

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

PUSHPEEL LLC,

Plaintiff,

v.

SCHEDULE A DEFENDANTS,

Defendants.

Case No. 25-cv-1957

(Judge Hornak)

**DECLARATION OF DEE ODELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Dee Odell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products¹ and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed various online ecommerce platforms ("the Merchant Storefronts") operating under the seller identities as identified on **Schedule "A"**

¹ As set forth in the Complaint, Defendants are promoting, selling, offering for sale, and distributing products that infringe at least claim 1 of Plaintiff's U.S. Patent No. 12,478,892 (the "Infringing Products").

of the Complaint (the "Seller IDs"). Upon accessing each of the Merchant Storefronts from within Pennsylvania, we were able to view Defendants' Infringing Products, add Infringing Products to the online shopping cart, designate Pennsylvania as the point of purchase and delivery, proceed to the point of checkout, and otherwise actively exchange data with each Merchant Storefront. We also determined that each Defendant appears to be located outside of the United States.

4. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing Products to Pennsylvania and other locations throughout the United States. True and correct copies of the detailed web listings we captured and downloaded showing the various products which are the subject of this lawsuit and confirmation that Defendants were willing and able to ship to Pennsylvania are attached hereto as **Composite Exhibit 1**.

5. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 6th day of March, 2026, at Pittsburgh, Pennsylvania.

 /s/ Dee Odell

- Innovative Spherical Design — The Sensory Fidget Toys boasts a unique spherical design that can be disassembled into two hemispheres. Along with 16 silicone rods, children can craft a variety of cartoon-shaped models. Actions like pushing, peeling, tying, and building hone their hands-on ability and spatial imagination, enhancing fine motor skills, hand-eye coordination, and rich colors to help improve the child's attention and concentration.
Cognitive Development — Our sensory activity board is specifically designed to ease stress and enhance focus. Children with autism, ADHD, ADD, and special needs can benefit from continuous tactile challenges to promote emotional regulation. Unique and innovative gameplay to calm children down and keep them focused for long periods.
Safe & High quality — Crafted with CPC-certified premium non-toxic silicone and plastic, which is BPA-free, and odorless, ensuring fidget activity boards are safe for children. Both the intact sphere and the separated hemispheres can be played with independently. With different patterns on both sides, it offers diverse play options. (Washable/Machine Washable)
Multiple Sensory Experiences — Weave vibrant silicone strings into the textured groove of the sphere. Each tactile twist and turn transform will meet your sensory needs and promote relaxation! Provide a calming, creative outlet to ease anxiety and stress. These toys are easy to assemble and disassemble and help relieve stress, anxiety, and arthritis symptoms caused by prolonged use of a smartphone or computer.
Best Gift for children — Sensory activity board is the best gift for children with autism, ADHD, ADD and OCD. Great choice as kids birthday gifts, stress relief gifts, calming toys, travel toys and Easter basket fillers. It offers satisfying activities for people of all ages and is an ideal gift choice.

- Upgraded 6PC Double-Sided Sensory Fidget Board Can be Disassembled or Combinedmore As a cube It's a magical sensory activity board silicone fidget toy that encourages DIY-style creative play. It contains 6 sensory boards and 20 strings. It connects to form a larger silicone sensory board or a silicone sensory cube, keeping little hands and minds engaged as they push, bounce, and explore the satisfying grooves. Silicone Sensory Board is a great way to foster cognitive development, foster flexible thinking, and support healthy brain growth!
- The Ultimate Travel Toy: Your Compact & Quiet Silicone Fidget Board for On-the-Go Dreaming of a peaceful car ride or a calm flight?This is your secret weapon! Designed for ultimate portability, this compact silicone fidget toy slips effortlessly into any bag. Its lightweight and supremely quiet design makes it the perfect car ride toy and restaurant toy for toddlers. No more noise, no more fuss—just pure, focused play that lets you enjoy the journey.
- A Soothing Tool for Big Feelings: Essential for Calm Down Corners & Autism Must-Haves More than just a toy,it's a tool for emotional well-being. The simple, repetitive motions of this sensory fidget toy are incredibly effective for calming anxiety, easing restlessness, and managing sensory needs. It provides a healthy outlet for children, making it an autism classroom must have and a key part of calm down corner supplies. It's like a calming corner you can hold in your hands, anytime, anywhere.
- Certified Safe & Durable: A Non-Toxic Sensory Toy for Kids You Can Trust Your child's safety is our absolute priority.Crafted from 100% high-quality, non-toxic silicone, this sensory toy for kids is completely safe for curious mouths and gentle hands. It's rigorously tested and CPC certified, ensuring it meets the highest standards for children's toys. You can have complete peace of mind while your little one plays and explores.
- The Perfect Gift: Screen-Free Sensory Activities for Toddlers & Kids Quiet Time Searching for that perfect birthday gift or a thoughtful present for a friend?Look no further! This silicone sensory fidget board is a cherished gift that shows you care. It's the ultimate solution for kids quiet time activities and screen-free activities for toddlers 3-5. Whether for a birthday, holiday, or just because, it's a present that will be loved, appreciated, and used time and time again.

- Enhanced Sensory Engagement: Features 16 vibrant silicone strips that can be inserted into the ball's surface, offering a unique tactile experience that promotes fine motor skills and hand-eye coordination.
- Portable & Durable Design: Crafted from high-quality, non-toxic silicone and PP plastic, this fidget ball is lightweight and easy to carry, making it perfect for on-the-go use in classrooms, therapy sessions, or during travel.
- Safe & Non-Toxic Materials: Made from BPA-free silicone and PP plastic, ensuring safety for children aged 3 and above.
- Stress Relief & Calming Effects: Ideal for individuals with ADHD, autism, or anxiety, providing a soothing outlet for restlessness and promoting emotional regulation.
- Easy Storage: The ball opens to conveniently store the silicone strips, reducing clutter and ensuring all pieces are kept together.

