

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

LISA AUDIT,

Plaintiff,

v.

SCHEDULE A DEFENDANTS

Defendants.

Civil Action No. 26-cv-165

FILED UNDER SEAL

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products¹ and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

¹ As set forth in the Complaint, Defendants are using Plaintiff's copyrighted works while promoting, selling, offering for sale, and distributing products that incorporate Plaintiff's copyrighted works (the "Infringing Products").

3. Prior to filing this Declaration, we accessed through at least the online ecommerce platform Temu.com (“the Merchant Storefronts”) operating under the seller identities as identified on **Schedule “A”** of the Complaint (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products, add Infringing Products to the online shopping cart, designate Pennsylvania as the point of purchase and delivery, proceed to the point of checkout, and otherwise actively exchange data with each Merchant Storefront. We also determined that each Defendant appears to be located in China.

4. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing Products to Pennsylvania and other locations throughout the United States. True and correct copies of the detailed web listings we captured and downloaded showing the various products which are the subject of this lawsuit and confirmation that Defendants were willing and able to ship to Pennsylvania are attached hereto as **Composite Exhibit 1**.

5. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 30th day of January, 2026, at Pittsburgh, Pennsylvania.

/s/ Dee Odell

Store Information
Learn about dimensions

This floor mat is crafted from premium flannel fabric, providing a soft and cozy feel. It can be used in various areas such as the bathroom, bedroom, living room, dining area, kitchen, and laundry space. Please note that the mat is folded for shipping, which may result in some creases upon arrival. Allowing it to rest for 2-3 days will help the creases to fade away. Cleaning is simple, just hand wash with cold water and a gentle detergent, avoiding chlorine or bleach, and hang it in the shade to avoid color fading.

Reviews from similar items on Temu

These pillow covers are beautiful and well made. Just be aware that you're only getting covers. I thought I was getting pillows but since I didn't have pillows I have decided to order pillow covers for storage for extra bedding and bubble wrap and all the extra plastic gloves help. They're great and I'll order more of the pillow forms. They made me have a fit option so I said true to size. This item is sold out.

A decorative wall art piece featuring a large, detailed illustration of a pink and white rose in the center. To the right of the rose are smaller white and purple flowers. The background is a light, textured surface with faint cursive script and the word 'FRANCE' at the top. A small butterfly is visible in the bottom right corner of the illustration.

Love! Design, size as described. Speedy delivery and great price.

5 stars (17 reviews) (See 17 reviews)

I bought three of these cushions with different patterns on each. They were good value for money, given that they were so cheap at \$3 each. I was a bit sceptical that they were only printed on one side, although the print that was crisp and the colours are exactly as shown on the Temu photos. The polyester fabric is a lovely, dense weave, with a silky finish. I am happy with them.

Vibrant Colors! Pretty! Love! Good Quality!

See all reviews

These were ordered for a friend but when she took them out of the bag we could not get over how beautiful they were. The print is gorgeous and the fabric is lovely. She was only going to use for two pillows but so pretty, we ordered two more pillow inserts so she can put all four on her couch. And you cannot beat the price!

Sherrin Frazee 5★ (Jan 3, 2024)

Very pretty. Material is soft. They're a little bit lighter than my picture, more of a cream than a tan which was perfect, they are snug on a fluffy pillow but overall perfect fit.

ap***11 5★ (Apr 15, 2024)

These three cushion covers, beautiful design and colors, you have to be careful when putting them on because they are tight and the closure is simple, once put on they look very good.

★ ★ ★ ★ ★ From abroad on Jul 14, 2024

I bought it because the design and size were good. The fabric was different from what I expected, so the color of the pattern was a little light. After all, it felt like a fool.

★ ★ ★ ★ ★ From abroad on Aug 22, 2024

Hehehe. The quality is not very good. I didn't use it and put it away. I'm probably just going to throw it away.

★ ★ ★ ★ ★ From abroad on Sep 5, 2024

Very cheap material, unwearable
