

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

STEVEN READ,

Plaintiff,

v.

SCHEDULE A DEFENDANTS,

Defendants.

Civil Action No. 25-cv-1913

**FILED UNDER SEAL**

**DECLARATION OF DEE ODELL  
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF  
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products<sup>1</sup> and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

---

<sup>1</sup> As set forth in the Complaint, Defendants are using Plaintiff's copyrighted works while promoting, selling, offering for sale, and distributing products that incorporate Plaintiff's copyrighted works (the "Infringing Products").

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms Amazon.com, Temu.com, and Walmart.com (“the Merchant Storefronts”) operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products, add Infringing Products to the online shopping cart, designate Pennsylvania as the point of purchase and delivery, proceed to the point of checkout, and otherwise actively exchange data with each Merchant Storefront. We also determined that each Defendant appears to be located in China.

4. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing Products to Pennsylvania and other locations throughout the United States. True and correct copies of the detailed web listings we captured and downloaded showing the various products which are the subject of this lawsuit and confirmation that Defendants were willing and able to ship to Pennsylvania are attached hereto as **Composite Exhibit 1**.

5. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 9<sup>th</sup> day of December, 2025, at Pittsburgh, Pennsylvania.

/s/ Dee Odell

### About this item

- Comfortable Material: Door mat is made of wool spinning, which is soft, comfortable, not loose and odorless. The right thickness helps avoid tripping and won't block doors easily, easily fits under doors and fits most indoor or outdoor areas. This design effectively prevents mud and stains from tracking into your home, and reduce the cleaning frequency.
- Non-slip Backing: The non-slip backing guarantees that the mat remains in place without gathering or shifting while also preventing any moisture leakage. Placing floor in damp areas such as kitchens and bathrooms can increase the friction between the soles of your feet and the ground, reducing the risk of slipping.
- Easy to Clean: Simply vacuum with a hand-held vacuum, sweep with a broom, or shake off outdoors or over garbage bins; for a deeper clean use a

### About this item

- [Material]** Cotton/Frameless. 11CT count design. (You need to embroider it yourself) 100% accurate pre-printed cross stitch kits, it's much easier more fun and faster to finish!
- [HD Pre-printed]** The color patches on the print pattern are not the true colors of the floss. The symbols on the fabric have a corresponding number code. Just read the symbol, such as, "x", "o", and pick out the color the number code tells. Thus you can begin your stitch!
- [Cotton Thread]** 11 CT Cross stitch design should be completed with 3-strands thread. Each line we provide is composed of 6 strands, so you need to divide the 6 strands into two 3-strand lines before you work!
