Case Number: [2:25-cv-00497-RJC *SEALED*](#)

Document Number: 15(No document attached)

Docket Text:

ORDER: Following this Courts Review of the Complaint [2], the Court notes that both Plaintiff and Defendants appear domiciled outside the Western District of Pennsylvania. Further, Plaintiffs allegations do not appear to raise any specific nexus to this District. Such averments raise a question as to whether the Western District of Pennsylvania is a proper venue and/or convenient forum for Plaintiffs action and raise questions as to whether the Court has personal jurisdiction over Defendants. Therefore, the Court will not address Plaintiffs pending motions [1], [4], [5], [10] until it is persuaded that this case should remain in the Western District of Pennsylvania. Accordingly, it is hereby ordered that Plaintiffs counsel shall Show Cause why this case should not be dismissed or transferred due to an improper venue and/or due to lack of personal jurisdiction. Plaintiff shall file a written response to this Show Cause Order on or before May 2, 2025. Signed by Judge Robert J. Colville on 4/25/25. Text-only entry; no PDF document will issue. This text-only entry constitutes the Order of the Court or Notice on the matter. (cjo)
