IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

ROHAN CHAKRAVARTY, Plaintiff, v. SCHEDULE A DEFENDANTS, Defendants.	Civil Action No. 26-cv-877 **FILED UNDER SEAL**

DECLARATION OF EVAN GICK IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

I, Evan Gick, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products[1] and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

[1] As set forth in the Complaint, Defendants are using Plaintiff's copyrighted works while promoting, selling, offering for sale, and distributing products that incorporate Plaintiff's copyrighted works (the "Infringing Products").

3. Prior to filing this Declaration, we accessed through at least one of the online ecommerce platforms Amazon.com, Temu.com, and Walmart.com ("the Merchant Storefronts") operating under the seller identities as identified on **Schedule "A"** of the Complaint (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, we were able to view Defendants' Infringing Products, add Infringing Products to the online shopping cart, designate Pennsylvania as the point of purchase and delivery, proceed to the point of checkout, and otherwise actively exchange data with each Merchant Storefront. We also determined that each Defendant appears to be located in China.

4. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing Products to Pennsylvania and other locations throughout the United States. True and correct copies of the detailed web listings we captured and downloaded showing the various products which are the subject of this lawsuit and confirmation that Defendants were willing and able to ship to Pennsylvania are attached hereto as **Composite Exhibit 1**.

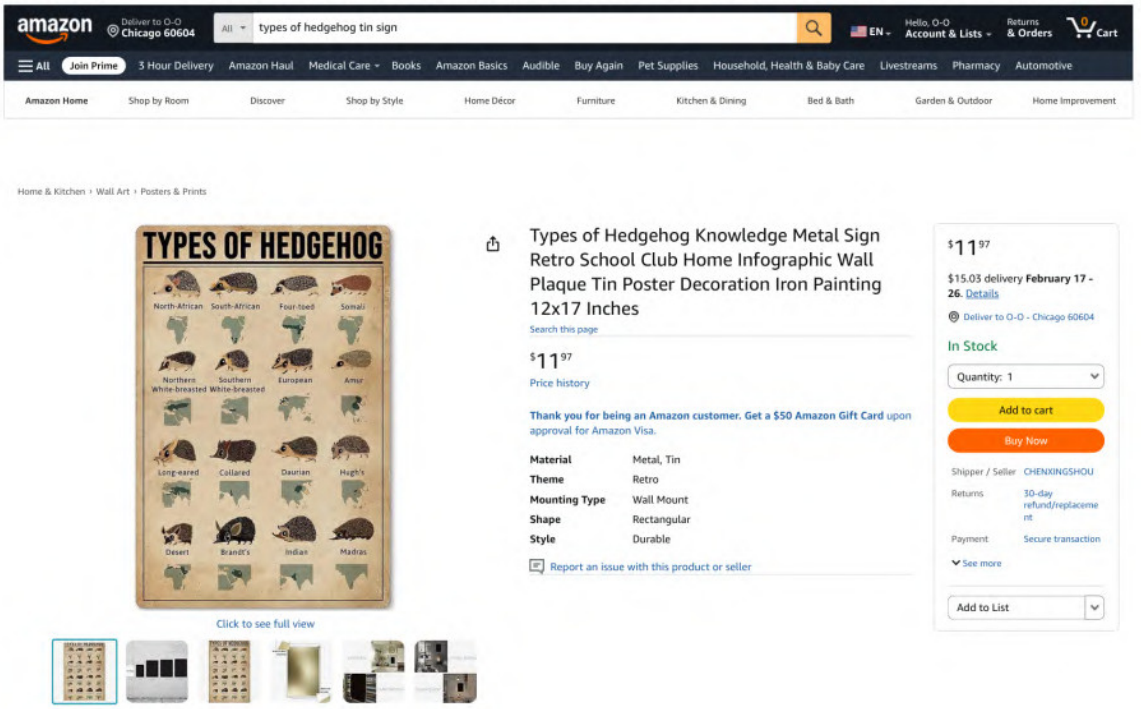

5. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 13th day of May, 2026, at Pittsburgh, Pennsylvania.