Color: Blue

- UNIQUE DOUBLE-SIDED DESIGN Unlike traditional sensory toys, the Sensory Activity Board features a creative double-sided design. One side of our sensory board is a colorful threading maze that develops hand-eye coordination, while the other side features soothing textured bumps for sensory exploration and anxiety relief.Perfect for focused play!
CHILDREN SAFE MATERIAL Our sensory activity board toys are made of high-quality non-toxic silicone. All materials are high-quality, durable, odorless, and the Children's CPC certification to ensure the safety of children. The package contains a soft silicone board and 3 long colorful ropes, which are convenient for the whole family to carry when traveling.
IMPORTANT FEATURES Recommended by occupational therapists, our silent fidget board toy feature a unique design that stimulates imagination through tactile actions such as pushing, peeling, lacing, and bridging, enhances flexibility, fine motor skills, and hand-eye coordination, promotes relaxation, reduces anxiety, and provides sensory stimulation for all ages.
MUST-HAVE FOR TRAVEL This sensory activity board can provide hours of fun on the road, keep children busy on self-driving tours, and keep you focused on your long journey appointments. Takes up very little space and is easy to carry. Especially suitable for boys and girls with anxiety or stress.
PERFECT GIFT If you are looking for gifts for kids, our sensory board is a very good choice. It is a must-have for preschoolers and kindergarten classrooms, and a must-have for car or plane travel. It provides satisfying activities for people of all ages and is an ideal gift choice.

- Promoting cognitive development, this sensory ball can enhance spatial thinking ability through the construction and combination of spheres, and stimulate cognitive growth through open practice methods
- Relieve stress, this sensory activity ball is specifically designed to relieve stress and enhance focus. Its tactile function and soothing design help calm people down and guide nerve energy, making it very suitable for people with anxiety disorders and ADHD
- Enhancing hand eye coordination, dexterity, fine motor skills, and hand eye coordination through tactile experiences such as pushing, peeling, twisting, wrapping, and bridging, these abilities play an important role in children's future learning and life
- Safety and quality sensing toys, packaging includes a sensing ball and 15 silicone cords. The spherical part is made of high-quality plastic, and the silicone strip is made of high-quality non-toxic silicone, certified by CPC
- It is definitely a perfect relaxing toy, providing parents with a quiet, clean, and electronic free alternative solution to keep children quiet in public places such as airplanes and cars, ensuring peace during the journey. It is a perfect gift that can improve children's attention and thinking abilities

- Promoting cognitive development, this sensory ball can enhance spatial thinking ability through the construction and combination of spheres, and stimulate cognitive growth through open practice methods. Relieve stress, this sensory activity ball is specifically designed to relieve stress and enhance focus. Its tactile function and soothing design help calm people down and guide nerve energy, making it very suitable for people with anxiety disorders and ADHD. Enhancing hand eye coordination, dexterity, fine motor skills, and hand eye coordination through tactile experiences such as pushing, peeling, twisting, wrapping, and bridging, these abilities play an important role in children's future learning and life. Safety and quality sensing toys, packaging includes a sensing ball and 15 silicone cords. The spherical part is made of high-quality plastic, and the silicone strip is made of high-quality non-toxic silicone, certified by CPC. It is definitely a perfect relaxing toy, providing parents with a quiet, clean, and electronic free alternative solution to keep children quiet in public places such as airplanes and cars, ensuring peace during the journey. It is a perfect gift that can improve children's attention and thinking abilities.

Sphere Cube

- Innovative Spherical Design:** upgraded from a traditional flat board to a 3D sensory ball, the surface is covered with textured grooves of detachable colored silicone ropes, which stimulate three-dimensional space imagination through actions such as pushing, tearing, circling and bridging. The detachable design supports free combination of patterns to create an exclusive tactile exploration space.
- Multi-Effect Sensory Training:** integrating tactile stimulation (concave and convex texture), visual guidance (7 vibrantly colored strings) and fine motor training, it simultaneously improves color discrimination, hand-eye coordination and concentration. Its unique design encourages creative and imaginative play to promote logical thinking, and the open play inspired by Montessori philosophy is suitable for the development needs of children aged 3-12.
- Professional Emotional Regulation:** a toy trusted by professionals, its excellent game durability, tactile characteristics and charming design provide a quiet creative outlet, cultivate a sense of accomplishment and bring a soothing ASMR feeling. It is the best gift toy for teenagers, adults and children with autism, ADHD, ADD and OCD.
- Safe And Portable System:** CPC-certified food-grade silicone + large-size components that prevent swallowing, built-in storage compartment, and portable travel bag. Keep kids busy in public places like airplanes, cars, waiting rooms or restaurants, ensuring a quiet, comfortable experience when out and about. Noise-free immersive play, zero-screen solution to replace electronic devices.
- A Healing Tool For All Ages:** Nothing relieves stress better than playing with a ball, and this sensory ball does it all! The tactile features and concave and convex sensory ball design of this stress relief toy provide comfortable massage and stimulation. It is both a cognitive teaching aid for special education and a desktop decompression toy for office white-collar workers.

- Creative 3D Cube Design: 6-sided maze toy features six unique tactile exploration surfaces that can be assembled and combined to stop rolling. The Cube perfectly integrates the senses, allowing for diverse play styles. It can be played on a flat surface or assembled into a cube to keep little hands busy and young minds engaged. Enhance children's spatial imagination.
- Cognitive Development: This sensory toy is designed specifically for children with autism, ADHD, and special needs. This sensory learning cube supports motor skills and calming focus. It also fosters creative problem-solving and provides a deeply satisfying ASMR-like experience, making it an ideal resource for a variety of settings, from classrooms and therapy sessions to home learning.
- Stable Structure: The stable Cube design can be assembled into two or three-dimensional forms. It can be attached to car seats, airplane trays, and desks, making it the perfect travel stress-relieving toy. Colorful strings thread through the innovative beveled edges and interlocking grooves to enhance spatial awareness, creative logical thinking, and concentration.
- Safety Certification: Made from 100% non-toxic, child-safe materials that meet ASTM F963-23 and CPSIA safety standards. Our carefully designed grooves securely lock the strings, providing a superior tactile feel without messy popping. The durable, drop-resistant design and quiet operation ensure worry-free play.
- The Perfect Gift: As a Montessori-inspired STEM toy, the 3D Sensory Cube is a favorite among toddlers, teens, and even adults! Whether it's a birthday gift, holiday gift, classroom reward, stress-relieving gift, calming toy, travel toy, or Easter basket filler, it's a thoughtful choice—everyone will love the surprise it brings.

