

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

JEFF BARTELS ,

Plaintiff,

v.

LIUDOUJIANGSHOP, et al.,

Defendants.

Civil Action No. 25-cv-934

**FILED UNDER SEAL**

**DECLARATION OF DEE ODELL  
IN SUPPORT OF PLAINTIFF’S *EX PARTE* APPLICATION FOR ENTRY OF  
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff’s *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction (“Application”). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products<sup>1</sup> and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

---

<sup>1</sup> As set forth in the Complaint, Defendants are using Plaintiff’s copyrighted works while promoting, selling, offering for sale, and distributing products that incorporate Plaintiff’s copyrighted works (the “Infringing Products”).

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms Amazon.com and Walmart.com (“the Merchant Storefronts”) operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products, add Infringing Products to the online shopping cart, designate Pennsylvania as the point of purchase and delivery, proceed to the point of checkout, and otherwise actively exchange data with each Merchant Storefront.

4. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing Products to Pennsylvania and other locations throughout the United States. True and correct copies of the detailed web listings we captured and downloaded showing the various products which are the subject of this lawsuit and confirmation that Defendants were willing and able to ship to Pennsylvania are attached hereto as **Composite Exhibit 1**.

5. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 8<sup>th</sup> day of July, 2025, at Pittsburgh, Pennsylvania.

/s/ Dee Odell

**About this item**

- Slightly Raised Bezels to lift Screen and Camera off flat surface, so as to prevent Screen and Camera of your iPhone from scratching and breaking. Precise cutting ensures that there is enough space around all the buttons to connect, and the perfect touch button allows you to quickly enter and get an extraordinary user experience.
- The Glass back is made out of Real Tempered glass and it is 10 x stronger than traditional glass screen protector and its also very protective against scratches, drops and dirt. The Glass Back will break in case of a fall because it will absorb the shock and crack itself to protect your phone.
- Designed in India, all unique designs are carefully printed underneath the glass and looks even better close up.
- The silicone side frame is made of ultra shockproof TPU silicone material and its coated with Anti-Slip spray.
- iPhone back cover is 100% compatible with wireless charging without the necessity of removing the case.
- Our team inspects every product before the dispatch so that you get exactly what you ordered for.

Store Information  
Learn about dimensions

This product includes six round coasters, each measuring 4 inches (10 cm). They are not designed for use in microwaves or dishwashers and are compatible with various types of drinking glasses and coffee or wine cups. These coasters offer excellent protection, keeping your table tops and underlying surfaces from hot beverages. They are ideal for use in living rooms, kitchens, coffee tables, or offices, and can serve as decorative items for home and office, barware sets, bar service mats, bartender supplies, or table pads. They have an attractive appearance.
