I. Order Continuing Restraints

A. IT IS HEREBY ORDERED, as sufficient cause has been shown, the injunctive relief previously granted on April 6, 2026, shall remain in place through the pendency of this litigation, and issuing this Preliminary Injunction (hereafter “PI Order”) is warranted under FRCP 65, Section 34 of the Lanham Act, and Section 283 of the Patent Act. The Court finds that Plaintiff relies upon a presumptively valid patent, and that nothing in the

² Plaintiff acknowledges that it is seeking multiple forms of relief. Plaintiff will promptly provide supplemental briefing or oral argument on any issue should the Court request it.

record calls that validity into question. The evidence establishes that Plaintiffs have shown a sufficient likelihood of success on the merits of this action. The Court also concludes that Plaintiff has shown that immediate and irreparable injury, loss, and damage will likely result should the relief entered by this Order not be granted.

Specifically, the Court finds that Defendants' infringing products are likely to continue to cause Plaintiff to suffer loss profits, compromise the value of Plaintiffs' brand, and negatively impact Plaintiffs' relationships with its current customers and its ability to attract new customers. Defendants will not be harmed by the imposition of the injunctive relief requested, because the injunction only prohibits Defendants from taking actions they are otherwise not entitled to perform under the law. And finally, the public interest favors the issuance of the requested injunction, and Plaintiff have no adequate remedy at law for the immediate and irreparable harms identified.

Accordingly, each Defendant, its officers, directors, employees, agents, subsidiaries, distributors, and all persons in active concert or participation with any Defendant having notice of this Order shall continue to be restrained as follows:

- (1) from (a) their unauthorized and unlicensed use of Plaintiffs' Patent, distribution, marketing, advertising, offering for sale, or sale of any Infringing Products; and (b) shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner products that infringe upon at least one claim of the Plaintiffs' Patent;
- (2) from secreting, concealing, destroying, altering, selling off, transferring or otherwise disposing of and/or dealing with any computer files, data, business records, documents or

any other records or evidence relating to their User Accounts,³ Merchant Storefronts⁴ or any money, securities or other property or assets of Defendants (hereinafter collectively referred to as “Defendants’ Assets”);

(3) effecting assignments or transfers, forming new entities or associations, or creating and/or utilizing any other platform, User Account, Merchant Storefront or any other means of importation, exportation, advertising, marketing, promotion, distribution, and/or display for the purposes of circumventing or otherwise avoiding the prohibitions set forth in this Order;

(4) each Defendant, its officers, directors, employees, agents, subsidiaries, distributors, and all persons in active concert or participation with any Defendant having notice of this Order shall immediately cease offering for sale the Infringing Products within metatags or other markers within website source code, from use on any web page (including as the title of any product listing), from any advertising links to other websites, from search engines’ databases or cache memory, and any other form of use such terms or works which is visible to a computer user or serves to direct computer searches to Internet based e-commerce stores owned, or operated by each Defendant, including the Merchant Storefronts operating under the Seller IDs;

³ As defined in the Application, a “User Account” is, as defined in the Complaint, any and all accounts with at least one of the online marketplace platform(s), AliExpress.com, Amazon.com, eBay.com, Temu.com, Walmart.com, and Wish.com, as well as any and all as yet undiscovered accounts with additional online marketplace platforms held by or associated with Defendants, their respective officers, employees, agents, servants and all other persons in active concert with any of them.

⁴ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

- (5) each Defendant shall not transfer ownership of the User Accounts or Merchant Storefronts associated with the Seller IDs;
- (6) each Defendant shall preserve copies of all computer files relating to the use of any User Accounts and/or Merchant Storefronts under the Seller IDs and shall take steps necessary to retrieve computer files relating to the use of the User Accounts and/or Merchant Storefronts under their Seller IDs that may be deleted before the entry of this Order;

AliPay (China) Internet Technology Co. Ltd., and Alipay.com Co., Ltd. (collectively referred to as “AliPay”)⁵, Amazon Payments, Inc., Walmart Pay, PayPal, Inc. d/b/a paypal.com, Whaleco Inc., a Delaware Corporation, which is a wholly owned subsidiary of Pinduoduo Inc. which is owned by PDD Holdings (collectively, “Temu”), and Context Logic, Inc. d/b/a Wish.com (“Financial Institutions”).⁶, and their related companies and affiliates, shall immediately identify and restrain all funds, as opposed to ongoing account activity, in or which are hereafter transmitted into the