- Innovative Spherical Design**---The Fidget Toys boasts a unique spherical design that can be disassembled into two hemispheres. Along with 16 silicone rods, children can craft a variety of cartoon - shaped models. Through actions like pushing, peeling, tying, and building, it hones their hands - on ability and spatial imagination, enhancing fine motor skills and hand - eye coordination. The rich color palette also boosts children's attention and concentration.
- Two Play Modes**---Both the intact sphere and the separated hemispheres can be played with independently. In the spherical form, children can immerse themselves in shape - creating; while the hemispheres can serve as standalone toys, adaptable to different situations. With different patterns on both sides, it offers diverse play options.
- Safe Materials, Reliable Quality**---The sensory toys for kids are made from food-grade silicone+PP, it is durable, odorless, and has obtained the Children's CPC certification. When it gets dirty, it can be washed with water or in a washing machine.
- Multiple Sensory Experiences**---The distinctive tactile function offers abundant sensory stimulation, satisfying the need for skin contact. As a stress - relieving toy, it promotes relaxation, alleviates anxiety, brings ASMR experiences, channels nervous energy, and also mitigates discomfort caused by long - term use of electronic devices.
- Convenient Storage**---The detachable structure facilitates the storage of 16 silicone rods, preventing the loss of accessories. Whether at home or on the go, it can be easily carried.
- Ideal Gift**---It is a thoughtful gift for children with autism, ADHD, ADD, and OCD. It is also an excellent choice for occasions like birthdays and Christmas. It provides rich experiences for children of all ages, contributing to their healthy growth.

The textured activity board features 12 vibrantly colored strings that promote focus, calm autism, ADHD, ADD and OCD symptoms, and assist with autism spectrum self-regulation. Unlike other sensory board, our rainbow design is vibrant colors and visually appealing effects.
Develops Essential Fine Motor Skills This ingeniously designed activity board serves as a powerful educational tool that builds crucial developmental skills through play. Each interactive element targets specific fine motor skill development: the pushing, peeling, tying, and building to improve pincer grasp, the looping bands enhance bilateral coordination, and the bridge connectors foster problem-solving abilities. The vibrant color scheme isn't just visually appealing - it's strategically designed to capture children's attention and improve focus duration.
Premium Safety & Durability The sensory activity board toys are made of CPC certified high-quality non-toxic, child-safe silicone, durable and odorless.The silicone fidget board with double-sided designed with different patterns, providing children with two ways to play. Easy-to-clean surface (washing machine-safe) ensures hassle-free maintenance. Durable enough for daily use, yet gentle on little hands.
Quiet, On-The-Go Fun Provide parents with a quiet, clean, screenless alternative.No more noisy distractions! This portable activity board keeps kids engaged in quiet, mess-free play—perfect for airplanes, restaurants, or doctor's visits. Parents love the peaceful moments it creates, while kids enjoy endless tactile exploration.The included travel bag makes it perfect for therapy sessions, work breaks, or long commutes.
The Ultimate Gift for Kids & Adults The colourful and visually appealing creative sensory toy loved by parents, teachers, and therapists, this board is a gift that grows with your child. Perfect for birthdays, Thanksgiving, Christmas, party supplies, Halloween, classroom prizes.

- Innovative Detachable Design** Experience a unique sensory adventure with our sphere featuring a detachable design that splits into two textured hemispheres. This engaging toy enhances spatial reasoning and fine motor skills through playful activities like pushing, peeling, looping, and bridging, while also nurturing creative problem-solving abilities!
- Supporting Cognitive Development** Tailored specifically for children with Autism, ADHD, ADD, and special needs, our sensory ball aids emotional regulation and concentration. Each ball comes with 16 colorful silicone rods, allowing kids to craft an array of delightful cartoon shapes, encouraging imaginative play and cognitive growth.
- Multi-Sensory Stress Relief** Crafted with neurodivergent needs in mind, this sensory ball's grooved surfaces help channel restless energy into focused play. The soothing ASMR-like sounds produced by rotating the sphere alleviate anxiety, while the flexible silicone rods provide a satisfying outlet for screen-time fatigue. Perfect for classroom settings or therapy sessions!
- Portable and Easy to Store** Featuring a detachable design that allows for hassle-free storage of the 16 silicone rods, this lightweight and compact sensory ball is ideal for on-the-go fun. Whether at home or traveling, enjoy playful moments without the worry of misplacing any parts.
- Great Materials** Constructed from silicone and plastic, these odorless sensory balls are durable and odorless. The textured surfaces offer calming tactile stimulation, while rounded edges ensure safe play for children. Simply rinse and air-dry for effortless hygiene maintenance.
- Thoughtful Developmental Gift** More than just a toy, it's a powerful tool for enhancing hand-eye coordination and emotional regulation. This versatile gift is perfect for birthdays, holidays, or any occasion. Delight and engage recipients of all ages with a unique blend of fun and developmental benefits!

- UPGRADED DOUBLE-SIDED DESIGN Unlike traditional boards, our silent fidget toy features TWO unique sides for endless engagement. The front has a challenging maze exploration game with 3 bright strings for pushing and threading. The back offers four different calming textures for rubbing and touching. This variety promotes fine motor skills and provides long-lasting fun without screen time.
DEVELOP FOCUS & CREATIVITY Watch your child's concentration and problem-solving skills grow! The fidget board requires careful observation and multiple solutions to find the way out. This engaging process naturally cultivates focus, patience, and creative thinking, making it a perfect hands-on learning tool for growing minds.
PREMIUM & SAFE SILICONE Crafted for peace of mind and lasting durability. Made from 100% high-quality, BPA-free silicone, this sensory activity board is completely safe for children. It's robust, washable, and certified by CPC for your absolute confidence. The silent operation ensures zero distractions at home or in public.
PERFECT ON-THE-GO FIDGET TOY The ultimate solution for calm and quiet entertainment anywhere. Its compact and portable size makes it ideal for travel. Keep your child happily occupied and reduce restlessness during car rides, flights, or in restaurants. A true screen-free alternative that parents love.
AN IDEAL GIFT FOR ALL KIDS Looking for a unique and thoughtful gift? Your search ends here. This silicone fidget board is a hit among boys and girls of all ages. It's not just a toy; it's a tool for calming and cognitive development. Packaged ready for gifting, it's the perfect present for birthdays, holidays, or class prizes.

Is this toy easy to clean?