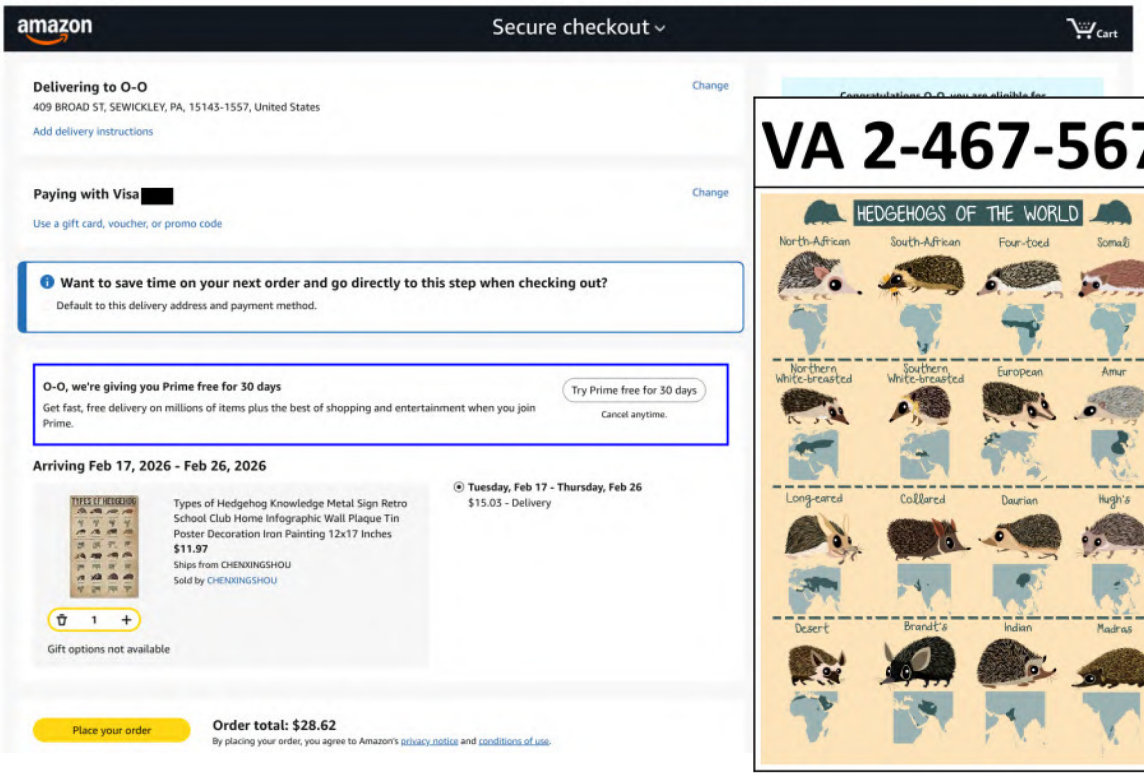

/s/ Evan Gick

Color: Tin sign5

Size: 8"x12"

- Eclectic Style Mix for Every Nook: Skip the overdone retro clichés—we've got quirky hobby-themed prints, cozy homey quotes, minimalist geometric patterns, and vintage-inspired travel motifs. Perfect for sprucing up bedrooms, home bars, garage corners, or even dorm walls.
- Lightweight Tin Build & Perfect 12x8" Size: Made of medium-grade tin that's sturdy enough for daily display, yet flexible enough to tweak for fit on uneven walls. This go-to 12x8" size fits most wall nooks, shelves, or bar counters—no heavy lifting or bulky hardware needed to hang it up.
- No-Fuss Display Ready: Pre-drilled holes in the corners mean you can hang it

Product Dimensions	8"L x 12"W
Shape	Rectangular

About this item

- Material:These Are High quality Metal Sign.100% Brand New All edges are finished, so there are no sharp edges.
- Material:These Are High quality Metal Sign.100% Brand New All edges are finished, so there are no sharp edges.
- The design is printed on metal using the latest UV printing technology. The edges of the logo are stepped, making it dimensionally stable. This gives the poster an excellent 3D appearance.
- Since each corner has pre-drilled holes, you can easily fix the
