

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

FAENKOVA ELENA VALENTINOVNA,

Plaintiff,

v.

SCHEDULE A DEFENDANTS,

Defendants.

Civil Action No. 25-cv-1854

**FILED UNDER SEAL**

**DECLARATION OF DEE ODELL  
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF  
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products<sup>1</sup> and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

---

<sup>1</sup> As set forth in the Complaint, Defendants are using Plaintiff's copyrighted works while promoting, selling, offering for sale, and distributing products that incorporate Plaintiff's copyrighted works (the "Infringing Products").

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms Amazon.com, Temu.com, and Walmart.com (“the Merchant Storefronts”) operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products, add Infringing Products to the online shopping cart, designate Pennsylvania as the point of purchase and delivery, proceed to the point of checkout, and otherwise actively exchange data with each Merchant Storefront. We also determined that each Defendant appears to be located in China.

4. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing Products to Pennsylvania and other locations throughout the United States. True and correct copies of the detailed web listings we captured and downloaded showing the various products which are the subject of this lawsuit and confirmation that Defendants were willing and able to ship to Pennsylvania are attached hereto as **Composite Exhibit 1**.

5. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 1<sup>st</sup> day of December, 2025, at Pittsburgh, Pennsylvania.

/s/ Dee Odell

#### About this item

- [High-quality imitation cotton material] Adopts breathable and skin-friendly imitation cotton fabric, which is slightly elastic and not easy to deform. The soft touch protects the pet's skin, taking into account both comfort and durability.
- [Sunscreen and anti-dirty protection design] Wearing it outdoors can effectively block ultraviolet rays and prevent dust from adhering to hair; using it indoors can reduce pet hair loss and keep the home environment clean.
- [Fashionable classic tailoring] The simple vest style fits the pet's body shape, and the contrasting color/print design (supplemented according to the actual object) enhances the visual appeal, making it more personalized when walking the pet out on the street.
- [Four seasons practical function] In summer, it is breathable and heat-dissipating to prevent stuffiness, and in spring and autumn, it is warm and cool, light and unrestrained, meeting the daily wearing needs of pets.
- [Multi-pet adaptation] Designed for small and medium-sized pets such as cats and dogs, it provides a variety of size options, and Velcro or snap adjustment straps ensure that it fits different body shapes and is easy to wear.