Ask something else

- **Immersive Sensory Fun:** Upgraded from the sensory activity board, this sensory toy comes with 24 colorful silicone strings and a textured pink ball. Create colorful patterns and 3D shapes through press, peel, loop, bridge, fill and other actions, which can not only stimulate children's imagination and creativity, but also improve fine motor skills and hand-eye coordination
- **Social and Cognitive Development:** By separating and assembling the sensory ball, and combining the silicone ropes in 8 colors to create colorful patterns and shapes, this sensory activity ball is designed to provide a calm outlet for user. It is suitable for kids and teens with ADHD, ADD, and OCD manage focus, organization, and daily tasks during long playtime
- **Relieve Stress and Anxiety:** The textured grooves and soft silicone strings of this fidget toy provide a comfortable tactile experience. When the rope is pressed into or peeled off the groove of the stress ball by fingers, it offers stress relief and hand therapy. It is a perfect stress toy that can help adults and kids relieve tension and promote relaxation during work or study
- **Safe and Portable:** Made of CPC-certified Food-grade silicone and plastic, it is safe to children. The rope can be put into the ball, and the ball can also be put into the included storage bag for easy storage and carrying. Enjoy quiet family playtime with this silent, screen-free toy in public places like cars, airplanes, restaurants, hospitals, and more
- **Perfect Thoughtful Gift:** This sensory fidget ball is both therapeutic and fun, loved by children, teenagers and adults. Not only is it an ideal gift for birthdays, Easter and Christmas, it's also a great toy for traveling, stress relief, seeking calm focus or tactile stimulation. It will be fun for people of all ages

About this item

- Sensory Activity Board: This set of plate is composed of 2 plates, 10 colors of silicone strips, each 2 meters, a needle. The movable plates can be connected to each other through clasps.
- Creative Design: Sensory toys designed by winding structure can improve the hands-on ability of children and youth and stimulate creativity. By stacking, designing different patterns, etc., enhance the child's fine motor skills and hand-eye coordination, which helps improve the child's attention.
- Unique Tactile Function: The unique tactile function provides sensory stimulation, and the soft silicone strip can help reduce anxiety and stress, thus enhancing a sense of accomplishment and soothing fingers. Unlike traditional sensory toys, this set of activity boards provides more space and is easy to design and disassemble.
- DIY Design: You can customize letters and patterns on the activity board according to your needs. Noisy electronic screens make us crave quiet time, and our sensory activity boards allow children to provide a quiet and clean environment for their parents. They can play in public places such as airplanes, cars, hospitals, restaurants to ensure tranquility and peace during the journey.
- Best Gift: If you are looking for a suitable Christmas or birthday gift, it will provide satisfying activities for all ages.

Color: Elephant, 7.9"x6.3"

- SCREEN-FREE PEACE - Offer parents a quiet, clean, screenless alternative for keeping kids occupied in public spaces like planes, cars, waiting rooms, or restaurants, ensuring a peaceful, calming experience on the go. No mess, travel-friendly, and silent.
- Occupational Therapist Recommended - Trusted by professionals to enhance dexterity, fine motor skills, and hand-eye coordination through tactile sensory experiences. Featuring push, peel, loop, and bridge actions, making it a perfect gift for fostering child development.
- Cognitive Development - Stimulate cognitive growth across all ages with an open-ended, hands-on approach. Its unique design encourages creative, imaginative problem-solving, making it an ideal STEM toy inspired by Montessori principles. Beneficial for individuals with Autism, ADHD, ADD, and OCD.
- Stress Relief - Ease stress and anxiety with the relaxing, engaging sensory activity board. Its superior play longevity, tactile features, and mesmerizing design provide a calming, creative outlet, fostering a sense of accomplishment and soothing ASMR sensations, perfect for channeling nervous energy.
- Safe & Portable Play - Crafted with CPC certified premium non-toxic silicone, this toy includes an intricate silicone board and 20 silicone rods. This ensures safe and convenient play anywhere. An ideal gift, offering a therapeutic and satisfying activity for all ages.

- Update 3D Spherical Design: The Keculf 3D sensory activity ball features 8 colors and 25 colorful silicone strings. Transform the 2D planar sensory activity board into a complete 3D spherical design. Children can create colorful patterns and 3D shapes by pushing, pressing, peeling, circling, bridging and filling, which can stimulate children's imagination and creativity. Clip the rope into the ball and "draw" the desired shape freely and cultivate kids artistic expression and skill development in a happy way. This is an interesting DIY creative sensory toy, worth having.
- Multiple Sensory Exploration: The sensory balls are designed with different colors and interactive elements to stimulate children's vision and touch. Every sensory experience not only helps kids and adults stay focused and relieve stress, but also develops fine motor skills. This sensory toys are also suitable for children with autism, ADHD and other special needs, allowing parents and caregivers to take a break.
- Anxiety Relief Sensory Fidget Toys: When the rope is pressed into or stripped from the groove of the sensory ball by fingers, it can relieve pressure and treat the hand. The fidget balls offer a calming, creative way to ease stress, promote mental peace and emotional balance. The educational toys offer students, staff, parents, friends and oneself a creative outlet to relieve anxiety and stress.
- Learning & Education Toys Gift: The smooth edges and lightweight structure ensure a sensory exploration free of safety hazards, which is deeply loved by children, teenagers and adults. The sensory toys offer treatment and an interesting sensory game. A thoughtful gift for kids' birthday gifts, holiday presents, classroom rewards, stress relief gifts, calming toys, travel toys, and even Easter and Christmas basket fillers.
- No Mess Storage & Portable Design: Unlike the 2D sensory board, silicone strings are lost easily. The innovative design allows you to rotate the toys away from the middle and tuck the silicone string neatly inside the learning toys. These Montessori toys are made of safe, durable and non-toxic materials. The fidget toy is only 4.24 inches in size, easy to carry and washable. A solution suitable for children to play in public places such as planes, cars, hospitals and restaurants, ensuring quietness and no screen.

- **🌐 [Surprise Bonus with Display Stand]** What kids make, they can proudly show! Each sensory ball comes with a custom display stand, turning their colorful string creations into a 3D art piece. It's not just a toy — it's a canvas for self-expression that gives people a sense of pride, encouraging imaginative play and creative confidence.
- **🌐 [Unique Sensory Play with 24 Colorful Strings]** A next-level evolution from traditional sensory boards — KIDHABE 3D sensory activity ball features 24 colorful silicone strings and a display stand, offering richer textures and more DIY possibilities than ever before. Kids can press, peel, loop, bridge, and DIY their creations around the entire sphere, developing fine motor skills, dexterity, and spatial awareness in a playful and engaging way.

