.
5.Easy Installation: This power strip extender allows easy installation without professional tools. Its adjustable size design makes it suitable for various makes and models of bedside tables and sofas.

Specification:
Origin: Mainland China
Size: 620.00 x 75.00 x 50.00mm / 24.41 x 2.95 x 1.97 inches
Material: PC

Note:
Due to different monitor settings and lighting conditions, the actual color of the item may be slightly different from the pictures. Thanks for your understanding!