- Diverse Design:** MoKo sensory activity board set features a variety of designs, including 5 different animal-shaped activity boards and 55 bright-colored strings. Compared with other boards, it has more diverse patterns and vibrant colors, effortlessly capturing children's interest and attention.
- Cognitive Development:** The sensory board allows children to freely create various flat or three-dimensional shapes on the silicone pad. This open-ended, hands-on tactile experience not only exercises children's hand-eye coordination, but also enhances their cognition and imagination. Ideal for children with autism, ADHD and attention deficit disorder.
- Stress Relief:** With excellent calming effect, our sensory toys for kids are the great helper for children to regulate their emotions. By pressing the silicone strings or forming shapes on silicone pads, children can release their emotions to reduce anxiety and stress.
- Child-Friendly:** Our sensory activity board is made of high-quality silicone material, safe, harmless and very friendly to your children. You can confidently let your child use it, and enjoy the fun and benefits of the activity board.
- Screen-free Fun:** Worried that children's eyesight will be damaged by constantly watching phones? Moko fidget toys board can keep your children away from phones, and immerse themselves in the fun of hands-on creation. And it's lightweight and portable, you can take it anywhere, providing entertainment for children at any time, while allow you to enjoy a peaceful time on the go.

- **Diverse Design:** MoKo sensory activity board set features a variety of designs, including 2 differently shaped activity boards and 24 bright-colored strings. Compared with other boards, it has more diverse patterns and vibrant colors, effortlessly capturing children's interest and attention.
- **Cognitive Development:** The sensory board allows children to freely create various flat or three-dimensional shapes on the silicone pad. This open-ended, hands-on tactile experience not only exercises children's hand-eye coordination, but also enhances their cognition and imagination. Ideal for children with autism, ADHD and attention deficit disorder.
- **Stress Relief:** With excellent calming effect, our sensory toys for kids are the great helper for children to regulate their emotions. By pressing the silicone strings or forming shapes on silicone pads, children can release their emotions to reduce anxiety and stress.
- **Child-Friendly:** Our sensory activity board is made of high-quality silicone material, safe, harmless and very friendly to your children. You can confidently let your child use it, and enjoy the fun and benefits of the activity board.
- **Screen-free Fun:** Worried that children's eyesight will be damaged by constantly watching phones? Moko fidget toys board can keep your children away from phones, and immerse themselves in the fun of hands-on creation. And it's lightweight and portable, you can take it anywhere, providing entertainment for children at any time, while allow you to enjoy a peaceful time on the go.

- Innovative design of silicone sensory activity ball: The ball and strings are all made of high-quality non-toxic silicone certified by CPC. They are soft, safe and comfortable, and more suitable for children to perform tactile operations such as pushing, winding, peeling and pressing. The comfortable feel can easily calm children's emotions, providing parents with a quiet, clean, screen-free solution to ensure a quiet and comfortable experience
- Sensory activity board 3D-DIY upgrade: Based on the fidget Pads, it is upgraded to a three-dimensional sphere. By using multi-colored silicone Strings to press, push, touch and immerse in thinking on the surface of the sphere, children can calm down instantly. Encourage children to use their 3D imagination and DIY colorful patterns and three-dimensional shapes on the six sides of the

- Innovative design of silicone sensory activity ball: The ball and strings are all made of high-quality non-toxic silicone certified by CPC. They are soft, safe and comfortable, and more suitable for children to perform tactile operations such as pushing, winding, peeling and pressing. The comfortable feel can easily calm children's emotions, providing parents with a quiet, clean, screen-free solution to ensure a quiet and comfortable experience

- Unique spherical design:This sensory autism ball toy is a perfect upgrade to Sensory Activity Board!The surface of the sphere has unique patterns, which attracts children's quiet design and experience!Ball toys are naturally able to soothe tension, relax and calm people.So this is the sensory toy that will bring relief to autism, ADHD, and OCD in 2025
- Sensory activity board 3D-DIY upgrade: Based on the fidget Pads, it is upgraded to a three-dimensional sphere. By using multi-colored silicone Strings to press, push, touch and immerse in thinking on the surface of the sphere, children can calm down instantly. Encourage children to use their 3D imagination and DIY colorful patterns and three-dimensional shapes on the six sides of the sphere
- Friendly color matching: Spheres with different background colors are matched with strings of 8 warm colors. Children can freely match colors, organize moulding, and create spheres with different color surfaces to play. Through the selection and use of colors, children's ability to distinguish and use colors is effectively enhanced
- Bring cognition during play: kids can use strings to press and design on the six sides of the sensory ball toy to obtain rich patterns and shapes, which stimulates imagination and creativity,Through pushing, peeling, winding ,bridging, can cultivate flexibility, fine motor skills and hand-eye coordination! The sensory ball is calming to play in your hands, bringing psychological comfort and Emotional adjustment to people with autism, ADHD and OCD
- Relief stress and anxiety: Nothing relieves stress like playing with a ball, and this sensory ball does it all! The tactile features and concave-convex sensory sphere design of this fidget toy provide a comfortable massage and stimulation. Press knead, and dig with your fingers relaxes muscles and relieves tense energy. When the pressing is complete and a colorful ball is formed, it feels great! Tossing, rolling, and playing with the new ball you made will also put you in a good mood
- Portable and safe: It has passed CPC , safe and non-toxic. the string can be placed inside the ball for easy carrying. kids can play quietly in public places such as airplanes, cars, waiting rooms or restaurants without causing interference, providing a peaceful environment for parents. It is the best gift for children and adults with autism, ADHD, and OCD

- 🧘 Quiet and Focused – Screen-Free Toy for Travel Designed to keep kids calm and engaged without screens, this sensory activity board is perfect for airplanes, cars, classrooms, and waiting rooms. It's silent, mess-free, and distraction-free—ideal for maintaining focus in public settings. The foldable design and included travel pouch make it easy to carry anywhere.
- 🧶 40 Silicone Strings – Endless Ways to Create and Play Includes 40 colorful, bendable silicone strings that kids can thread, twist, and weave through the textured dual-sided board. Encourages imaginative play, hand-eye coordination, and fine motor skill development. Perfect for hands-on learning and Montessori-style exploration for children ages 3 and up.
- 🌟 Calming Support for Kids with Autism and ADHD The repetitive motion of string threading combined with tactile stimulation helps reduce anxiety and regulate emotions. Ideal for children with autism, ADHD, or sensory processing needs. Whether at home, school, or on the go, it serves as a calming tool to help kids feel centered and in control.
- 🌿 Soft, Safe, and Machine Washable Silicone Crafted from food-grade, CPC-certified silicone, this toy is non-toxic, odorless, and gentle on little hands (and mouths). Dual-sided textures offer multiple sensory experiences. Fully washable—just rinse or toss it in the washing machine for easy, hygienic reuse.
- 🎁 Ideal Gift Choice A perfect gift for kids, teens, or adults with sensory sensitivities or stress-relief needs. Whether it's for birthdays, holidays, or back-to-school, this toy brings comfort and calm. Comes with a complete set—activity board, 40 strings, and a travel bag—ready to wrap and give.

- Improve Fine Motor Skills Toddlers are captivated by the act of inserting objects into slots or holes, a play activity they never tire of. This Montessori Toys can enhances 18-36 month baby kids fine motor skills, color sorting, matching, size perception, hand-eye coordination, and problem-solving abilities.
- Sturdy and Safe The Montessori sensory sorting activity toys is made from food-grade silicone, all surfaces are carefully polished and burr-free, durable and fadeless. Smooth, soft edges, ensuring toddlers can play safely, avoiding sharp corners or burrs, and is gentle on the skin.
- Exquisite Design The bright rainbow colors and compact size capture the attention of toddlers. Designed with small hands in mind, the toy's petite dimensions and easy-to-grip sticks make it perfect for toddlers, promoting active learning and long-term engagement. The size of the toy parts is suitable for the hands of infants to hold but can also minimize choking hazards. Your baby can play relaxed with this safe and reliable box.
- Easy to Carry This Sensory Activity toy measures 5.1 x 3.5 x 3.5in and comes with 24 colorful sticks that can be conveniently stored in a container, making it easy for children to take on the go. It is simple to store, making it perfect for toddlers to enjoy at home, in the classroom, or during road trips.
- Screen-Free Calming Toy Compact, lightweight and portable, this sensory activity board is travel-friendly, keeping kids occupied in public spaces like planes, cars, waiting rooms, or restaurants without causing disruption, providing parents with a peaceful travel experience.
- One Toy, Many Benefits First, kid can sort or put 24 colorful sticks according to the color or position of the holes. Second, the baby can wrap 24 colorful sticks around the surface of the silicone can toy according to the shape he likes. Third, children can use 24 colorful sticks to arrange different shapes and patterns. Fourth, adults can use the silicone jar toys created by children as pen holders or as vases with flowers.
- An Ideal Gift for Early Education The Sensory activity board have exquisite packaging boxes, it is the perfect preschool toy gift for occasions like Children's Day, birthdays, Christmas, stocking stuffers, and Easter baskets. Give your child a fascinating choice to get screenless fun.

- Instant Calm Anywhere – Turns stress into focus. A true essential for airplane travel, car rides, or any road trip, this sensory cube creates quiet time. It silently channels restless energy during busy activities, offering immediate anxiety relief for kids, teens, and adults.
- UNLOCK 3D CREATIVITY – Go beyond flat board puzzles. Our set includes both long & short silicone strings, offering multiple levels of challenge. Use short strings for simple patterns and the long ones to weave complex, multi-sided creations. This progressive play enhances hand-eye coordination & spatial reasoning for kids & toddler users.
- NEVER LOSE A PIECE – No more messy bags or lost strings! Unlike other sensory items, our cube has brilliant built-in storage for all 12 strings. This all-in-one, pocket-sized design makes it the ultimate grab-and-go travel toy, with everything secure inside for independent play.
- Parent-Approved Quality – Your child's safety is non-negotiable. Made from premium, BPA-free, non-toxic silicone, this fidget cube is rigorously tested to meet strict safety standards. The soft-touch board & durable strings are built to withstand endless play, giving you complete peace of mind.
- THE PERFECT GIFT FOR CREATIVE MINDS – A thoughtful gift for birthdays & holidays, especially for those with ADHD or autism. INCLUDES: 1 3D Sensory Cube with Built-in Storage & 12 Colorful Silicone Strings. Your purchase is backed by our satisfaction guarantee. Love it, or we'll make it right!

Color: Green

- Cognitive Development:** The sensory fidget toy can express children's ideas in a variety of twisted shapes, with multiple actions such as pushing and ring bridge. Quiet fidget toys enhance flexibility and concentration, focus creativity, and fine motor skills through an engaging tactile experience
- Creative Design:** This anxiety fidget toy adopts a maze design, can be played on double sides, provides a variety of play experiences, and achieves satisfactory treatment results for children to the elderly. It can be washed without fear of hygiene and safety
- Screen-Free Calming Toy:** This sensory string toy can replace electronic screen products. Playing silent fidget toys requires children to concentrate, observe carefully and feel. This can help cultivate children's attention and patience, as well as hone their attention and thinking skills. At the same time, kids calming toys bring a quiet and peaceful experience for travel, which is very suitable for use in public places such as airplanes, cars, and restaurants
- Stress Relief:** The sensory activity board can relieve stress and anxiety. Its rich tactile functions and focusing design provide calmness, creative expression, foster a sense of accomplishment, and ASMR feelings. It is very suitable for relieving nervous tension and can be played by children and adults
- Portable Gift Choice:** This package includes a sensory board for adults with autism, 12 brightly colored strings, and an expandable gift bag. This sensory activity board is easy to carry and is the suitable gift for children with autism, ADHD, ADD and OCD. This fidget toy for ADHD provides satisfying activities for people of all ages and is an ideal Christmas gift choice

Color: Blue-cloud

- Instant Relief Anywhere - This silicone sensory fidget board helps kids and adults turn nervous energy into quiet, soothing motion. Twelve whisper-quiet strings make it an effective fidgets for classroom, office, or travel without disturbing others
Kids to Adult versatility - Designed as both a kid-friendly sensory activity board and a discreet adult fidget, the soft-touch surface and stretchy loops satisfy the same impulse as popular fidget toys while staying professional for meetings
Endless Tactile Exploration - A dozen color-coded silicone strings invite gentle braiding, knotting, or popping motions that build fine-motor strength and replace nail-biting with a healthier, screen-free habit
Grab-and-Go Convenience - Ultra-lightweight, the included buckle and travel bag let you clip this silicone sensory fidget board to backpacks or belt loops so every piece stays clean, organized, and ready whenever anxiety rises
Built for daily durability - Crafted from food-grade, BPA-free silicone, the fade-resistant board withstands chewing, tugging, and everyday wipe-downs. Designed for repeated daily use from kindergarten desks to adult workstations, it keeps delivering calming support without showing early wear

Color: Blue

- This sensory activity board colors are vibrant and visually appealing, and creating fun designs, that's so good for sensory seekers, which is a good choice as kids sensory toys. This quality-made toy that's unique, fun, and great for calming and focus, which offers opportunities to work on resistive fine motor skills, pre-writing skills, finger isolation, finger dexterity, and bilateral hand skills and visual attention to task, also a wonderful choice as a Montessori busy board.
- Innovative Design ---The product is constructed so innovative and unique, offers totally different options on its two faces. One side is grid-like layout, and the back face consists of swirling channels reminiscent of a fingerprint. Both sides are perfectly proportioned to the width or circumference of the strings, and both sides have a raised texture which can be pleasant for a quiet activity, it's great as sensory fidget toys.
- Trusted by professionals to enhance dexterity, fine motor skills, and hand-eye coordination through tactile sensory experiences. Featuring push, peel, loop, and bridge actions, making it a perfect gift for fostering child development.
- Screen-Free Peace - Provide parents with a quiet, clean, screenless alternative to keep kids occupied in public spaces like planes, cars, waiting rooms, or restaurants. Mess-free, travel-friendly, and silent, easy portability, ensuring a peaceful, calming experience on the go.
- Stimulate cognitive growth across all ages with an open-ended, hands-on approach. Its unique design encourages creative, imaginative problem-solving, making it an ideal STEM toy inspired by Montessori principles. Beneficial for individuals with Autism, ADHD, ADD, and OCD.

- **Double-sided design for enhanced sense of touch:** This sensory activity board has a double-sided design and the silicone material can enhance children's tactile perception and help them develop their sensory skills and hand coordination. By touching the different textures of the surface, children can get a rich sensory experience.
- **Colorful Animal Patterns:** This activity board has a variety of colorful animal patterns, which is in line with children's love and interest in cute animals. By interacting with the patterns, children can develop their knowledge and interest in animals, stimulate their curiosity and desire to explore, and promote cognitive ability and learning fun.
- **Ease the performance of hyperactivity anxiety:** For those children with ADHD or anxiety, a quiet environment and a calming effect are very important. This activity board provides a quiet, intimate space that can help these children relax and reduce anxiety and tension. Interacting with the elements on the activity board allows them to

- PROMOTING COGNITIVE DEVELOPMENT:** Sensory ball, through the construction and combination of spheres, to enhance spatial thinking ability. Stimulate cognitive growth across 3+ with an open-ended, hands-on approach
- CALM DOWN STRESS RELIEF:** This sensory activity board specifically designed to ease stress and enhance focus. Tactile features and soothing design provide a calm down, promoting a sense of accomplishment and helping to channel nervous energy. Excellent for sufferers of ADHD, Autism or Anxiety
- ENHANCE HAND-EYE COORDINATION:** Haptic experience through pushing, peeling, twisting, wrapping and bridging, enhance dexterity, fine motor skills and hand-eye coordination. These abilities play an important role in children's future learning and life
- SAFE AND QUALITY SENSORY TOYS:** Package includes a sensory ball and 16 silicone ropes. The ball part is made of high quality plastic, the silicone strip is made of high quality non-toxic silicone, through the CPC certification, which is BPA-free, and odorless, ensuring fidget activity board are safe for children
- SCREEN-FREE CALMING TOY:** Offer parents a quiet, clean, screenless alternative for keeping kids occupied in public spaces like planes, cars, waiting rooms, or restaurants, ensuring a peaceful, calming experience on the go. A perfect gift to improve your child's attention and thinking skills

- 6-Sided Sensory Fun** Explore a world of tactile discovery! This interactive fidget cube features 6 unique sides designed for threading, pulling, stretching, and bridging with 15 colorful silicone strings. It's the perfect hands-on toy to spark creativity, develop fine motor skills, and enhance spatial thinking for kids ages 3-13.
- Safe & Durable Construction** Crafted from premium, BPA-free silicone that's soft, non-toxic, and built to last. The vibrant strings are resistant to tearing, ensuring long-lasting quiet play. It's ideal for building hand strength, visual perception, and providing endless screen-free entertainment.
- Calming Focus for Sensory Needs** Effectively helps children relieve stress, manage anxiety, and channel excess energy. A soothing tool for kids with autism, ADHD, or sensory processing challenges to find calm and improve concentration. The quiet textures are also great for older kids during homework or transitions.
- Portable & Screen-Free Play** Take the fun anywhere! Lightweight, mess-free, and completely silent, this cube is perfect for travel, classrooms, cars, and waiting rooms. It keeps hands busy and minds engaged without noisy electronics, offering parents a peace-of-mind solution for on-the-go entertainment.
- The Perfect Thoughtful Gift** An ideal gift for birthdays, holidays, or as therapeutic support. Meaningful for all children, with or without special needs, and especially helpful for those with autism, ADHD, or anxiety. Encourages self-soothing, imaginative play, and focus at home, school, or during travel.

- Stress Reduction & Anger Control: Designed to reduce stress and manage anger by providing a calming outlet for nervous energy. The hands-on sensory experience fosters relaxation, focus, and emotional balance through tactile stimulation. Perfect for children and adults seeking self-regulation during moments of frustration or anxiety. Suitable for home, classroom, and therapy use.
- Travel-Friendly & Engaging: A convenient companion that helps keep kids relaxed and occupied during flights, car rides, or waiting rooms. The quiet activity helps reduce restlessness, making trips smoother for both kids and parents. Compact and easy to carry, it fits effortlessly into bags for stress-free use anytime, anywhere.
- Screen-Free Entertainment: A quiet and mess-free solution for keeping kids engaged during outings and appointments. Its thoughtful design ensures a peaceful play experience, providing an effective way to keep children occupied in various settings without distractions.
- Encourages Creativity & Skill Development: Vibrant, colorful strings can be woven into endless patterns and designs, boosting fine motor skills, hand-eye coordination, problem-solving abilities, and imaginative play.
- Easy to hold and store : The ball shape provides a comfortable grip, making it easy for kids to handle during play. All strings can be neatly tucked inside the ball, keeping spaces organized. Its compact size ensures effortless storage and portability.
- Thoughtful Gifts : A wonderful option for anyone with Autism, ADHD, anxiety, or OCD. It's a great choice for kids birthdays, stress relief, calming moments, Christmas presents, or stocking stuffers for teens and adults alike.
- Office Desk Toy: Compact and easy to keep on your desk, this sensory ball helps relieve work stress by providing a quiet, hands-on outlet for nervous energy, promoting focus, and calming the mind during high-pressure tasks.

- 3D Sensory Sphere Innovation---Unlike flat fidget pads, this tactile ball features a 360° play surface with 6 textured sides and 8 colorful silicone strings. Kids build spatial awareness through pressing, weaving, and pattern-making while improving focus.
Color Learning & Creative Play---Includes a multicolor base sphere + 8 warm-toned strings for open-ended design play. Enhances color recognition and artistic expression through hands-on experimentation.
Dual Play Modes for Calming---Use as a whole ball for rolling relaxation or disassemble for 3D building. The bumpy texture provides satisfying tactile input to help manage ADHD/OCD symptoms and nervous energy.
Travel-Friendly & Safety Tested---CPC-certified food-grade silicone/PP materials. All strings store inside the sphere - perfect for quiet play in cars, planes, or restaurants without disturbing others.
Thoughtful Gift for All Ages---Ideal for ages 3+ and neurodiverse individuals. Supports emotional regulation and makes a meaningful birthday/holiday gift for kids with autism or sensory needs.

- Creative three-dimensional design: Upgraded from flat sensory boards, this sphere splits into two halves and includes 16 silicone loops that can be pushed, peeled, looped, and bridged—engaging tactile play that builds fine motor skills, spatial awareness, and creative problem solving
- Supports cognitive focus and emotional regulation: Crafted to help children with Autism, ADHD, ADD, and special needs calm their minds through sequenced tactile challenges and innovative touch-based gameplay that helps sustain attention and self-control
- Stress-relief through sensory weaving: Slide and weave the colorful silicone strings into textured grooves of the sphere for satisfying tactile sensations—ideal for transforming nervous energy into a calming ASMR-like experience and enhancing productivity at work or study
- Safe materials for everyday play: Made from CPC-certified non-toxic silicone and plastic, this durable sensory ball is odorless, easy to clean, and disrupt-free—perfect for mindful, screen-free play sessions at home, in the classroom, or in public spaces
- Ideal gift for all ages: Thoughtfully designed for children, teens, and adults—including individuals with sensory sensitivities—this fidget sphere makes a meaningful gift for birthdays, holidays, travel, relaxation, and Easter baskets

- **Silicone Sensory Cube with 15 silicone strips** Insert the 15 silicone strips into the cube's grooves (3.19x3.19in) for tactile play—press, peel, or twist soft ridges to calm anxiety.
- **Silent & Squishy Stress Relief** No moving parts, no noise. The pliable silicone surfaces absorb restless energy discreetly. Perfect for classrooms, flights, or office breaks without distracting others.
- **Customizable Tactile Stimulation** Mix and match silicone strips to create bumpy, ridged, or smooth textures. Helps ADHD/autism users focus through repetitive sensory input and hand-strengthening motions.
- **Ultra-Portable Sensory Companion** Lightweight/Removable and washable . Toss it in bags for travel—use in cars, waiting rooms, or therapy sessions. Includes a mesh pouch to prevent dust buildup.
- **Develop Focus Through Squeeze Play** Improves fine motor control and emotional regulation by molding, embedding, and pulling strips. Ideal gift for sensory seekers aged 3+ or adults needing screen-free relaxation.

- Package Includes: This set contains 4Pack Sensory activity board toys with different shapes, including butterflies, stars, elephants and dinosaurs.
- High Quality Material Sensory activity board toys are crafted from premium, non-toxic silicone, utilizing high-quality materials that are durable and odorless. These products have also received Children's CPC certification to guarantee safety for children.
- Double sided design:The two sides of the sensory board are designed with different patterns, providing children with two ways to play. Enhance fine motor skills and hand-eye coordination through tactile experiences such as pushing, peeling, tying, and building.
- Stress and Anxiety Relief: Ease stress and anxiety with the relaxing, engaging sensorial activity board, Beneficial for individuals with Autism, ADHD, ADD, and OCD.
- Applicable occasions: Noisy electronic screens make us crave quiet time, and our sensory activity board allows children to provide parents with a quiet and clean environment. They can play the fidget toys in public places such as airplanes, cars, hospitals, restaurants, etc. to ensure tranquility and peace during the journey.
- Exciting Gift Idea:The sensory activity board is the best gift for children with autism, ADHD, ADD and OCD. It will be a great Christmas gift or a perfect birthday gift, stocking filler, goodie bags stuffers, prizes for kids, Pinata stuffers, carnival prizes.

The sensory activity board is made of high quality non-toxic silicone certified by CPC, which does not contain BPA-free and has no odor to ensure the safety of children. The front of the product has an irregular pattern, while the back has a dot pattern. Parents can provide a safe environment for children to explore, so that children can freely observe and touch, so that children continue to learn and grow in the game. In addition, fingertip pads can help children focus and develop patience.

- **【Sensory Toys for Children's Cognitive Development】** This silicone sensory activity board toy allows children to push, peel, build, circle, bridge, DIY, create different shapes of color lines, cultivate children's color cognition, fine motor skills, hand-eye coordination and imagination. Ideal gift for children, toddlers, boys, girls 3, 4, 5, 6, 7, 8, 9 years old preschool learning and education.
- **【Rainbow Appearance and Relieves Stress】** With its vibrant rainbow colors and visually appealing design, the Sensory activity board attracts attention and soothes overstimulation, making it a calming tool for anxiety and stress relief for children and adults alike.
- **【Screenless Focus Sensory Board】** This sensory board provides parents with a reliable, quiet, neat,
